Quicklet on Portlandia Season 1 Jonathan Nathan, 2012-05-08 Like the hipster movement it ridicules Portlandia has its roots in the early 1990s the Grunge Era After early innovators like Mudhoney and Tad paved the way the blockbuster triumvirate of Nirvana Soundgarden and Alice in Chains ruled MTV and college radio for half a decade with Pearl Jam going on to even greater and more sustained success Kevin Smith and Richard Linklater made films that idealized underemployment and post high school doldrums Quentin Tarantino pioneered a schizophrenic heavily referential style of film that seemed designed to mimic the long drawn out conversations of a group of stoned young film buffs with nothing to do and too big of a videotape collection Flannel shirts and what Silver Jews frontman David Berman would later describe as sarcastic hair were the height of fashion Every young kid in America since the second World War has probably been called a lazy good for nothing slacker by his or her parents at least once but in 1993 there was no higher compliment Everybody was going to be an artist a comedian a writer a filmmaker an actor a poet And in two different grunge havens separated by half a continent Fred Armisen and Carrie Brownstein were starting their long journeys toward that dreamed of success Given that they both found their most widely celebrated success working together on a sketch comedy series it is perhaps surprising that they both started out playing in cult favorite indie rock bands

Quicklet on Portlandia Season 2 (TV Show) Jonathan Kaufman Nathan, 2012-07-30 ABOUT THE BOOK I like to describe Portland as a city with a lot of self esteem filled with people with a lot of self doubt Portland is a really kind place with all kinds of people who will go to tyrannical lengths to show you how kind they are to the point that it actually feels kind of mean I think a lot of our characters are trying to navigate that Portlandia co creator Carrie Brownstein quoted in The Daily Beast You remember the 90s when everyone was pickling their own vegetables and brewing their own beer People were growing out their mutton chops and waxing their handlebar moustaches Everyone was knitting and sewing clothes for their children People were wearing glasses all the time like contact lenses had never been invented Wait are we talking about the 1990s Jason From LA and Melanie Episode 5 The Dream of the 1890s If you haven't heard the joke then you haven't been going to the right bars in

the right cities with the right people Hang around enough cool plugged in young urban progressives hipsters as they've been termed in the last few years and you're bound to eventually meet a couple of them who are self-aware enough to have latched on to it The joke is dry bitter self-deprecating It indicts the entire hipster scene for a sin one which is simultaneously inconsequential and monumental that has characterized American progressives young and old hip and square urban and rural for decades Hey are you a hipster No OK you're a hipster Hipsters are becoming notorious for their self-loathing The internet is lousy with Tumblrs blogs and entire websites dedicated to bashing the hipster phenomenon But who are the people hanging out long enough to make all these observations in the Mission in Williamsburg in Silver Lake in Wicker Park in Capitol Hill It generally takes one to know one when it comes to hipsters and the joke is that one of the first identifiers of a hipster is denial of membership in the group It's a social identity literally built around participants pretending to not be participants EXCERPT FROM THE BOOK Hey are you a hipster No OK you're a hipster Hipsters are becoming notorious for their self-loathing The internet is lousy with Tumblrs blogs and entire websites dedicated to bashing the hipster phenomenon But who are the people hanging out long enough to make all these observations in the Mission in Williamsburg in Silver Lake in Wicker Park in Capitol Hill It generally takes one to know one when it comes to hipsters and the joke is that one of the first identifiers of a hipster is denial of membership in the group It's a social identity literally built around participants pretending to not be participants It's not new this progressive self-hatred Its roots run deep Liberals have always seemed uneasy with their own ideals Conservatives rarely engage in the same degree of public brutal hilarious humiliating self-flagellation Recent studies have confirmed that conservative politics are bolstered by what is termed low effort thinking Firmly attached to a relatively simple black and white worldview a conservative does not see enough complexity in the issues of the day to see the funny side of his or her own perspective But philosophical self-mutilation is so deeply entrenched in the left that progressives even do it in their daily lives They wryly adopt and self-apply the most insulting terms hurled at them from across the aisle Bleeding heart Flaming liberal Treehugger And so on and so forth *Tell Me about Your Bad Guys* Michael Dowdy, 2025-03
