

Canoeing Central New York

William Philip Ehling

Canoeing Central New York:

Canoeing Central New York William Philip Ehling, 1982 *Canoeing & Kayaking New York* Kevin Stiegelmaier, 2010-02-01 Get the authoritative guide to the rivers of New York featuring 50 of the state's best paddling trips. From the slow tidal rivers of Long Island to the swift whitewater in the Adirondack Mountains, the best way to experience nature in the Empire State is by paddle. *Canoeing Kayaking New York* is a comprehensive guide to New York's creeks and rivers. Written by expert paddler and New York native Kevin Stiegelmaier, the guidebook provides engaging and concise information while offering carefully selected details vital to successful trips for beginners and experienced paddlers alike. For more than a decade *Canoeing Kayaking New York* has been a trusted source for paddlers. This popular guidebook presents paddling routes like the majestic Hudson River as it heads to the urban waterways of New York City, the incomparable scenery along the Marion River, the peaceful solitude offered by the Sangerfield River, and the Old Erie Canal, perfect for families with children. Inside you'll find details on 50 of the best trips along New York's premier rivers for paddling. River profiles with maps and GPS coordinates. Recommended runs for waterfalls, wildlife viewing trips with children, and more. At a glance, data including river class, length, and time. *Canoeing Kayaking New York* is simply the best and most informative New York paddling guide. Wet your paddle and whet your taste for outdoor adventure. *Canoeing Central New York* William P. Ehling, 1982-01-01 Describes canoe trips in the Susquehanna, Onondaga, Lake St. Lawrence, and Mohawk watersheds, recommends and rates various routes, and provides tips on safety. **Paddling Long Island and New York City** Kevin Stiegelmaier, 2012-04-10 Paddling Long Island is the only book on the market to depict routes and destinations across the whole of Long Island and the New York City area. And it showcases 50 of the very best. It is a diverse selection, too. After all, according to skill level, weather, personal mood, and other factors, a paddler may want open, fast water one day, but a quiet, protected experience at another time, and something in between later on. It's all here, from New York City to the far eastern tip of Long Island's Montauk Point. What's more, the book's guidance and language are geared to wide-ranging skill levels: the novice will be enlightened and encouraged, and the seasoned kayaker or canoeist will be engaged and engrossed. That is because the author's intimate, lifelong knowledge of the area's waterways shines in his descriptions of natural and social histories, humorous stories, personal anecdotes, and beautiful black and white photographs. For example, among the 50 entries, the author tells of Cold Spring Harbor, nestled between Oyster Bay and Huntington and steeped in maritime history. He gives some back story on Little Neck Bay, home to littleneck clams, but also where he says you will likely see a fin flip or a tail splash as the striped bass catch their prey. And he will take you to Setauket Harbor and tell you why it's his personal paddling favorite. But not all wax is euphoric, as there are practical considerations when striking out on water, and this guidebook is a good friend to have along. It describes the best times to paddle, the 50 harbor, inlet, bay, and river routes, alerts readers to each paddle's difficulty level, and estimated length, and suggests side trips, optional trip extensions, and alternate routes to paddle.

depending on weather conditions Easy to follow maps complete with GPS coordinates and driving directions add to this book's high value In addition the author provides contact information on local paddling clubs outfitters and Internet links And a final extensive section on personal safety boat and equipment preparedness and related topics makes this book an invaluable tool

Paddling the Northern Forest Canoe Trail Dan Tobyne, 2021-05-01 The 740 mile Northern Forest Canoe Trail is the largest inland water trail in the United States The trail follows the traditional travel routes of Native Americans including the Wabanaki and Iroquois as well as their Paleo Indian ancestors Beginning in Old Forge New York and ending in Fort Kent Maine the NFCT encompasses 58 lakes and ponds 22 rivers and streams 62 portages totaling more than 55 miles With just over 347 miles Maine is home to more of the trail than any other state and it is the wildest least populated section The Canoe Trail in Maine includes Umbagog Moosehead Rangeley Flagstaff Chesuncook and Chamberlain Lakes as well as the entire 92 mile Allagash Wilderness Waterway This is a guide for doers as well as dreamers Practical information on paddling gear safety plus maps will help you get started and the beautiful photography will inspire you to prepare and help you stay motivated until it's time to head out A paddle on the Canoe Trail is a trip through time as canoeists and kayakers discover the rich Native American and forestry history of the region pockets of pristine wilderness and an abundance of wildlife including moose bear deer beaver bald eagles and loons It's the backwoods paddling experience of a lifetime *Hendricks' Commercial Register of the United States*, 1911

Interstate Commerce Commission Reports United States. Interstate Commerce Commission, 1930 Fore'n'aft, 1907 **Northern Forest Canoe Trail Guidebook**, **New York Sportsman**, 2001
