Environmental Information in Instructions for Use of Consumer Products Ari Nissinen,2005-03-11 The European Union has highlighted the issue of environmentally sound use of products in the context of Integrated Product Policy IPP Accordingly consumers should have easy access to understandable relevant and credible environmental information Information about product characteristics is available in different forms and sources but in many cases relevant environmental information is not available on the product itself The study described in this report was initiated in order to produce information on the state of user instructions regarding environmental information User manuals of passenger cars and refrigerators were focused on examining the advice which could diminish the harmful environmental effects of the use of these products Other studied products included such durable products as textiles and furniture as well as such consumables as cleaning chemicals and recyclable paper products The study raised many ideas about actions that could promote the status and eco development of instructions for use Automotive Industries ,1922 **The Automotive Gray Market** John B. Hege,2022-04-18 In the 1970s as car enthusiasts in the U S grew bored with models manufactured under tightening pollution and safety regulations some innovative dealers exploited a legal loophole designed to allow U S soldiers and diplomats to return from abroad with their vehicles to import exotic cars never intended for sale in America During the 1980s a rise in the value of the dollar made car shopping in Europe a bargain hunter s dream A network of unauthorized gray market importers and conversion shops emerged bypassing factory channels and retrofitting cars to meet U S regulations and emission standards at least in theory These cars had to pass through U S customs a system equipped to handle only a few independent imports annually As applications ballooned the regulatory system collapsed This is the story of a misunderstood but fascinating period in the automotive industry when creative importers found ways to put American motorists in new Ferraris while the EPA and DOT were backed up with mounds of paperwork Automotive Industries, the Automobile ,1923 **The Efficient Driver&'s Handbook - Your guide to fuel efficient driving techniques and car choice** Dave Moss,2010 This book describes in a clear friendly manner everything today s driver needs to know about choosing and using a car in an economical and eco efficient way It explains what matters most to the car buyer when optimum fuel economy and lowest emissions are priorities and why four wheel drive and automatic transmission present challenges to eco friendly driving Highly detailed advice on driving for best fuel economy is supplemented by helpful information on alternative fuels hybrid powertrains and much more Featuring a thorough examination of the advantages and disadvantages of the most promising fuels of the future electricity and hydrogen this book is essential reading for the modern driver **The Electric Vehicle Conversion Handbook HP1568** Mark Warner,2011-06-07 A guide on how to convert any gas or diesel powered vehicle to electric power Includes ownership advantages basic EV operation subsystems components basic EV operation project vehicles and conversion kits **Cars & Parts** ,1985-11 *Citroen* Lance Cole,2014-03-31 In this

new view on the Citroen story automotive aviation writer and design specialist Lance Cole investigates not just the details of the cars of Citroen but the aeronautical and cultural origins that lay behind Citroen s form and function The book digs deep into the ethos of Automobiles Citroen to create a narrative on one of the greatest car manufacturers in history Using interviews translations archive documents and specially commissioned photographs the Citroen journey is cast in a fresh perspective It explains in detail the influences upon Citroen design Voisin Lefebvre Bertoni Boulanger Mages Opron and recent Citroen designers such as Coco Blakeslee and Soubirou As well as all the men of the great period of 1920s 1970s expansion cites less well known names of Citroen s French engineering design and influence such as Cayla Gerin Giret Harmand Dargent and others to give a full picture of Citroen heritage
