Crispus Caesar I:

Chronological Systems of Byzantine Egypt: Second Edition Roger Shaler Bagnall, K. Klaas Anthony Worp, 2004 Egypt is the richest source of primary documents for the society of late antiquity Its thousands of papyri provide insight into everyday life and topics ignored by ancient authors This handbook is an indispensable tool in navigating these documents *Iter Italicum* Paul Oskar Kristeller, 1999-12 A cumulative index to the *Iter Italicum* volumes 1-6 encompassing the indexes previously published to the individual volumes Reorganised for ease of use this invaluable aid to users of Kristeller's monumental work will greatly facilitate access to the huge amount of information found here **VALIDVS** C. Martinez Landrau, 2011-08-16 While serving as a tribune in Rome's legions in Old Judea during the first century AD Novemus Opimius Validus was mortally wounded But he was then touched by the healing hand of Jesus Christ himself After that momentous occasion his life forever changed Validus witnesses Christ's fabled and momentous Sermon on the Mount and becomes a secret Christian embarking on an astounding journey that puts him in close proximity to other monumental historical figures including Christ's devoted apostle Peter He encounters the young and demented Emperor Gaius Caligula his unlikely successor and uncle the stuttering physically crippled and oft ridiculed but kindly Emperor Claudius and Claudius's lifelong friend the illustrious King Herod Agrippa From the lowly depths of the gladiatorial arena to the grand halls of the Roman Senate and later to the Roman Emperor's chair Validus changes the path of Roman history making a distinct connection between faith and empire In this second installment of a four part series author C Martinez Landrau offers a fascinating look at what ancient Rome might have been like had a man destined to become its greatest emperor also been one of Christianity's first Roman converts albeit secretly **Caesar's Lord (Constantine's Empire Book #3)** Bryan Litfin, 2022-11-01 After more than a decade of tumult Roman warrior Rex and his aristocratic wife Flavia are thankful to the God they serve for the peaceful life they are living in the city of Alexandria But with the Empire in flux it cannot last When Rex is called away to serve Constantine in his fight against Licinius Flavia's loneliness and longing for a baby lead her down the road of temptation Perhaps one of Egypt's gods will grant her conception As battles rage both within and without Rex and Flavia will have to rely on God's forgiveness and protection if they are to survive the trials to come Their adventures sweep them into the great events of the ancient church including the forging of the Nicene Creed terrible murders within the imperial family the quest for the true cross of Christ in Jerusalem and the end of pagan Rome as a new Christian empire dawns Bryan Litfin brings his epic Constantine's Empire series to a thrilling close with this dramatic tale of struggle and redemption Secrets of the Dead Tom Harper, 2011-09-15 Fans of Dan Brown Clive Cussler and Scott Mariani will love this high octane edge of your seat international thriller from the pen of prizewinning author Tom Harper It has everything you could want great plot great pace great suspense and a great twist In the tradition of *The Da Vinci Code* a page turner of a novel Like Dan Brown Tom Harper knows how to ratchet up the tension **Choice FANTASTIC FANTASTIC FANTASTIC** Reader review A page turner not a single

moment of boredom Reader review Could not put it down Reader review A BRUTAL MURDER A DAMAGED SURVIVOR A RACE AGAINST TIME In a villa on the coast of Montenegro Abby Cormac witnesses the brutal murder of her lover diplomat Michael Lascaris The last thing she remembers is a gun pointed directly at her and wakes to find herself alone and at the centre of a diplomatic nightmare Everyone wants an answer but no one wants to listen Even her employers at the Foreign Office believe she s hiding something As Abby tries to piece together the last few months of Michael s life in order to get at the truth she soon realises that he wasn t quite what he seemed What exactly was his relationship with one of the most ruthless men in the Balkans And what links Michael s gift to her of a gold necklace a 4th century manuscript left in the shadow of Emperor Constantine s palace at Trier and an inscription on a tomb in Rome When Abby investigates further it becomes clear that someone wants to suppress a secret one that has been kept hidden for centuries And they will stop at nothing to do so

Classical Numismatic Auctions XVIII , Classical Numismatic Auctions XX , Catalogue of the collection of ancient Greek and Roman, English, foreign and American coins and medals of T. Warner Thomas Warner,1884 *The Imperial Families of Ancient Rome* Maxwell Craven,2019-12-08 The Roman Empire was a spectacular polity of unprecedented scale which stretched from Scotland to Sudan and from Portugal to Persia It survived for over 500 years in the west and 1 480 years in the east Ruling it was a task of frightening complexity few emperors made a good fist of it yet thanks to dynastic connections an efficient bureaucracy and a governing class eager to attain the kudos of holding the highest offices it survived the mad bad and incompetent emperors remarkably well Although not always apparent it was the interplay of emperors kin and family connections which also made a major contribution to controlling the empire This book aims to put on record the known ancestry relations and descendants of all emperors including ephemeral ones and show connections from one dynasty to another as completely as possible accompanied by concise biographical notes about each ruler and known facts about family members which include Romans both famous and obscure It also attempts to distinguish between certainty and possibility and to eliminate obvious fiction The introduction provides a narrative lead in to the creation of the empire attempts to clarify the complexities of Roman genealogy and assess the sources *Living by the Coins* Cristian Gazdac,Franz Humer,2013-03-22 After a forty year gap following the excavations of the 1950s and even earlier large archaeological campaigns have been carried out since the 1990s in a quarter also known as Spaziergarten insula VI and Open Air Museum of the former civilian Roman town of Carnuntum These new excavations have produced a large quantity of coins Some of these findings have been published in the monumental volume Numismata Carnuntina FMR III 2 together with the rest of the coins found at Carnuntum in older collections The new excavations were carried out according to new methodologies as nowadays it is a desideratum to create numismatic corpora that should gather as much information as possible about each coin not only from a numismatic point of view but also from an archaeological one The aim is to provide more details about both general and specific patterns of the Roman economy society and history of a residential quarter in a

Roman town Thus the style of publication of coins with a large scale of archaeological units e g Roman streets dwellings public edifices and their stratigraphy was chosen in this book in order to provide as much information as possible about each coin in doing so we try to provide scholars with material and evidence that may help them to obtain a realistic picture of monetary circulation Similarly the coin as seen through an archaeological context may serve for a better understanding of the dating of archaeological phases especially to illustrate when the coin may be useful within an archaeological context as well as to highlight the pitfalls that one may come across if this artefact is misunderstood within the archaeological picture We hope that this book will be a useful tool for numismatists archaeologists historians and any reader interested in understanding Roman life through coinage
