Critical Rhetorics Of Race Critical Cultural Communication By Ono Kent 2011 Paperback:

Critical Rhetorics of Race Michael G. Lacy, Kent A. Ono, 2011-07-11 According to many pundits and cultural commentators the U S is enjoying a post racial age thanks in part to Barack Obama s rise to the presidency This high gloss of optimism fails however to recognize that racism remains ever present and alive spread by channels of media and circulated even in colloquial speech in ways that can be difficult to analyze In this groundbreaking collection edited by Michael G Lacy and Kent A Ono scholars seek to examine this complicated and contradictory terrain while moving the field of communication in a more intellectually productive direction An outstanding group of contributors from a range of academic backgrounds challenges traditional definitions and applications of rhetoric From the troubling media representations of black looters after Hurricane Katrina and rhetoric in news coverage about the Columbine and Virginia Tech massacres to cinematic representations of race in Crash Blood Diamond and Quentin Tarantino s films these essays reveal complex intersections and constructions of racialized bodies and discourses critiquing race in innovative and exciting ways Critical Rhetorics of Race seeks not only to understand and navigate a world fraught with racism but to change it one word at a time

Doing Gender Justice Shui-yin Sharon Yam, Natalie Fixmer-Oraiz, 2025-03-25 How reproductive justice birth workers and queer parents build kinships and care relations that resist oppressive structures Anti trans policies that restrict the boundaries of gender reproduction and family formation are a dangerous form of reproductive injustice with grave impacts on trans nonbinary and gender nonconforming people In Doing Gender Justice Shui yin Sharon Yam and Natalie Fixmer Oraiz explore the intricate intersections of gender race and reproductive politics to illuminate how language and care practices can be

reshaped to promote transformations at the structural level and in small everyday ways Only by enacting justice oriented forms of reproductive care and relations Yam and Fixmer Oraiz contend could activists and health care workers challenge the dominant affective and ideological investments in binary gender and its complicity in white supremacy Set against a backdrop of relentless anti trans legislation and attacks on bodily autonomy this groundbreaking work shares the lived experiences and advocacy of queer and trans parents gender inclusive birth workers and reproductive justice activists Through rich storytelling and rigorous analysis of ethnographic data and cultural artifacts the authors highlight innovative tactics that trans and nonbinary people use to dismantle oppressive systems and create a more expansive definition of family and kinship Organized to examine how the dominant gender system influences discursive and cultural practices in multiple contexts this book amplifies rhetorical inventions and tactics deployed by reproductive justice advocates birth workers and queer people who have created trans inclusive spaces for reproduction and family making Doing Gender Justice offers a compelling vision for a world where all forms of family and kinship are possible and where reproductive justice can be advanced in a deeply intersectional and coalitional way
