Critical and Social Essays ,2015-07-08 Excerpt from Critical and Social Essays Reprinted From the New York Nation It is told of Carlyle that once when he was thoroughly fatigued in body and mind by the labor of producing one of his works and had then been almost thrown into despair because of the sudden and total destruction of his manuscript before a word of it had gone to the press he shut himself up alone in his room and deliberately read through the complete works of Captain Marryatt This singular proceeding certainly appears to have in it something of that quality of mind which earned for the sage of Chelsea from some of the irreverent the title of The Incoherent Thomas He was able though to give a sound reason for his seemingly absurd and inconsequent behavior He wanted he said to induce in his mind a perfect vacuity of thought and could hit upon no other expedient so well adapted to his purpose Why he should have chosen Captain Marryatt in preference to a hundred or two others it is not easy to see About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The International Encyclopedia of Communication Theory and Philosophy, 4 Volume Set* Klaus Bruhn Jensen,Robert T.
