Nashville District,1989 Crossing the Bridge S G Marshall,2015-12-01 All things considered what else was he supposed to do JC was handsome charismatic funny a good listener One of a kind It seemed as if everybody knew it They all wanted to be close to him to share in his world to be him It was inevitable that he would have more fun than most toying with the affections of others before moving on to pastures new It was never his intention to cause heartache but he too was hurting struggling with unresolved issues from the past Then luck played its part and after stumbling into the perfect relationship finding his equal JC found peace of mind He wanted nothing more than to forget the past and embrace family life But some people can never forget Their pain will not go away They are constantly reminded of what once was and what could have been To them the past will always be the present until they can conceive a way to permanently make it so The terrifying lengths that JC s acquaintances will go to play a key part in his life transforms his perception of the past and compels him to make choices that drastically change his life and the lives of those closest to him
