Crossroads Of Freedom Antietam Pivotal Moments In American History

James M. McPherson

Crossroads Of Freedom Antietam Pivotal Moments In American History:

Crossroads of Freedom James M. McPherson, 2002-09-12 McPherson brilliantly weaves diplomatic political and military history into a compact swift moving narrative that shows why Antietam was a turning point in our history The book vividly describes a day of savage fighting in locales that became forever famous The Cornfield the Dunkard Church the West Woods and Bloody Lane Lee's battered army escaped to fight another day but Antietam was a critical victory for the Union It restored morale in the North crushed Confederate hopes of British intervention and freed Lincoln to deliver the Emancipation Proclamation which instantly changed the character of the war Crossroads of Freedom James M.

McPherson, 2004 Pulitzer Prize winning historian McPherson offers a masterful portrait of the bloodiest single day in American history the Battle of Antietam fought on September 17 1862 Hallowed Ground James M.

McPherson, 2009-02-04 James M McPherson the Pulitzer Prize winning author of *Battle Cry of Freedom* and arguably the finest Civil War historian in the world walks us through the site of the bloodiest and perhaps most consequential battle ever fought by Americans the Battle of Gettysburg The events that occurred at Gettysburg are etched into our collective memory as they served to change the course of the Civil War and with it the course of history More than any other place in the United States Gettysburg is indeed hallowed ground It's no surprise that it is one of the nation's most visited sites nearly two million annual visitors attracting tourists military buffs and students of American history McPherson who has led countless tours of Gettysburg over the years makes stops at Seminary Ridge the Peach Orchard Cemetery Hill and Little Round Top among other key locations He reflects on the meaning of the battle describes the events of those terrible three days in July 1863 and places the struggle in the greater context of American and world history Along the way he intersperses stories of his own encounters with the place over several decades as well as debunking several popular myths about the battle itself What brought those 165 000 soldiers 75 000 Confederate 90 000 Union to Gettysburg Why did they lock themselves in such a death grip across these once bucolic fields until 11 000 of them were killed or mortally wounded another 29 000 were wounded and survived and about 10 000 were missing mostly captured What was accomplished by all of this carnage Join James M McPherson on a walk across this hallowed ground as he encompasses the depth of meaning and historical impact of a place that helped define the nation's character In a larger sense we can not dedicate we can not consecrate we can not hallow this ground The brave men living and dead who struggled here have consecrated it far above our power to add or detract President Abraham Lincoln **A Guide to Early Jewish Texts and Traditions in Christian Transmission**

Gabriele Boccaccini, Lorenzo DiTommaso, David Hamidovic, Michael E. Stone, 2019-10-14 The Jewish culture of the Hellenistic and early Roman periods established a basis for all monotheistic religions but its main sources have been preserved to a great degree through Christian transmission This Guide is devoted to problems of preservation reception and transformation of Jewish texts and traditions of the Second Temple period in the many Christian milieus from the ancient world to the late

medieval era It approaches this corpus not as an artificial collection of reconstructed texts a body of hypothetical originals but rather from the perspective of the preserved materials examined in their religious social and political contexts It also considers the other non Christian channels of the survival of early Jewish materials including Rabbinic Gnostic Manichaeism and Islamic This unique project brings together scholars from many different fields in order to map the trajectories of early Jewish texts and traditions among diverse later cultures It also provides a comprehensive and comparative introduction to this new field of study while bridging the gap between scholars of early Judaism and of medieval Christianity

Copperheads Jennifer L. Weber, 2008 Disgraced after the war the Copperheads melted into the shadows of history Here Jennifer L Weber illuminates their story Jacket The Photographer and the President Richard Lowry, 2015-05-26 A new angle on Lincoln and his legacy exploring the rich and suggestive dialogue between art image and politics at the time of the Civil War Abraham Lincoln was one of the most photographed figures of his century Richard Lowry explores Lincoln's association with Alexander Gardner the man who would create the most memorable and ultimately iconic images of the president both in his studio and on the battlefields of the Civil War Lowry's book is an accessible and lively narrative of this symbiotic relationship and an examination of the emerging role of the media at a moment of national transformation Lincoln was an early adopter of photographic technology and visionary in how he used it as FDR was with radio JFK with television and Obama with the internet By highlighting this very modern aspect of such a storied presidency Lowry opens a new door on Lincoln's relationship to politics and celebrity just as the mass culture of the image was taking root in America Team of Rivals Doris Kearns Goodwin, 2006-09-26 On May 18 1860 William H Seward Salmon P Chase Edward Bates and Abraham Lincoln waited in their hometowns for the results from the Republican National Convention in Chicago When Lincoln emerged as the victor his rivals were dismayed and angry Throughout the turbulent 1850s each had energetically sought the presidency as the conflict over slavery was leading inexorably to secession and civil war That Lincoln succeeded was the result of a character that had been forged by life experiences that raised him above his more privileged and accomplished rivals He won because he possessed an extraordinary ability to put himself in the place of other men to experience what they were feeling to understand their motives and desires This capacity enabled President Lincoln to bring his disgruntled opponents together create the most unusual cabinet in history and marshal their talents to preserve the Union and win the war **Princeton Alumni Weekly**, 1999 Unconditional Marc Gallicchio, 2020-07-02 A new look at the drama that lay behind the end of the war in the Pacific Signed on September 2 1945 aboard the American battleship USS Missouri in Tokyo Bay by Japanese and Allied leaders the instrument of surrender that formally ended the war in the Pacific brought to a close one of the most cataclysmic engagements in history Behind it lay a debate that had been raging for some weeks prior among American military and political leaders The surrender fulfilled the commitment that Franklin Roosevelt had made in 1943 at the Casablanca conference that it be unconditional Though readily accepted as policy at the time after Roosevelt's death in

April 1945 support for unconditional surrender wavered particularly among Republicans in Congress when the bloody campaigns on Iwo Jima and Okinawa made clear the cost of military victory against Japan Germany's unconditional surrender in May 1945 had been one thing the war in the Pacific was another Many conservatives favored a negotiated surrender Though this was the last time American forces would impose surrender unconditionally questions surrounding it continued through the 1950s and 1960s with the Korean and Vietnam Wars when liberal and conservative views reversed including over the definition of peace with honor The subject was revived during the ceremonies surrounding the 50th anniversary in 1995 and the Gulf and Iraq Wars when the subjects of exit strategies and accomplished missions were debated Marc Gallicchio reveals how and why the surrender in Tokyo Bay unfolded as it did and the principle figures behind it including George C Marshall and Douglas MacArthur The latter would effectively become the leader of Japan and his tenure and indeed the very nature of the American occupation was shaped by the nature of the surrender Most importantly Gallicchio reveals how the policy of unconditional surrender has shaped our memory and our understanding of World War II My Lai Howard Jones, 2017-05-04 A trenchant and haunting account of the My Lai massacre in Vietnam and its aftermath

Delve into the emotional tapestry woven by Emotional Journey with in **Crossroads Of Freedom Antietam Pivotal Moments In American History** .
