Critical Companion To The Russian Revolution 1914 1921:

Critical Companion to the Russian Revolution, 1914-1921, 1997 A Companion to the Russian Revolution Daniel Orlovsky, 2020-08-17 A compendium of original essays and contemporary viewpoints on the 1917 Revolution The Russian revolution of 1917 reverberated throughout an empire that covered one sixth of the world It altered the geo political landscape of not only Eurasia but of the entire globe The impact of this immense event is still felt in the present day The historiography of the last two decades has challenged conceptions of the 1917 revolution as a monolithic entity the causes and meanings of revolution are many as is reflected in contemporary scholarship on the subject A Companion to the Russian Revolution offers more than thirty original essays written by a team of respected scholars and historians of 20th century Russian history Presenting a wide range of contemporary perspectives the Companion discusses topics including the dynamics of violence in war and revolution Russian political parties the transformation of the Orthodox church Bolshevism Liberalism and more Although primarily focused on 1917 itself and the singular Revolutionary experience in that year this book also explores time periods such as the First Russian Revolution early Soviet government the Civil War period and even into the 1920 s Presents a wide range of original essays that discuss Brings together in depth coverage of political history party history cultural history and new social approaches Explores the long range causes influence on early Soviet culture and global after life of the Russian Revolution Offers broadly conceived contemporary views of the revolution largely based on the author s original research Links Russian revolutions to Russian Civil Wars as concepts A Companion to the Russian Revolution is an important addition to modern scholarship on the subject and a valuable resource for those interested in Russian Late Imperial or Soviet history as well as anyone interested in Revolution as a global phenomenon *Historical Dictionary of the Russian Revolution* Jonathan Davis, 2020-05-15 Historical Dictionary of the Russian Revolution focuses on the leading individuals ideas political parties and main events that were central to the transformation of Russia during the revolution The time period runs from January 1917 through to the Treaty of Brest Litovsk that took Russia out of the First World War in March 1918 It covers the main events ideas people and parties and takes the story of the revolution from the eve of the overthrowing of Tsar Nicholas II through to the Bolshevik seizure of power the first six months of Leninist rule and the Treaty of Brest Litovsk that ended Russia s involvement in the First World War Historical Dictionary of the Russian Revolution contains a chronology an introduction and an extensive bibliography The dictionary section has over 200 cross referenced entries on the revolutions the First World War political parties ideologies and individuals and the main events that defined the course of the Russian Revolution This book is an excellent resource for students researchers and anyone wanting to know more about the Russian Revolution **The Bolshevik Response to Antisemitism in the Russian Revolution** Brendan McGeever, 2019-09-26 The first book length analysis of how the Bolsheviks responded to antisemitism during the Russian Revolution **Revolutionary Pairs** Larry Ceplair, 2020-07-21 A political historian examines five of the twentieth

century's most significant revolutions and the partnerships that led the way Successful revolution requires two triggering elements a crisis or conjuncture and revolutionary actors who are organized in a dedicated revolutionary party armed with a radical ideology and poised to act While previous revolutions were ignited by small collectives many in the twentieth century relied on strategic relationships between two exceptional leaders Marx and Engels Communism Lenin and Trotsky Russia Ghandi and Nehru India Mao and Zhou China and Castro and Guevara Cuba These partnerships changed the world In *Revolutionary Pairs* Larry Ceplair tells the stories of five revolutionary struggles through the lens of famous duos While each relationship was unique Castro and Guevara bonded like brothers Mao and Zhou like enemies in every case these leaders seized the opportunity for revolution and recognized they could not succeed without the other The first cross cultural exploration of revolutionary pairs this book reveals the undeniable role of personality in modern political change

Revolutionary Russia Rex A. Wade, 2004-07-31 This collection presents the major recent writings on the Russian Revolution and its context It brings together key texts to illustrate new interpretive approaches and covers the central topics and themes Together the chapters in this volume form a coherent representation of both the events and the theories and debates that relate to them **The Encyclopedia of Political Revolutions** Jack A. Goldstone, 2015-04-29 The Encyclopedia of Political Revolutions is an important reference work that describes revolutionary events that have affected and often changed the course of history Suitable for students and interested lay readers yet authoritative enough for scholars its 200 articles by leading scholars from around the world provide quick answers to specific questions as well as in depth treatment of events and trends accompanying revolutions Includes descriptions of specific revolutions important revolutionary figures and major revolutionary themes such as communism and socialism ideology and nationalism Illustrative material consists of photographs detailed maps and a timeline of revolutions **Stalin** Stephen Kotkin, 2014-11-06 A magnificent new biography that revolutionizes our understanding of Stalin and his world It has the quality of myth a poor cobbler's son a seminarian from an oppressed outer province of the Russian empire reinvents himself as a top leader in a band of revolutionary zealots When the band seizes control of the country in the aftermath of total world war the former seminarian ruthlessly dominates the new regime until he stands as absolute ruler of a vast and terrible state apparatus with dominion over Eurasia While still building his power base within the Bolshevik dictatorship he embarks upon the greatest gamble of his political life and the largest program of social reengineering ever attempted the collectivization of all agriculture and industry across one sixth of the earth Millions will die and many more millions will suffer but the man will push through to the end against all resistance and doubts Where did such power come from In *Stalin* Stephen Kotkin offers a biography that at long last is equal to this shrewd sociopathic charismatic dictator in all his dimensions The character of Stalin emerges as both astute and blinkered cynical and true believing people oriented and vicious canny enough to see through people but prone to nonsensical beliefs We see a man inclined to despotism who could be utterly charming a pragmatic ideologue a leader who obsessed over slights

yet was a precocious geostrategic thinker unique among Bolsheviks and yet who made egregious strategic blunders Through it all we see Stalin's unflinching persistence his sheer force of will perhaps the ultimate key to understanding his indelible mark on history Stalin gives an intimate view of the Bolshevik regime's inner geography of power bringing to the fore fresh materials from Soviet military intelligence and the secret police Kotkin rejects the inherited wisdom about Stalin's psychological makeup showing us instead how Stalin's near paranoia was fundamentally political and closely tracks the Bolshevik revolution's structural paranoia the predicament of a Communist regime in an overwhelmingly capitalist world surrounded and penetrated by enemies At the same time Kotkin demonstrates the impossibility of understanding Stalin's momentous decisions outside of the context of the tragic history of imperial Russia The product of a decade of intrepid research Stalin is a landmark achievement a work that recasts the way we think about the Soviet Union revolution dictatorship the twentieth century and indeed the art of history itself Stalin Waiting for Hitler 1929-1941 will be published by Penguin Press in October 2017

The Third Revolution Murray Bookchin, 2004-06-15 Comprehensive account of the great revolutions that swept over Europe and America

Mastering Twentieth-Century Russian History Norman Lowe, 2020-08-29 Mastering Twentieth Century Russian History presents a vivid and informative account of the events which befell the Russian people during the course of the twentieth century Explores the major developments of the last century from the revolution of 1905 to the First and Second World Wars to the Cold War and the rise and fall of the USSR Examines key figures and their actions from Nicholas II Lenin Trotsky Stalin Khrushchev Brezhnev Gorbachev and Yeltsin to Putin Deals with events right up to 2000 enabling the Soviet experiment to be placed in context a decade after its collapse Incorporates the latest research from British American and Russian historians examining key controversies and debates Includes primary source material maps photographs posters and a full chronology of events This text is the ideal companion for anyone seeking a clear yet detailed introduction to the fascinating events of twentieth century Russian history

Critical Companion To The Russian Revolution 1914 1921 Introduction

In today's digital age, the availability of Critical Companion To The Russian Revolution 1914 1921 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Critical Companion To The Russian Revolution 1914 1921 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Critical Companion To The Russian Revolution 1914 1921 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Critical Companion To The Russian Revolution 1914 1921 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Critical Companion To The Russian Revolution 1914 1921 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Critical Companion To The Russian Revolution 1914 1921 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be

freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Critical Companion To The Russian Revolution 1914 1921 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Critical Companion To The Russian Revolution 1914 1921 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Critical Companion To The Russian Revolution 1914 1921 books and manuals for download and embark on your journey of knowledge?
