Croatia European Union Development Southeast:

The European Union and South East Europe Andrew Geddes, Charles Lees, Andrew Taylor, 2013-05-02 This book explores the interaction of the EU in Greece Slovenia Croatia and Macedonia in three key policy sectors cohesion border managements and the environment and assesses the degree to which the European Union s engagement with the democracies of South East Europe has promoted Europeanization and Multi Level Governance Although there is a tendency to view the Balkans as peripheral this book argues that South East European states are central to what the EU is and aspires to become and goes to the heart of many of the key issues confronting the EU It compares changing modes of governance in the three policy areas selected because they are contentious issues in domestic politics and have trans boundary policy consequences in which there is significant EU involvement The book draws on over 100 interviews conducted to explore actor motivation preferences and perceptions in the face of pressure to adapt from the EU and uses Social Network Analysis Timely and informative this book considers broader dilemmas of integration and enlargement at a time when the EU s effectiveness is under close scrutiny The European Union and South East Europe will be of interest to students and scholars of European politics public policy and European Union governance and integration *Small Enterprise Development in South-East Europe* Will Bartlett, Milford Bateman, Maja Vehovec, 2012-12-06 Since the end of the Kosovo war in 1999 increasing attention has been paid to the problems of economic development and reconstruction in South East Europe In a context of limited resources small and medium sized enterprises SMEs have a key role to play in creating jobs and building a dynamic entrepreneurial economy Small Enterprise Development In South East Europe presents important findings from recent empirical research on key factors which hinder sustainable SME growth in South East Europe Finance is identified as a critical barrier to growth and the role of commercial banks micro finance institutions and credit cooperatives in assisting growth is addressed Yet finance alone is not enough A rebuilding of social capital a reduction of the unofficial or grey economy and the promotion of inter firm networks and clusters are also of vital importance in promoting sustainable growth The book concludes with critical analyses of SME policies in Albania Croatia and Macedonia countries which hitherto have received little attention in the literature Small Enterprise Development in South East Europe will be of great interest to policy makers business consultants and academics and post graduate students working on economic development and reconstruction in South East Europe The European Union and Southeastern Europe András Inotai, 2007 This strategy oriented analysis is based on an interdisciplinary approach with clear emphasis on economic issues such as global EU related and intra regional trade foreign direct investments labour market migration and financial transfers *Croatia and the European Union* Pero Maldini, Davor Paukovi?, 2016-03-09 The accession of Croatia to the EU marked the end of a long and arduous period of transition Croatia had to meet significantly higher criteria than previous states with suspicion and concerns among existing members about further enlargement increasing Meanwhile initially strong public support in Croatia

declined as inconsistencies in EU policy entry criteria and problems caused by the economic crisis all combined with fears about the loss of national identity and the ability to realize national interests The successful Croatian accession to the EU in 2013 shows that despite concerns on both sides the EU continues to have meaning and significance and that membership remains highly desirable Through nine mutually interrelated chapters the contributors speak not only about the political and social situation in Croatia but also prospects for the European Union itself

Decentralization and Local Development in South East Europe W. Bartlett, S. Malekovic, V. Monastiriotis, 2013-02-21 Decentralisation is changing the face of South East Europe This book provides practical analysis of the devolutionary measures reshaping post Communist economies Using case studies from Croatia the former Yugoslavia Albania and more this collection offers valuable insights into political and fiscal redistribution

Croatia and the European Union Dr Pero Maldini, Dr Davor Pauković, 2015-11-28 For accession to the EU Croatia had to meet significantly higher criteria than previous states with suspicion and concerns among existing members about further enlargement increasing Meanwhile initially strong public support in Croatia declined as inconsistencies in EU policy entry criteria and problems caused by the economic crisis all combined with fears about the loss of national identity and the ability to realize national interests The successful Croatian accession to the EU in 2013 shows that despite concerns on both sides the EU continues to have meaning and significance and that membership remains highly desirable Through nine mutually interrelated chapters the contributors speak not only about the political and social situation in Croatia but also prospects for the European Union itself

Croatia in the European Union Changes Development and Perspectives Davor Paukovic, 2015-11-01 For accession to the EU Croatia had to meet significantly higher criteria than previous states with suspicion and concerns among existing members about further enlargement increasing Meanwhile initially strong public support in Croatia declined as inconsistencies in EU policy entry criteria and problems caused by the economic crisis all combined with fears about the loss of national identity and the ability to realize national interests The successful Croatian accession to the EU in 2013 shows that despite concerns on both sides the EU continues to have meaning and significance and that membership remains highly desirable Through nine mutually interrelated chapters the contributors speak not only about the political and social situation in Croatia but also prospects for the European Union itself

Environmental and Food Safety and Security for South-East Europe and Ukraine Ksenija Vitale, 2012-02-09 This book covers important aspects of the field of food security and safety ranging from fundamental production through advanced water treatment technologies and detection of novel pollutants to management and policy making The discussion strives to develop an integrated approach to solving the associated problems by simultaneously considering sociological ecological and economic aspects Special focus is on the environmental management systems that should be integrated in the processes of environmental risk assessment Also addressed are other technologies applied in the service of detecting preventing and monitoring possible threats to food security and safety With its variety of subjects this volume can serve both

as a textbook for advanced studies and as a useful reference source for professionals

Competitiveness and Private Sector Development Competitiveness in South East Europe A Policy Outlook 2018 OECD, 2018-04-24 Future economic development and the well being of citizens in South East Europe SEE increasingly depend on greater economic competitiveness Realising the region s economic potential requires a holistic growth oriented policy approach Against the backdrop of enhanced European Union EU

Cohesion Policy and Multi-level Governance in South East Europe Ian Bache, George Andreou, 2013-09-13 This book considers the extent to which EU cohesion policy and related pre accession instruments are contributing to the development of more compound polities in south east Europe and specifically promoting multi level governance In this respect there are two points of departure the first is the argument that the EU is a highly compound polity that tends to pull member and candidate states in this direction the second is the considerable literature that links EU cohesion policy to the promotion of multi level governance Following this we have chosen a range of south east European states whose period of engagement with the EU generally differs Greece Slovenia Bulgaria Romania Croatia F Y R Macedonia and Turkey The case studies reveal that EU cohesion policy has created more compound polities but that system wide multi level governance remains weak and central governments are still prominent However there are interesting and potentially important developments in relation to particular features of multi level governance not least in states whose engagement with the EU in this sphere is relatively new This book was published as a special issue of Southeast European and Black Sea Studies
