

CAPITALISM

VERSUS

CRONY CAPITALISM

KNOW THE DIFFERENCE

Free Market Capitalism is ruled by the laws of Supply and Demand. It is fueled by ideas and solving existing problems

Its purpose is to encourage innovation and competition

Consumers have all the power. Keeping consumers happy is the only way to secure success and even survival

Is the reason our economy has survived by creating opportunity which in turn creates jobs

Crony Capitalism is manipulated by those in political power to serve specific interest groups, giving them advantage over their competitors in the market

Its purpose is to keep the wealth between a selected few

Politicians exchange power in return for favors and monetary contributions

Is responsible for corruption, political favoritism, and huge gaps between the ultra rich and the rest of the population
