Crossing Boundaries With Children's Books:

Crossing Boundaries with Children's Books Doris Gebel, United States Board on Books for Young People, 2006-05-25 This annotated bibliography organized geographically by world region and country describing nearly 700 books representing 73 countries is a valuable resource for librarians teachers and anyone else seeking to promote international understanding through children's literature It is the third volume sponsored by the United States Board on Books for Young People The first Carl M Tomlinson's Children's Books from Other Countries 1998 is a compendium of international children's literature with annotations of both in and out of print books published between 1950 and 1996 Susan Stan's The World Through Children's Books 2002 was the second and it included books published between the years 1997 and 2000 Crossing Boundaries includes international children's books published between 2000 and 2004 as well as selected American books set in countries other than the United States Editor Doris Gebel has compiled an important tool for providing stories that will help children understand our differences while simultaneously demonstrating our common humanity Crossing Boundaries with

Children's Books Dorothy Gebel, 2006 **Human Rights in Children's Literature** Jonathan Todres, Sarah Higinbotham, 2016 How can children grow to realize their inherent human rights and respect the rights of others This book explores this question through children's literature from Peter Rabbit to Horton Hears a Who to Harry Potter The authors investigate children's rights under international law identity and family rights the right to be heard the right to be free from discrimination and other civil political economic social and cultural rights and consider the way in which those rights are embedded in children's literature This book traverses children's rights law literary theory and human rights education to argue that in order for children to fully realize their human rights they first have to imagine and understand them Rulers of Literary Playgrounds Justyna Deszcz-Tryhubczak, Irena Kalla, 2020-10-29 Rulers of Literary Playgrounds Politics of Intergenerational Play in Children's Literature offers multifaceted reflection on interdependences between children and adults as they engage in play in literary texts and in real life This volume brings together international children's literature scholars who each look at children's texts as key vehicles of intergenerational play reflecting ideologies of childhood and as objects with which children and adults interact physically emotionally and cognitively Each chapter applies a distinct theoretical approach to selected children's texts including individual and social play constructive play or play deprivation This collection of essays constitutes a timely voice in the current discussion about the importance of children's play and adults contribution to it vis vis the increasing limitations of opportunities for children's playful time in contemporary societies

Multicultural and Ethnic Children's Literature in the United States Donna L. Gilton, 2020-02-18 This edition of Multicultural and Ethnic Children's Literature in the United States addresses both quantitative and more qualitative changes in this field over the last decade Quantitative changes include more authors books and publishers book review sources booklists and awards organizations institutions and websites and criticism and other scholarship Qualitative changes include

More support for new and emerging writers and illustrators Promotion of multicultural literature both in the U S and around the world as well as developments in global literature Developments in the literatures described throughout this book as well as in research supporting this literature The impact of technology Characteristics and activities of four adult audiences that use and promote multicultural children s literature and Changes in leaders and their organizations This is still a single reference source for busy and involved librarians teachers parents scholars publishers distributors and community leaders Most books on multicultural children s literature are written especially for teachers librarians and scholars They may be introductions to the literature selection tools teaching guides or very theoretical books on choosing evaluating and using these materials Multicultural and Ethnic Children s Literature in the United States focuses much more on the history of the development of this literature from the nineteenth century to the present day This book provides much more of a cultural and political context for the early development of this literature It emphasizes the self determining viewpoints and activities of diverse people as they produce materials for the young Multicultural and Ethnic Children s Literature describes organizations events activities and other contributions of diverse writers illustrators publishers researchers scholars librarians educators and parents It also describes trends in the research on the literature It elaborates more on ways in which diversity is still an issue in publishing companies and an extended list of related industries It describes related literature from outside of the U S and makes connections to traditional global literature Last Multicultural and Ethnic Children s Literature shows the impact of multiculturalism on education libraries and the mainstream culture in general While the other books on multiculturalism focus on how to find evaluate and use multicultural materials especially in schools and libraries this book is concerned over whether and how books are produced in the first place and how this material impact the broader society In many ways it supplements other books on multicultural children s literature

Reading Globally,

K-8 Barbara A. Lehman,Evelyn B. Freeman,Patricia L. Scharer,2010-09-20 In Reading Globally K 8 the authors make the case for why it is necessary to be globally literate and multiculturally aware in today s shrinking world and they provide the tools teachers need to incorporate appropriate reading selections into primary and secondary school classrooms By using books from or about other countries teachers empower students to view the world in a more positive manner enriching and broadening their students lives and ultimately preparing them for life in a global economy and culture This reader friendly resource guides teachers and reading programme coordinators in selecting quality books for their classrooms incorporating global literature into different content areas and facilitating the discussions that follow Practical guidance is provided on how to Integrate the reading of global texts across the curriculum with specific application to language arts social studies science maths and the arts Locate and evaluate the authenticity and literary merit of potential books avoiding those that depict stereotypes Get started with an annotated list of children s books samples of student work and classroom vignettes from teachers

Border-Crossing Japanese Literature Akiko Uchiyama, Barbara Hartley, 2023-07-21 This collection focuses on metaphorical as well as temporal and physical border crossing in writing from and about Japan With a strong consciousness of gender and socio historic contexts contributors to the book adopt an intercultural and interdisciplinary approach to examine the writing of authors whose works break free from the confines of hegemonic Japanese literary endeavour By

demonstrating how the texts analysed step outside the space of Japan they accordingly foreground the volatility of textual expression related to that space The authors discussed include Takahashi Mutsuo and Nagai Kaf both of whom take literary inspiration from geographical sites outside Japan Several chapters examine the work of exemplary border crossing poet novelist and essayist It Hiromi There are discussions of the work of Tawada Y ko whose ability to publish in German and Japanese marks her also as a representative writer of border crossing texts Two chapters address works by Murakami Haruki who although clearly affiliating with western cultural form is rarely discussed in specific border crossing terms The chapter on Ainu narratives invokes topics such as translation indigeneity and myth while an analysis of Japanese prisoner of war narratives notes the language and border crossing nexus A vital collection for scholars and students of Japanese literature
