Crossing Color Lines

Maureen T. Reddy

Crossing Color Lines:

Crossing Color Lines D. E. Rogers, 2010-06-22 CROSSING COLOR LINES Is your America separate but not equal Segregation of races can have a powerful impact that defeats the will to fight if you're on the wrong side But what if YOU had a chance to choose your race Would you stay in your own skin or choose the race with the best benefits In Crossing Color Lines Chase Cain chooses which side to live on After seeing the brutal hanging of his father as a child and having features and skin light enough to pass Chase Cain decides to create his own fate Leading the life of a white man With just a small white lie Chase gambles with his family friends and love while claiming wealth fame and fortune Not understanding the game or knowing the players his choice becomes a living hell and his world begins to crumble But just as he attempts to rebuild his life enemies from his past resurface to remind him that certain lines should never be crossed **Crossing the Color Line**

Maureen T. Reddy, 1994 **Crossing the Line** Gayle Wald, 2000-07-24 Examines constructions of racial identity through the exploration of passing narratives including Black Like Me and forties jazz musician Mezz Mezzrow's memoir Really the Blues

Crossing Bar Lines James Gordon Williams, 2021-03-01 In Crossing Bar Lines The Politics and Practices of Black Musical Space James Gordon Williams reframes the nature and purpose of jazz improvisation to illuminate the cultural work being done by five creative musicians between 2005 and 2019 The political thought of five African American improvisers trumpeters Terence Blanchard and Ambrose Akinmusire drummers Billy Higgins and Terri Lyne Carrington and pianist Andrew Hill is documented through insightful multilayered case studies that make explicit how these musicians articulate their positionality in broader society Informed by Black feminist thought these case studies unite around the theory of Black musical space that comes from the lived experiences of African Americans as they improvise through daily life The central argument builds upon the idea of space making and the geographic imagination in Black Geographies theory Williams considers how these musicians interface with contemporary social movements like Black Lives Matter build alternative institutional models that challenge gender imbalance in improvisation culture and practice improvisation as joyful affirmation of Black value and mobility Both Terence Blanchard and Ambrose Akinmusire innovate musical strategies to address systemic violence Billy Higgins's performance is discussed through the framework of breath to understand his politics of inclusive space Terri Lyne Carrington confronts patriarchy in jazz culture through her Social Science music project The work of Andrew Hill is examined through the context of his street theory revealing his political stance on performance and pedagogy All readers will be elevated by this innovative and timely book that speaks to issues that continue to shape the lives of African Americans today **The Cultural Front** Michael Denning, 1998 As garment workers longshoremen autoworkers sharecroppers and clerks took to the streets striking and organizing unions in the midst of the Depression artists writers and filmmakers joined the insurgent social movement by creating a cultural front Disney cartoonists walked picket lines and Billie Holiday sang Strange Fruit at the left wing cabaret Caf Society Duke Ellington produced a radical musical Jump for Joy New

York garment workers staged the legendary Broadway revue Pins and Needles and Orson Welles and his Mercury players took their labor operas and anti fascist Shakespeare to Hollywood and made Citizen Kane A major reassessment of US cultural history The Cultural Front is a vivid mural of this extraordinary upheaval which reshaped American culture in the twentieth century Double Cross Jacalyn D. Harden,2003 Tripping on the Color Line Heather M. Dalmage,2000 Through in depth interviews with individuals from black white multiracial families and insightful sociological analysis Heather M Dalmage examines the challenges faced by people living in such families and explores how their experiences demonstrate the need for rethinking race in America She examines the lived reality of race in the ways multiracial family members construct and describe their own identities and sense of community and politics Their lack of language to describe their multiracial existence along with their experience of coping with racial ambiguity and with institutional demands to conform to a racially divided racist system is the central theme of Tripping on the Color Line **Sounding the Color Line** Erich Nunn,2015-06 Sounding the Color Line explores how competing understandings of the U S South in the first decades of the twentieth century have led us to experience musical forms sounds and genres in racialized contexts Yet though we may speak of white or black music rock or rap sounds constantly leak through such barriers A critical disjuncture exists then between actual interracial musical and cultural forms on the one hand and racialized structures of feeling on the other This is nowhere more apparent than in the South Like Jim Crow segregation the separation of musical forms along racial lines has required enormous energy to maintain How asks Nunn did the protocols structuring listeners racial associations arise How have they evolved and been maintained in the face of repeated transgressions of the musical color line Considering the South as the imagined ground where conflicts of racial and national identities are staged this book looks at developing ideas concerning folk song and racial and cultural nationalism alongside the competing and sometimes contradictory workings of an emerging culture industry Drawing on a diverse archive of musical recordings critical artifacts and literary texts Nunn reveals how the musical color line has not only been established and maintained but also repeatedly crossed fractured and reformed This push and pull between segregationist cultural logics and music s disrespect of racially defined boundaries is an animating force in twentieth century American popular culture **The Cambridge Companion to Latina/o American Literature** John Morán González,2016-06-13 This Companion presents key texts authors themes and contexts of Latina o literature and highlights its increasing significance in world literature **A Journey Apart and Together: Irish and African Americans in the US** Pasquale De Marco,2025-07-19 A Journey Apart and Together Irish and African Americans in the US tells the story of two peoples who came to America seeking a better life only to find themselves facing discrimination and prejudice Yet despite the challenges they faced they persevered and made significant contributions to American society The book begins with the arrival of the Irish in America in the 19th century Fleeing poverty and famine in their homeland they faced discrimination from the Protestant majority who saw them as inferior Irish immigrants were often forced to live in

slums and work in low paying jobs Despite these challenges they gradually began to make their way in America They built churches schools and businesses and they became active in politics The book then turns to the story of African Americans who were brought to America as slaves They faced even greater discrimination and prejudice than the Irish They were denied basic rights and opportunities and they were subjected to violence and abuse After the Civil War African Americans were finally freed from slavery but they continued to face discrimination in all areas of life They were denied the right to vote to own property and to receive a quality education Despite the challenges they faced both Irish and African Americans persevered They fought for their rights and they made significant contributions to American society Irish Americans played a major role in the labor movement and in the fight for Irish independence African Americans fought for the abolition of slavery and they were instrumental in the Civil Rights Movement A Journey Apart and Together is a story of struggle resilience and hope It is the story of two peoples who overcame adversity to make a better life for themselves and their children Their stories are an inspiration to us all This book is a must read for anyone interested in American history race relations or the immigrant experience It is a powerful reminder of the challenges that both Irish and African Americans have faced in the United States and it is a testament to their strength and resilience If you like this book write a review

Immerse yourself in heartwarming tales of love and emotion with is touching creation, Experience Loveis Journey in **Crossing Color Lines** .
