Crossing the Color Line Maureen T. Reddy, 1994 *Crossing the Color Line: Race, Parenting, and Culture* Maureen T. Reddy, 1996 Birthmarks Sandra Patton-Imani, 2000-11-01 An empathetic study of the meanings of cross racial adoption to adoptees Law and Politics Book Review Can White parents teach their Black children African American culture and history Can they impart to them the survival skills necessary to survive in the racially stratified United States Concerns over racial identity have been at the center of controversies over transracial adoption since the 1970s as questions continually arise about whether White parents are capable of instilling a positive sense of African American identity in their Black children Through in depth interviews with adult transracial adoptees as well as with social workers in adoption agencies Sandra Patton herself an adoptee explores the social construction of race identity gender and family and the ways in which these interact with public policy about adoption Patton offers a compelling overview of the issues at stake in transracial adoption She discusses recent changes in adoption and social welfare policy which prohibit consideration of race in the placement of children as well as public policy definitions of bad mothers which can foster coerced aspects of adoption to show how the lives of transracial adoptees have been shaped by the policies of the U S child welfare system Neither an argument for nor against the practice of transracial adoption BirthMarks seeks to counter the dominant public view of this practice as a panacea to the so called epidemic of illegitimacy and the misfortune of infertility among the middle class with a more nuanced view that gives voice to those directly involved shedding light on the ways in which Black and multiracial adoptees articulate their own identity experiences *Birthmarks* Sandra Lee Patton, 2000-11 An empathetic study of the meanings of cross racial adoption to adoptees Law and Politics Book Review Can White parents teach their Black children African American culture and history Can they impart to them the survival skills necessary to survive in the racially stratified United States Concerns over racial identity have been at the center of controversies over transracial adoption since the 1970s as questions continually arise about whether White parents are capable of instilling a positive sense of African American identity in their Black children Through in depth interviews with adult transracial adoptees as well as with social workers in adoption agencies Sandra Patton herself an adoptee explores the social construction of race identity gender and family and the ways in which these interact with public policy about adoption Patton offers a compelling overview of the issues at stake in transracial adoption She discusses recent changes in adoption and social welfare policy which prohibit consideration of race in the placement of children as well as public policy definitions of bad mothers which can foster coerced aspects of adoption to show how the lives of transracial adoptees have been shaped by the policies of the U S child welfare system Neither an argument for nor against the practice of transracial adoption BirthMarks seeks to counter the dominant public view of this practice as a panacea to the so called epidemic of illegitimacy and the misfortune of infertility among the middle class with a more nuanced view that gives voice to those directly involved shedding light on the ways in which Black and

multiracial adoptees articulate their own identity experiences Childhood Socialization Theron Alexander, 2017-07-12 This collection of authoritative studies portrays how the A basic agencies of socialization transform the newborn human organism into a social person capable of interacting with others Socialization differs from one society to another and within any society from one segment to another Childhood Socialization samples some of that variation giving the reader a glimpse of socialization in contexts other than those with which he or she is likely to be familiar In the years since publication of the first edition of this book in 1988 childhood has become a territory open to broader sociological investigation In this revised edition Gerald Handel has selected and gathered new contributions that analyze the agents of socialization including family school and peer group and explore the influences of television and gender The balance of classical studies and more recent work reflecting changes in the family structure renews the centrality of this anthology for courses in the social psychology of children up to adolescence The book is divided into nine parts Socialization Individuation and the Self Historical Changes in Attitudes Toward Children Families as Socialization Agents Daycare and Nursery School as Socialization Agents Schools as Socialization Agents Peer Groups as Socialization Agents Television and its Influence Gender Socialization and Social Stratification and Inequality in Socialization While socialization continues on into the adolescent and adult years childhood socialization is primary essential in creating the human person and in shaping the identity outlook skills and resources of the evolving person Childhood Socialization is a dynamic volume that will be of continuing interest to students and scholars of family studies sociology psychology and modern culture **Childhood Socialization** Gerald Handel, 2011-12-31 This collection of authoritative studies portrays how the A basic agencies of socialization transform the newborn human organism into a social person capable of interacting with others Socialization differs from one society to another and within any society from one segment to another Childhood Socialization samples some of that variation giving the reader a glimpse of socialization in contexts other than those with which he or she is likely to be familiar In the years since publication of the first edition of this book in 1988 childhood has become a territory open to broader sociological investigation In this revised edition Gerald Handel has selected and gathered new contributions that analyze the agents of socialization including family school and peer group and explore the influences of television and gender The balance of classical studies and more recent work reflecting changes in the family structure renews the centrality of this anthology for courses in the social psychology of children up to adolescence The book is divided into nine parts Socialization Individuation and the Self Historical Changes in Attitudes Toward Children Families as Socialization Agents Daycare and Nursery School as Socialization Agents Schools as Socialization Agents Peer Groups as Socialization Agents Television and its Influence Gender Socialization and Social Stratification and Inequality in Socialization While socialization continues on into the adolescent and adult years childhood socialization is primary essential in creating the human person and in shaping the identity outlook skills and resources of the evolving person Childhood Socialization is a dynamic volume that will be of continuing interest to students and scholars of

family studies sociology psychology and modern culture **Mother Outlaws** Andrea O'Reilly, 2004-05-13 Feminist scholars of motherhood distinguish between mothering and motherhood and argue that the latter is a patriarchal institution that is oppressive to women Few scholars however have considered how mothering as a female defined and centred experience may be a site of empowerment for women This collection is the first to do so Mother Outlaws examines how mothers imagine and implement theories and practices of mothering that are empowering to women Central to this inquiry is the recognition that mothers and children benefit when the mother lives her life and practices mothering from a position of agency authority authenticity and autonomy **Clinical Issues with Interracial Couples** Volker Thomas, Joseph L. Wetchler, Terri Karis, 2014-02-25 Go beyond cookie cutter therapy and interventions to provide culturally relevant therapy that works for your clients in interracial relationships With this book you ll explore an array of relational issues faced by various configurations of interracial couples Then you ll learn specific intervention strategies for treating these couples in therapy The first section presents research and theoretical chapters on issues faced by interracial couples who are heterosexual the second focuses on issues facing racially mixed gay and lesbian couples and the third provides you with specific interventions to use with couples in interracial relationships Clinical Issues with Interracial Couples Theories and Research is an important addition to the collection of any therapist who counts an interracial couple among his or her clients From the editors Although interracial couples face challenges related to differences in their racial backgrounds couple and family theories have had little to say about how to work with these differences Not all couples are white married and heterosexual and there is a growing understanding that clinical practices based on these assumptions may not be adequate when working with interracial couples Recognizing the diversity of our clients the intent of this book is to contribute to more respectful and inclusive clinical practices that can address the treatment issues we face in the first decade of the twenty first century The first section of this book examines challenges faced by heterosexual interracial couples focusing on how black white couples experience and respond to racism and how they negotiate the racial and ethnic differences they face in their relationships the significance of race or lack of it in white women s relationships with black men with suggestions on how to create a therapeutic space for discussing race without over determining its significance marriages where one partner is of Latino a descent and the other of non Latino a white descent a pilot study of a rarely investigated population approaches interventions and strategies to use when treating multicultural Muslim couples Hawaii s unusual history of interracial ties and relationships the common challenges that face interracial couples there and therapeutic interventions that can benefit them The second section of Clinical Issues with Interracial Couples looks at the issues faced by same sex interracial couples Here is a sample of what you ll find clinical considerations for working with interracial intercultural lesbian couples pitfalls to avoid in therapy as well as suggestions for a conceptual approach for gay Latino men in cross cultural relationships The book s final section presents interventions for use with interracial couples Here you ll find assessment techniques and

interventions geared toward black white couples information on doing effective therapy with Latino a white couples a case study of the therapeutic process as applied to an Asian American woman married to a white man seven therapists perspectives on working with interracial couples focusing on the historical context of intermarriage specific concerns and issues that interracial couples experience in their relationships and the experiences of therapists working with this diverse and challenging client population *Resources in Education* ,1995-06 *Adoptive Families in a Diverse Society* Katarina Wegar,2006 Adoptive Families in a Diverse Society brings together twenty one prominent scholars to explore the experience practice and policy of adoption in North America While much existing literature tends to stress the potential problems inherent in non biological kinship the essays in this volume consider adoptive family life in a broad and balanced context Bringing new perspectives to the topics of kinship identity and belonging this path breaking book expands more than our understandings of adoptive family life it urges us to rethink the limits and possibilities of diversity and assimilation in American society
