sketch my experiences in diary form I've attempted to convey the religious practices deities the spirit of aloha language and daily life of the Hawaiian islanders through words trying to immerse readers in the essence of these islands The abundant treasures of nature the amalgamation of colors scents and flavors of these two places have been captured I've wielded my pen as the only means to portray the unadulterated gift of nature Perhaps it's not an easy task but I believe that with perseverance and sincerity human endeavor capable of winning the hearts of readers I hope this composition emanating from my heart will resonate with the hearts of readers I cherish the hope that I can do justice to the opportunity you've given me I look forward to presenting more compositions to my readers Countless thanks
