Checklist for Change Thomas R. Harvey, 2002-03-20 Now in Paper Helpful examples from both the public and private sectors and from literature and history are presented in this outstanding volume for superintendents central office administrators and corporate managers involved in the change process **Effective Police Supervision** Harry W. More, Larry S. Miller, 2014-01-22 Good police officers are often promoted into supervisory positions with little or no training for what makes a good manager Effective Police Supervision is a core text used in college level classes on supervisory practices in criminal justice This popular book combines behavioral theory with case studies that allow the reader to identify and resolve personal and organizational problems It provides readers with an understanding of group behaviors and organizational dynamics with a focus on effectiveness as well as proficiency and on how a supervisor can help to create an effective organization This book is also a vital tool in the preparation of police officers for promotional exams Each chapter includes important key terms and opens with a case study to illustrate important concepts New material has been added throughout the textbook on police accountability police involvement with news media dealing with social media and avoiding scandals Used nationwide for police promotional exams A study guide including learning objectives key terms chapter summaries and review questions is available for purchase ISBN 9780323280044 **Effective Police Supervision** Larry S. Miller, Harry W. More, Michael C. Braswell, 2017-02-17 Outstanding first line supervisors are essential to the success of any law enforcement agency yet many officers lack the supervision training necessary to excel Effective Police Supervision immerses readers in the group behaviors and organizational dynamics supervisors must master in order to lead their teams and to help create an effective police department Combining behavioral theory and updated case studies this core text now in its eighth edition is a vital tool for all college students pursuing criminal justice courses on supervisory practices as well as police officers preparing for promotional exams The Challenge of Library Management Wyoma vanDuinkerken, Pixey Anne Mosley, 2011-04-04 Change in libraries The human factor Organizational culture impact Initiating change effectively Implementing change effectively Environmental factors impacting success Managerial baggage Evaluating the change and yourself as a change leader Change specific challenges Fundamentals of School Scheduling Gwen Schroth, Anita M. Pankake, Paul Terry, 1997-08-28 School administrators must constantly evaluate and refine school scheduling for optimum student and teacher performance This book is for school administrators who need appropriate management techniques for scheduling students into classes All parts of the puzzle are presented so the administrator can make wise choices about configuring the school day Discusses a variety of scheduling formats traditional block and team models but no one type is advocated Essential for new principals or administrators planning to change scheduling formats and principals moving between elementary and secondary levels **Handbook of Personality Disorders, Second Edition** W. John Livesley, Roseann Larstone, 2018-03-08 This authoritative work comprehensively reviews what is known about personality

disorders including vital information to guide clinical decision making Leading experts synthesize contemporary thinking about the classification etiologies and development of these complex disorders Diagnostic issues are explored and available assessment instruments are discussed The Handbook provides in depth coverage of all commonly used psychotherapeutic and pharmacological treatments with particular attention to the empirical evidence for each approach Also addressed are special treatment modalities such as day programs and group therapy and forensic issues *Program Evaluation* Susan P. Giancola, 2025-04-22 This text aims to build evaluation capacity by increasing knowledge about evaluation and improving skills to conduct evaluations The Second Edition adds topics suggested by users of the book incorporates content that the author has added to her own classes and covers emerging areas in evaluation since the publication of the first edition such as artificial intelligence and equity in evaluation Checklist for Change Thomas R. Harvey, 1995-07-28 Resources in Education , 1995 **Applied Health Fitness Psychology** Anshel, Mark, 2014-01-13 This comprehensive text explains how health fitness psychology has emerged from other parent disciplines to be addressed in numerous exercise fitness and health settings allowing both current and future professionals to assist their patients or clients in adopting healthier lifestyles
