Critical Issues In Music Education Contemporary Theory And Practice:

Critical Issues in Music Education Harold F. Abeles, Lori A. Custodero, 2021 This is a textbook for students taking courses in the philosophy and theory of music education *Critical Practice in P-12 Education: Transformative Teaching and Learning* Lawrence, Salika A., 2014-01-31 This book presents a framework for teaching that empowers students fosters literacy development and explains the underlying factors that influence pedagogy highlighting practices from around the globe *The Oxford Handbook of Asian Philosophies in Music Education* C. Victor Fung, Leonard Tan, 2024-07-30 This volume focuses on the collective wisdom of Asian philosophies and their implications for music education All twenty chapters are written by highly regarded philosophers and music educators steeped in various Asian traditions These chapters will include an explanation of a prominent philosophical tradition evidence in a contemporary music teaching and learning settings including its inception and historical development along with an explanation of how the philosophical tradition works in contemporary music education and suggestions for potential directions in the near and distant future The book is organized into five sections Section I is based on Chinese philosophical traditions which have the longest history and are some of the most influential across Asia and beyond Chapters in Section II present a snapshot of Japanese and Korean views beginning with the musical practices in the Joseon Period 1392 1910 that are still being practiced in South Korea today to Western influences in 19th century Japan A collection of philosophical traditions from South and Southeast Asia are contained in Section III ranging from the insights of King Bhumibol Adulyadej King Rama IX of Thailand an accomplished jazz musician to the Balinese notion of taksu a form of supreme energy and divine power crucial for compelling performances in the performing arts We venture into the Islamic and the Middle Eastern world in Section IV where the dance practices of the Hadhrami Arabs in the Malay Archipelago to traditional sharah music are contextualized within Islamic philosophy This section also describes the philosophical ideas of the 12th century Persian philosopher and founder of the Illuminationist Ishraq philosophy Shihab al Din al Suhrawardi arguing that his ideas have much to recommend music education as this approach requires students to listen in deeper ways absorb more abundantly and move beyond arts education to encompass the education of the whole person Section V concludes with a metaphorical view on a New Silk Road in music education in the 21st century where ideas are traded for mutual benefit and the development multicultural philosophies of music education While there are numerous publications on the philosophy of music education rooted in the Western philosophical traditions of ancient Greece the Asian philosophical voice is virtually silent outside of Asia and this volume aims to begin the long process of redressing this imbalance This volume will open readers to the richness of Asian philosophical sources and hopefully stimulate dialogues that could generate new insights and directions for further development cross pollination and application of some of the world s earliest philosophical traditions *The Bloomsbury Handbook of Popular Music Education* Zack Moir, Bryan Powell, Gareth Dylan Smith, 2019-04-04 The Bloomsbury Handbook of Popular Music Education draws

together current thinking and practice on popular music education from empirical ethnographic sociological and philosophical perspectives Through a series of unique chapters from authors working at the forefront of music education this book explores the ways in which an international group of music educators each approach popular music education Chapters discuss pedagogies from across the spectrum of formal to informal learning including outside and other perspectives that provide insight into the myriad ways in which popular music education is developed and implemented The book is organized into the following sections Conceptualizing Popular Music Education Musical Creative and Professional Development Originating Popular Music Popular Music Education in Schools Identity Meaning and Value in Popular Music Education Formal Education Creativities and Assessment Contributions from academics teachers and practitioners make this an innovative and exciting volume for students teachers researchers and professors in popular music studies and music education

Patriotism and Nationalism in Music Education David G. Hebert, Alexandra Kertz-Welzel, 2016-05-13 Music has long served as an emblem of national identity in educational systems throughout the world Patriotic songs are commonly considered healthy and essential ingredients of the school curriculum nurturing the respect loyalty and good citizenship of students But to what extent have music educators critically examined the potential benefits and costs of nationalism Globalization in the contemporary world has revolutionized the nature of international relationships such that patriotism may merit rethinking as an objective for music education The fields of peace studies and education for international understanding may better reflect current values shared by the profession values that often conflict with the nationalistic impulse This is the first book to introduce an international dialogue on this important theme nations covered include Germany the USA South Africa Australia Finland Taiwan Singapore and Canada

Introduction to Effective Music Teaching Alfred S.
