Aidan Davison

Crossing The Postmodern Divide 1st Edition By Borgmann Albert 1993 Paperback:

Emerging Hope Jimmy Long, 2004-08-18 How do we do church in this era of cynicism Jimmy Long looks at the connections between postmodernism and the emerging generations GenXers and millennials highlighting implications for evangelism and discipleship Here is a hopeful strategy for ministry that will appeal to a generation starved for belonging

Postmodern Postures Daniel Cordle, 2017-03-02 In 1996 the physicist Alan Sokal planted a hoax article in the journal *Social Text* mimicking the social constructionist view of science popular in the humanities and sparked into life the science wars which had been rumbling throughout the 1990s *Postmodern Postures* puts this contemporary controversy into the context of earlier debates about the two cultures between F R Leavis and C P Snow and Mathew Arnold and T H Huxley Through an interrogation of interdisciplinary approaches to literature and science and a discussion of the arguments surrounding postmodern culture the book formulates a literary critical methodology for literature science criticism highlighting both the benefits and the limitations of attempts to link the two cultures Three case studies focused through the issues of knowledge identity and time put this methodology into practice showing how ideas resonate through the culture between literature and science

The Moral Worlds of Contemporary Realism Mary K. Holland, 2020-06-11 Literature has never looked weirder full of images colors gadgets and footnotes and violating established norms of character plot and narrative structure Yet over the last 30 years critics have coined more than 20 new realisms in their attempts to describe it What makes this decidedly unorthodox literature realistic And if it is then what does realism mean anymore Examining literature by dozens of writers and over a century of theory and criticism about realism *The Moral Worlds of Contemporary Realism* sorts through the current critical confusion to illustrate how our ideas about what is real and how best to depict it have changed dramatically especially in recent years Along the way Mary K Holland guides the reader on a lively tour through the landscape of contemporary literary studies taking in metafiction ideology posthumanism postmodernism and poststructuralism with forays into quantum mechanics new materialism and Buddhism as well to give us entirely new ways of viewing how humans use language to make sense of and to make the world

The Gamefulness of American Postmodernism Steven D. Scott, 2000 Game provides limits boundaries and borders to play thereby both limiting and paradoxically enabling meaningful play This study does not claim that literature is a game in the strong sense it chooses instead to concentrate on the gamelike shape the gamefulness that literary postmodernism assumes

Books in Print Supplement, 1994

Crossing the Postmodern Divide Albert Borgmann, 1992 *Crossing the Postmodern Divide* is a guide for all those perplexed by what it means to live at the edge of an era Albert Borgmann writes for everyone seeking to understand the sprawling critique of modernity that informs virtually every aspect of life at the end of the twentieth century from philosophy social theory and the arts to everyday worlds of work and family and community In this eloquent guide to the meanings of the postmodern era Borgmann

charts the options before us as we seek alternatives to the joyless and artificial culture of consumption With exceptional clarity Borgmann connects the fundamental ideas driving his understanding of society's ills to every sphere of contemporary social life We have lost faith in the modern project Our society is disenchanted with a world in which science and technology have become tools for destruction where rampant individualism is a mask for privilege and greed and where the institutions of public life are emptied of meaning and purpose In offering alternatives to modernity's exhausted traditions alternatives already emerging in everyday life Borgmann moves this critique to its next stage Whether in the increasingly flexible organization of work the enabling technologies of the personal computer or the return to small scale communities more in harmony with the demands of nature he finds us beginning to reorder our social worlds Crossing the Postmodern Divide also offers a powerfully articulated vision of what a postmodern culture has in store This new era at its best would enable participation acknowledge limits and restore to human life the importance of the local the sacred and the communal The critique of modernism Borgmann portrays goes beyond the empty language of postmodern discourse It speaks to real dissatisfactions with the quality of our world and strives to provide us with a helpful view of the postmodern divide and what lies beyond it

Technology and the Contested Meanings of Sustainability Aidan Davison, 2001-05-16 Argues that sustainability requires more than economic and technological efficiency **American Book Publishing Record**, 1992

Canadian Periodical Index, 1994

Unveiling the Power of Verbal Beauty: An Mental Sojourn through **Crossing The Postmodern Divide 1st Edition By Borgmann Albert 1993 Paperback**

In a world inundated with displays and the cacophony of fast communication, the profound energy and mental resonance of verbal beauty frequently diminish in to obscurity, eclipsed by the regular barrage of sound and distractions.
