OVERVIEW:

Professor Daniels is experiencing some troubling changes in his personality and memory. His wife, Mrs. Daniels, is quite distraught. When he runs a stop sign near their home and nearly hits a person walking a dog, his wife realizes it is time to take him to get evaluated by the doctor.

GOALS:

SOAP Note: If students have NOT done modules/case studies using the SOAP method, some prep is required (suggestion: 2-3 class periods. See SOAP resource lessons).

1. Determine a diagnosis from subjective & objective information.
2. Create an aligned, thoughtful, and evidence-based plan.

ROLE:

You are Professor Daniels' family doctor; he has been your patient for 15 years.

OBJECTIVE:

Obj. 14.4: Identify the structures, functions, and pathophysiology of the nervous system.

DELIVERABLE:

- 1) SOAP Note
- 2) Pre-Assessment Questions
- 3) Written Statement of Health

ASSESSMENT CRITERIA:

Assessment: 1) clear, accurate, and precise diagnosis (claim); 2) supporting subjective and objective data (evidence); 3) logical reasoning and explanation (warrant)

Plan: 1) comprehensive (includes physical, social & mental health); 2) aligned to facts of the case; 3) evidence-based; 4) addresses short- & long-term

WHST.11-12.7: Conduct short as well as more sustained research projects to answer a question (including a self-generated question) or solve a problem; narrow or broaden the inquiry when appropriate; synthesize multiple sources on the subject, demonstrating understanding of the subject under investigation.

WHST.11-12.9: Draw evidence from informational texts to support analysis, reflection, and research.

Note on use of case studies: These case studies are designed to be used as an introduction to a body system in an A&P course QB as a supplement &/or authentic assessment tool to the middle or end of unit. The case studies are compatible with any other A&P curricula & reference online resources so that no formal text or other curricular source is required. They can also be used in a shorter "survey"/case-based course of A&P to give students a preview of applications for A&P, while engaging & "hooking" them on A&P! :)
