The Big 50: Chicago Blackhawks Jay Zawaski, 2020-11-10 The Big 50 Chicago Blackhawks is an amazing look at the fifty men and moments that have made the Blackhawks the Blackhawks Longtime radio analyst Jay Zawaski explores the living history of the team counting down from number fifty to number one This dynamic and comprehensive book brings to life the iconic franchise s remarkable story including greats like Toews Kane Mikita Chelios and more Netsports Michael Wolff, 1997 Netsports is the most complete guide to sport sites on the Web and how to get there available in paperback Cover back

Social Media in Sport Marketing Timothy Newman, Jason Peck, Brendan Wilhide, 2017-01-08 From the Preface Not surprisingly companies of all sizes are using social media as part of their marketing and public relations efforts The growth of the social media phenomenon and constant advances in technology obviously create unique and powerful opportunities for those able to capitalize on them The question is how best to do so Social Media in Sport Marketing has been created to help answer this question as it pertains to sport organizations Written from the perspective of sport professionals this brief but thorough text explores the concepts tools and issues surrounding social media and marketing with reader friendly examples and applications specifically from the world of sports The authors connect industry specific content with current trends in social media and provide readers with a balance between theory and experience Instructors and students can use the book as a primary resource for teaching and learning about traditional sport marketing public relations principles as they relate to social media Instructors will appreciate the inclusion of case studies which can be used to generate discussions students will benefit from the numerous examples The book can also serve as a guidebook for those who want to put ideas into action immediately The experienced author team includes a sport marketing professor as well as practitioners involved in social media project management and development

If These Walls Could Talk: Chicago Blackhawks Mark Lazerus, Denis Savard, 2017-11-15 Led by stars like Jonathan Toews Patrick Kane Duncan Keith and Brent Seabrook the Chicago Blackhawks are a modern NHL powerhouse as much a part of Chicago as the Willis Tower or The Bean at Millennium Park In *If These Walls Could Talk Chicago Blackhawks* Mark Lazerus chronicles the team s rise from the dark ages of the 2000s to the golden age of the 2010s through never before told stories from inside the dressing room aboard the team plane at the players homes and especially in the case of the rowdy 2009 2010 team that started it all in countless Chicago bars *If These Walls Could Talk Chicago Blackhawks* will bring readers closer to their favorite players than ever before It s a book Hawks fans won t want to be without

Dubcon Milena Popova, 2021-10-05 How the treatment of sexual consent in erotic fanfiction functions as a form of cultural activism Sexual consent is at best a contested topic in Western societies and cultures The MeToo movement has brought public attention to issues of sexual consent revealing the endemic nature of sexual violence Feminist academic approaches to sexual violence and consent are diverse and multidisciplinary and yet consent itself is significantly undertheorized In *Dubcon* Milena Popova points to a community that has been considering

issues of sex power and consent for many years writers and readers of fanfiction Their nuanced engagement with sexual consent Popova argues can shed light on these issues in ways not available to either academia or journalism Popova explains that the term dubcon short for dubious consent was coined by the fanfiction community to make visible the gray areas between rape and consent for example in situations where the distribution of power may limit an individual's ability to give meaningful consent to sex Popova offers a close reading of three fanfiction stories in the Omegaverse genre examines the arranged marriage trope and discusses the fanfiction community's response when a sports star who was a leading character in RPF real person fiction was accused of rape Proposing that fanfiction offers a powerful discursive resistance on issues of rape and consent that challenges dominant discourses about gender romance sexuality and consent Popova shows that fanfiction functions as a form of cultural activism

Companies and Their Brands, 2007 Illinois Services Directory, 2003

Finding Murph Rick Westhead, 2020-10-13 National Bestseller Finalist for the Kobo Emerging Writer Prize JOE MURPHY HAD IT ALL In 1986 he became the first college educated hockey player selected first overall in the NHL entry draft He won a Stanley Cup in Edmonton four years later But since then his life has taken a tragic turn largely due to the untreated brain injuries he suffered as a player Murphy's life didn't begin on a track that would lead to homelessness He was smart dedicated to hockey and was a key player for the Oilers Red Wings and Blackhawks among other teams But one vicious body check changed his life forever Despite being shaken by the hit Murphy was cleared to return to the game Soon after his entire life seemed to change Murphy became a journeyman moving from team to team Along the way other NHLers said they noticed something different about him too Murphy wasn't acting like himself and soon found himself out of the NHL entirely Eventually Murphy became homeless In the spring of 2018 Murphy made his way to Kenora Ontario where he lived in the bush spending his days outside a local convenience store muttering to himself and taking handouts of food and drinks from passersby The player who had once set the NHL aflame now slept by the side of the road in the unforgiving North In Finding Murph Rick Westhead traces the true story of Joe Murphy and examines the role of the NHL in the downward spiral of one of the league's most promising players

Joining the Clubs J. Andrew Ross, 2015-05-21 How did a small Canadian regional league come to dominate a North American continental sport Joining the Clubs The Business of the National Hockey League to 1945 tells the fascinating story of the game off the ice offering a play by play of cooperation and competition among owners players arenas and spectators that produced a major league business enterprise Ross explores the ways in which the NHL organized itself to maintain long term stability deal with its labor force and adapt its product and structure to the demands of local regional and international markets He argues that sports leagues like the NHL pursued a strategy that responded both to standard commercial incentives and also to consumer demands that the product provide cultural meaning Leagues successfully used the cartel form an ostensibly illegal association of businesses that cooperated to monopolize the market for professional hockey along with a focus on locally branded clubs to manage competition and attract spectators to

the sport In addition the NHL had another special challenge unlike other major leagues it was a binational league that had to sell and manage its sport in two different countries Joining the Clubs pays close attention to these national differences as well as to the context of a historical period characterized by war and peace by rapid economic growth and dire recession and by the momentous technological and social changes of the modern age The Rotarian: September 2016 ,
