Returning to My Father's Kitchen Monica Macansantos, Monica S. Macansantos, 2025-05-15 A young Filipino writer's odyssey toward home in the wake of the loss of her poet father Feeling untethered after her beloved poet father passes away while she is living abroad Monica Macansantos decides to return to the Philippines to regain her bearings But with her father gone and her adult life rooted in the United States and New Zealand can the land of her birth still serve as a place of healing In fifteen richly felt essays Macansantos considers her family's history in the Philippines her own experiences as an exile and the parent who was the heart of her family's kitchen whether standing at the stove to prepare dinner or sitting at the table to scribble in his notebook Macansantos finds herself remaking her father's chicken adobo but also closely rereading his poems As she reckons with his identity as an artist she also comes into her own as a writer and she invites us to consider whether it is possible to carry our homes with us wherever we go **Philippine Food, Cooking, & Dining Dictionary** Edgie
