

Safeguarding Scenario: Neglect

The scenario in this resource provides an example of a safeguarding situation that could happen in an early years setting to help you consider possible signs and indicators of safeguarding issues and think about how to respond.

The 'What if' questions help you to think about what your response would be if you had more information; please keep in mind not all scenarios will necessarily need a referral.

For additional information about safeguarding issues, please see the [Safeguarding Issues](#) page.

Scenario

In a weekly meeting, the early years teacher shared information about a child who has been coming into the setting with dirty clothes and muddy shoes. When you asked their parents about this, they said they didn't have time to clean them and they were only going to get them dirty again anyway. You also noticed some bruising on the child's arms and legs when they came into the setting.

The Sage Handbook of Decision Making, Assessment and Risk in Social Work Brian J. Taylor, John D. Fluke, J. Christopher Graham, Emily Keddell, Campbell Killick, Aron Shlonsky, Andrew Whittaker, 2023-08-16 The SAGE

Handbook on Decision Making Assessment and Risk in Social Work provides a comprehensive overview of key strands of research and theoretical concepts in this increasingly important field. With 49 chapters and four section summaries, this Handbook describes the state of the art, discusses key debates and issues, and gives pointers on future directions for practice, research, teaching, management of services, and development of theoretical understandings. A key aim of this Handbook is to support the development of sound applied knowledge and values to underpin reasoned professional judgement and decision making by social workers in practice and those in management and regulatory roles. With contributions from a global interdisciplinary body of leading and emerging scholars from a wide variety of roles, this handbook has been designed to be internationally generalisable and applicable to all major areas of social work. This Handbook provides a field defining account of decision making, assessment, and risk in social work, which is unrivalled for its diversity and strength of coverage, and will be of value to social work researchers, teachers, and practitioners, as well as to those in allied fields such as health care.

Health and Wellbeing in Childhood Susanne Garvis, Donna Pendergast, 2024-03-04

Health and Wellbeing in Childhood provides a fundamental introduction for educators in key priority areas of health and wellbeing education, including physical education, promoting health in childhood, and strengthening social and emotional learning in young children. It approaches each topic with childhood diversity and complexity in mind. The fourth edition has been comprehensively updated and continues to explore relevant standards and policies, including the revised Early Years Learning Framework. It includes a new chapter on executive functions in early childhood, focusing on the development of higher order skills required for children to engage in purposeful and goal directed behaviours. Each chapter features case studies that exemplify practice, spotlight boxes that provide further information on key concepts, and pause and reflect activities. End of chapter questions and learning extensions encourage readers to consolidate their knowledge and further their learning.
