Crossing The Bridge From Mennonite Boy To Gay Man:

Crossing the Bridge James L. Helmuth, 2009-11 After a dramatic retelling of his own struggle to self acceptance Helmuth announces to the world that he is gay that he is proud and that God loves him without reservation There is no greater truth for the victims of untruth and Helmuth's autobiography proclaims that truth loud and clear The Rev Dr Mel White Founder of Soulforce and author of *Stranger at the Gate* and *Religion Gone Bad* *Crossing the Bridge* is a courageous memoir by a psychologist who has lived two lives as a devoted husband for twenty two years and the father of two children and as a gay man enjoying a stable and loving relationship with another man Dr James Helmuth grew up within the painfully narrow confines of the Mennonite religion and nearly took his own life in the process of discovering and living his true gay identity Unsparingly honest this memoir reads often like a mystery story sometimes like a tender recreation of the past always as a poignant bittersweet narrative of a boy becoming a man and a man becoming his true self Joseph Dispenza author of *God On Your Own* and *The Way of the Traveler* What distinguishes Helmuth's story and gives it universality is how Helmuth in finding his own voice leaves no one he loves behind he shows in this memoir how we must all achieve freedom or our lives become impossible I suspect you will come to love the man and his unique voice his journey belongs to us all
