A Companion to Spanish Cinema Jo Labanyi, Tatjana Pavlović, 2015-12-21 *A Companion to Spanish Cinema* is a bold collection of newly commissioned essays written by top international scholars that thoroughly interrogates Spanish cinema from a variety of thematic, theoretical, and historic perspectives. Presents an insightful and provocative collection of newly commissioned essays and original research by top international scholars from a variety of theoretical, disciplinary, and geographical perspectives. Offers a systematic historical, thematic, and theoretical approach to Spanish cinema, unique in the field. Combines a thorough and insightful study of a wide spectrum of topics and issues with in-depth textual analysis of specific films. Explores Spanish cinema's cultural, artistic, industrial, theoretical, and commercial contexts pre and post 1975 and the notion of a national cinema. Canonical directors and stars are examined alongside understudied directors, screenwriters, editors, and secondary actors. Presents original research on image and sound, genre, non-fiction film, institutions, audiences, and industry, and relations to other media, as well as a theoretically driven section designed to stimulate innovative research. *Understanding Michael S. Harper* Michael Antonucci, 2023-04-06 A fresh examination of Harper's body of work as an archive of Black life, thought, and culture. The first book devoted to the groundbreaking poet's work. *Understanding Michael S. Harper* locates Harper's poetic project within Black expressive tradition. The study examines poems drawn from the eleven volumes of verse that Harper (1938-2016) produced between 1970 and 2010, bringing attention to his poetry's sustained engagement with music, literature, and the visual arts. Author Michael Antonucci offers readers an account of the poet's career while assessing his verse and providing a sense of its perspective on Black America and the American experience. Throughout his examination of Harper's verse, Antonucci builds on the critical attention the poet received at the outset of his career: he was twice nominated for the National Book Award. Exploring the poet's celebrated examinations of history, kinship, and Black music, *Understanding Michael S. Harper* develops and expands critical dialogues about the poet and his body of work, which Antonucci argues presents a counternarrative about the composition and origins of the United States, reshaping prevailing discourse about race, nation, and identity. **Popular Science Monthly**, 1928 *Counter Terrorism Issues* James Ottavio Castagnera, 2024-08-29 *Counter Terrorism Issues: Case Studies in the Courtroom*, Second Edition, presents a panoramic view of the American judiciary's handling of domestic terrorism in the last 30 years.
