## **Capital Coercion And Postcommunist States:**

**Capital, Coercion, and Postcommunist States** Gerald Easter, 2012-10-15 The postcommunist transitions produced two very different types of states. The contractual state is associated with the countries of Eastern Europe which moved toward democratic regimes, consensual relations with society, and clear boundaries between political power and economic wealth. The predatory state is associated with the successors to the USSR which instead developed authoritarian regimes, coercive relations with society, and poorly defined boundaries between the political and economic realms. In *Capital Coercion and Postcommunist States*, Gerald M. Easter shows how the cumulative result of the many battles between state coercion and societal capital over taxation gave rise to these distinctive transition outcomes. Easter's fiscal sociology of the postcommunist state highlights the interconnected paths that led from the fiscal crisis of the old regime through the revenue bargains of transitional tax regimes to the eventual reconfiguration of state-society relations. His focused comparison of Poland and Russia exemplifies postcommunism's divergent institutional forms. The Polish case shows how conflicts over taxation influenced the emergence of a rule of law, contractual state, social market capitalism, and civil society. The Russian case reveals how revenue imperatives reinforced the emergence of a rule by law, predatory state, concessions style capitalism, and dependent society.

*From Triumph to Crisis* Hilary Appel, Mitchell A. Orenstein, 2018-05-10 The postcommunist countries were amongst the most fervent and committed adopters of neoliberal economic reforms. Not only did they manage to overcome the anticipated domestic opposition to shock therapy and Washington Consensus reforms, but many fulfilled the membership requirements of the European Union and even adopted avant-garde neoliberal reforms like the flat tax and pension privatization. Neoliberalism in the postcommunist countries went farther and lasted longer than expected, but why? Unlike pre-existing theories based on domestic political-economic struggles, this book focuses on the imperatives of reinsertion into the international economy. Appel and Orenstein show how countries engaged in competitive signaling, enacting reforms in order to attract foreign investment. This signaling process explains the endurance and intensification of neoliberal reform in these countries for almost two decades, from 1989-2008, and its decline thereafter when inflows of capital into the region suddenly dried up. This book will interest students of political economy and Eastern European and Eurasian politics.

*Webs of Corruption* Mariya Omelicheva, Lawrence Markowitz, 2019-05-21 Counterterrorism experts and policy makers have warned of the peril posed by the links between violent extremism and organized crime, especially the relationship between drug trafficking and terrorism funding. Yet Central Asia, the site of extensive opium trafficking, sees low levels of terrorist violence. *Webs of Corruption* is an innovative study demonstrating that terrorist and criminal activity intersect more narrowly than is widely believed, and that the state plays the pivotal role in shaping those interconnections. Mariya Y. Omelicheva and Lawrence P. Markowitz analyze the linkages between the drug trade and terrorism financing in Central Asia, finding that state security services shape the nexus of trafficking and terrorism. While organized crime and terrorism do

intersect in parts of the region profit driven criminal organizations and politically motivated violent groups come together based on the nature of state involvement Governments in high trafficking regions are drawn into illicit economies and forge relationships with a range of nonstate violent actors such as insurgents erstwhile regime opponents and transnational groups Omelicheva and Markowitz contend that these relationships can mitigate terrorism by redirecting these actors toward other forms of violence Offering a groundbreaking combination of quantitative qualitative and geographic information systems methods to map trafficking terrorism connections on the ground Webs of Corruption provides a meticulously researched counterintuitive perspective on a potent regional security problem

**Taxation, Responsiveness and Accountability in Sub-Saharan Africa** Wilson Prichard, 2015-09-11 It is increasingly argued that bargaining between citizens and governments over tax collection can provide a foundation for the development of responsive and accountable governance in developing countries However while intuitively attractive surprisingly little research has captured the reality and complexity of this relationship in practice This book provides the most complete treatment of the connections between taxation and accountability in developing countries providing both new evidence and an invaluable starting point for future research Drawing on cross country econometric evidence and detailed case studies from Ghana Kenya and Ethiopia Wilson Prichard shows that reliance on taxation has in fact increased responsiveness and accountability by expanding the political power wielded by taxpayers Critically however processes of tax bargaining have been highly varied frequently long term and contextually contingent Capturing this diversity provides novel insight into politics in developing countries and how tax reform can be designed to encourage broader governance gains

**The State-Democracy Nexus** Jørgen Møller, Svend-Erik Skaaning, 2016-04-14 The great dilemma of democracy revolves around the state Historically the state has played a crucial role as enforcer of liberal democratic constitutions but it has also been used by autocratic rulers to entrench their rule The state is thus a two edged sword It can both be the guarantee of democratic rights and a tool that can be used to suppress such rights One corollary of this is that the influence of state structures on democratic development depends on who holds government power But the opposite observation can also be made as governments play an important role in shaping the state apparatus The state and the regime are thus intertwined Against this backdrop this book presents a series of attempts authored by influential experts such as Francis Fukuyama and Gerardo Munck to disentangle the relationship between the state and political regimes The contributions differ in terms of their particular theoretical and empirical focus But they share the assumption that three criteria need to be observed to achieve a better understanding of the state democracy nexus First it is valuable to distinguish conceptually between different aspects of the state Second the potential relationships between democracy and these attributes of state should be carefully theorized Third the consequent propositions must be interrogated using comparative approaches This book was originally published as a special issue of Democratization

**Putinomics** Chris Miller, 2018-02-08 When Vladimir Putin first took power in 1999 he was a little known figure ruling a

country that was reeling from a decade and a half of crisis In the years since he has reestablished Russia as a great power How did he do it What principles have guided Putin s economic policies What patterns can be discerned In this new analysis of Putin s Russia Chris Miller examines its economic policy and the tools Russia s elite have used to achieve its goals Miller argues that despite Russia s corruption cronyism and overdependence on oil as an economic driver Putin s economic strategy has been surprisingly successful Explaining the economic policies that underwrote Putin s two decades long rule Miller shows how at every juncture Putinomics has served Putin s needs by guaranteeing economic stability and supporting his accumulation of power Even in the face of Western financial sanctions and low oil prices Putin has never been more relevant on the world stage

Private Wealth and Public Revenue Tasha Fairfield,2015-03-05 This book identifies sources of power that help business and economic elites influence policy decisions

Handbook on Social Structure of Accumulation Theory McDonough, Terrence,McMahon, Cian,Kotz, David M.,2021-12-07 This pioneering Handbook offers a state of the art exploration of the social structure of accumulation theory a leading theory of stages of capitalism expertly summarising its development to date It breaks new ground in several areas including econometric evidence for the theory and developing institutional analyses of technology and the environment

*The Political Economy of Corporate Raiding in Russia* Ararat Osipian,2018-03-28 Corporate raiding the shocking phenomenon whereby criminals business rivals and even state bureaucrats visit business headquarters and force owners or staff to transfer business assets land or property is an increasing problem in Russia This book based on extensive original research provides a comprehensive overview of this activity It describes the nature of corporate raiding provides numerous case studies and discusses the role of the state and government officials Overall the book argues that the prevailing climate of business and government in Russia leads to a situation where control is closely linked to corruption and coercion

*The Russian State and Russian Energy Companies, 1992-2018* Ingerid M. Opdahl,2020-06-09 The Russian State and Russian Energy Companies analyses the development of relations between the state and five major energy companies and how this shaped Russia s foreign policy in the post Soviet region The book argues that the development of Russia s political economy mattered for foreign policy over the quarter of a century from 1992 to 2018 Energy companies roles in institutional development enabled them to influence foreign policy formation and they became available as tools to implement foreign policy The extent to which it happened for each company varied with their accessibility to the Russian state Institutional development increased state capacity in a way that strengthened Russia s political regime The book shows how the combined power of several companies in the gas oil electricity and nuclear energy industry was a key feature of Russian foreign policy both in bilateral relationships and in support of Russia s regional position In this way Russia s energy resources were converted to regional influence The book contributes to our understanding of Russia s political economy and its influence on foreign policy and of the formation of policy towards post Soviet states

## Reviewing **Capital Coercion And Postcommunist States**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is really astonishing. Within the pages of "**Capital Coercion And Postcommunist States**," an enthralling opus penned by a highly acclaimed wordsmith, readers attempt an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve in to the book is central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.

### **Capital Coercion And Postcommunist States Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Capital Coercion And Postcommunist States PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong

learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Capital Coercion And Postcommunist States PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Capital Coercion And Postcommunist States free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Capital Coercion And Postcommunist States Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Capital Coercion And Postcommunist States is one of the best book in our library for free trial. We provide copy of Capital Coercion And Postcommunist States in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Capital Coercion And Postcommunist States. Where to download Capital Coercion And Postcommunist States online for free? Are you looking for Capital Coercion And Postcommunist States PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate

way to get ideas is always to check another Capital Coercion And Postcommunist States. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Capital Coercion And Postcommunist States are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Capital Coercion And Postcommunist States. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Capital Coercion And Postcommunist States To get started finding Capital Coercion And Postcommunist States, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Capital Coercion And Postcommunist States So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Capital Coercion And Postcommunist States. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Capital Coercion And Postcommunist States, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Capital Coercion And Postcommunist States is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Capital Coercion And Postcommunist States is universally compatible with any devices to read.
