Beautiful Outlaw John Eldredge, 2025-05-01 A New York Times bestselling author presents Jesus the person in a thought provoking relatable and very human light Reading the Gospels without knowing the personality of Jesus is like watching television with the sound turned off The result is a dry two dimensional person doing strange undecipherable things In Beautiful Outlaw John Eldredge removes the religious varnish to help readers discover stunning new insights into the humanity of Jesus He was accused of breaking the law keeping bad company heavy drinking Of being the devil himself He was so compelling and dangerous they had to kill him But others loved him passionately He had a sense of humor His generosity was scandalous His anger made enemies tremble He'd say the most outrageous things He was definitely not the Jesus of the stained glass In the author's winsome narrative approach he breaks Jesus out of the typical stereotypes just as he set masculinity free in his book Wild at Heart By uncovering the real Jesus readers are welcomed into the rich emotional life of Christ All of the remarkable qualities of Jesus burst like fireworks with color and brilliance because of his humanity Eldredge goes on to show readers how they can experience this Jesus in their lives every day This book will quicken readers worship and deepen their intimacy with Jesus

Valiant or Virtuous? Suzanne

McCarthy,2019-06-27 This book explores a systematic bias in translating the Bible and in interpreting its teachings which suggests that men are inherently suited to be leaders in the home church and community while it is God s plan for women to submit to men s leadership This erroneous understanding of the Bible has been promoted by certain influential evangelical Christian leaders in order to push back the growing influence of feminist attitudes the expansion of women s leadership roles and the increase in egalitarian relationships among evangelicals in English speaking North America Written in a down to earth engaging way this book will appeal to young women searching the Bible for guidance on women s roles in relationships and in the church It highlights the dynamic roles played by women in the narratives of Old and New Testament and in the work of Bible translation Built on a solid framework of biblical and linguistic scholarship this book will also be of interest to Bible scholars and to anyone seeking a deeper understanding of what the Bible actually says in its original languages [An Invitation to Real Analysis](#) Luis F.
