Captured Honor Pow Survival In The Philippines And Japan:

Captured Honor Bob Wodnik, 2003 Burned forever in his mind are images of Japanese blood staining blue Manila Bay of maggots assaulting the corpse of a buddy of prisoner after prisoner relegated to small wooden boxes holding their cremated remains *Historical Dictionary of the Philippines* Artemio R. Guillermo, 2012 The Historical Dictionary of the Philippines Third Edition contains a chronology an introductory essay an extensive bibliography and several hundred cross referenced dictionary entries **Victory in Defeat** Gregory Urwin, 2011-01-15 Told here for the first time in vivid detail is the story of the defenders of Wake Island following their surrender to the Japanese on December 23 1941 The highly regarded military historian Gregory Urwin spent decades researching what happened and now offers a revealing look at the U S Marines sailors soldiers and civilian contractors in captivity In addition to exhaustive archival research he interviewed dozens of POWs and even some of their Japanese captors He also had access to diaries secretly kept by the prisoners This information has allowed Urwin to provide a nuanced look at the Japanese guards and how the Americans survived three and a half years in captivity and emerged with a much lower death rate than most other Allied personnel captured in the Pacific In part Urwin says the answer lies in the Wake Islanders establishment of life saving communities that kept their dignity intact Their mutual help networks encouraged those who faltered under physical and psychological torture including what is today called water boarding The book notes that the Japanese camp official responsible for that war crime was sentenced to life imprisonment by an American military tribunal Most Wake Islanders spent the war at two camps just outside Shanghai one of the few places where Japanese authorities permitted the Red Cross to aid prisoners of war The author also calls attention to the generosity of civilians in Shanghai including Swiss diplomats and the American and British residents of the fabled International Settlement who provided food and clothing to the prisoners In addition some guards proved to be less vicious than those stationed at other POW camps and occasionally went out of their way to aid inmates As the first historical work to fully explore the captivity of Wake Island s defenders the book offers information not found in other World War II histories

Inside the Bataan Death March Kevin C. Murphy, 2014-09-24 For two weeks during the spring of 1942 the Bataan Death March one of the most widely condemned atrocities of World War II unfolded The prevailing interpretation of this event is simple American prisoners of war suffered cruel treatment at the hands of their Japanese captors while Filipinos sympathetic to the Americans looked on Most survivors of the march wrote about their experiences decades after the war and a number of factors distorted their accounts The crucial aspect of memory is central to this study how it is constructed by whom and for what purpose This book questions the prevailing interpretation reconsiders the actions of all three groups in their cultural contexts and suggests a far greater complexity Among the conclusions is that violence on the march was largely the result of a clash of cultures undisciplined individualistic Americans encountered Japanese who valued order and form while Filipinos were active even ambitious participants in the drama Understanding Japan-china Relations: Theories And Issues Ming

Wan,2015-10-22 This timely book examines new developments in Japan China relations and new research conducted in Japan China and elsewhere since 2006 The book covers major issues such as the September 2010 Chinese fishing boat collision incident cross Strait relations the Trans Pacific Partnership TPP negotiations and China s suspension of rare earth exports to Japan It explores a variety of theoretical understandings of the Sino Japanese relationship namely relationship management domestic politics national identities and coevolution The Medic Claire E. Swedberg,2021-06-01 Henry Chamberlain was

one of the longest term prisoners of war in World War II Taken prisoner in the American surrender at Bataan in April 1942 he remained in Japanese captivity until September 1945 During three and a half years of imprisonment as a medic he was a unique and unfortunate witness to the horrors and terrors the Japanese inflicted on their prisoners during the Bataan Death March and at the notorious Cabanatuan prison camp where for two years he tended to the sick and wounded all too often without medicine In October 1944 the Japanese put Chamberlain on a hell ship to forced labor in sugar cane fields in Formosa now Taiwan and again in January 1945 to a Mitsubishi lead and zinc mine in Japan U S military forces reached the camp in September 1945 liberating Chamberlain and his fellow soldiers Chamberlain s is a story of excruciating hardship abiding endurance and transcendent courage and writer Claire Swedberg tells it beautifully with great style and deep pathos from Chamberlain s fraught Depression era boyhood in Nebraska through his World War II captivity to his return to Japan in 2018 Like Adam Makos s Spearhead and Laura Hillenbrand s Unbroken this is the account of one man fighting for and with his fellow soldiers against the forces of war in the twentieth century **The Jersey Brothers** Sally Mott

Freeman,2017-05-09 They are three brothers all navy men who end up coincidentally and extraordinarily at the epicenter of three of World War II s most crucial moments Bill is tapped by Franklin D Roosevelt to run the first Map Room in Washington Benny is the gunnery and antiaircraft officer on the USS Enterprise one of the only ships to escape Pearl Harbor and by the end of 1942 the last aircraft carrier left in the Pacific to defend against the Japanese Barton the youngest gets a plum commission in the Navy Supply Corps because his mother wants him out of harm s way But this protection plan backfires when Barton is sent to the Philippines and listed as missing in action after a Japanese attack Now it is up to Bill and Benny to rescue him Based on ten years of research drawn from archives around the world interviews with fellow shipmates and POWs and letters half forgotten in basements The Jersey Brothers whisks readers from America s front porches to Roosevelt s White House from Pearl Harbor to Midway and Bataan and from the Pacific battlefronts to the stately home of a fierce New Jersey mother At its heart The Jersey Brothers is a family story written by one of its own in intimate novelistic detail It is a remarkable tale of agony and triumph of an ordinary young man who shows extraordinary courage as the enemy does everything short of killing him and of brotherly love tested under the tortures of war Jacket *Encyclopedia of Prisoners of War and Internment* ,2006 This authoritative second edition provides a valuable overview of the history of prisoners of war and interned civilians from the earliest times to the present This edition offers new articles on Abu Ghraib Prison the Angolan

Back on Track Bob Wodnik, 2021-06-22 Observing its busy stations today it is difficult to picture Seattle and Puget Sound without Sound Transit Or to imagine how close the transportation agency came to folding Back on Track reveals its astonishing survival story After the city took the last streetcar out of service in 1941 Seattle subsisted for decades without a rail system and it was choking on congestion So for many it was a joyous day in November 1996 when voters in urban areas of King Pierce and Snohomish Counties approved a ten year 3.9 billion plan to bring mass transit to Puget Sound But for the 23 employees of the fledgling Sound Transit the celebration was short lived When light rail plan estimates came in a billion dollars over budget and extended the project three years the agency faced a torrent of angry taxpayers and public ridicule News headlines bristled about Unsound Transit and whether the organization was on the midnight train to nowhere Prominent politicians and citizens joined the battle One by one Sound Transit's administrators resigned Then Joni Earl stepped in The new executive director rallied the remaining team members secured a crucial 500 million federal grant publicly confronted critics and presented a realistic revised budget As construction began she and her team navigated lawsuits the complex and at times excessive demands of impacted locations and the expanding expectations of outlying communities Earl's vision tenacity and diplomacy transformed Sound Transit Under her leadership with strong support from Link Executive Director Ahmad Fazel and Seattle Mayor Greg Nickels the agency delivered its promised light rail system in July 2009 A resounding success Sound Transit exceeded usage forecasts and now its trains and buses serve nearly 50 million passengers a year traveling a combined 73 000 miles every day and few ever question whether the region's light rail system should exist
