Believable Lies Michelle-Meridith Moore, 2024-11-26 On May 7 1988 Michelle got married Shawn the man standing before

her was her abuser her controller and the only serious boyfriend she'd ever had In that moment she felt like this wedding ceremony would mark the end of her life it turned out to be the beginning of something worse This is an autobiographical account of abuse assault and escape in which Michelle Meridith Moore chronicles her experience with a deeply abusive and manipulative partner The story begins with their first encounter and catalogues the progression of Shawn's increasingly toxic controlling and abusive behaviour During the early stages of their relationship Shawn slowly broke down Michelle's self conception as a happy smart young lady ultimately conditioning her into thinking she was lowly stupid and worthless In the two decades that followed Shawn would sink his clutches deeper into every aspect of Michelle's life until her very survival was at stake Driven by the need to protect herself and with the steady help of her closest allies Michelle was able to escape seek legal recourse and tell her tale Michelle's story is harrowing and raw It pulls back the curtains on an incredibly painful and often unseen corner of domestic life But it also shows the power of perseverance love and allyship It is a testament to how even in the pits of despair we can escape our living nightmares
