Conquest Of The Useless Reflections From The Making Of Fitzcarraldo:

Conquest of the Useless Werner Herzog, 2009-06-30 One of the most revered filmmakers of our time Werner Herzog wrote this diary during the making of *Fitzcarraldo* the lavish 1982 film that tells the story of a would be rubber baron who pulls a steamship over a hill in order to access a rich rubber territory Later Herzog spoke of his difficulties when making the film including casting problems reshoots language barriers epic clashes with the star and the logistics of moving a 320 ton steamship over a hill without the use of special effects Hailed by critics around the globe the film went on to win Herzog the 1982 Outstanding Director Prize at Cannes *Conquest of the Useless* Werner Herzog's diary on his fever dream in the Amazon jungle is an extraordinary glimpse into the mind of a genius during the making of one of his greatest achievements

Conquest of the Useless Werner Herzog, 2010-07-27 Hypnotic It is ever tempting to try to fathom his restless spirit and his determination to challenge fate Janet Maslin New York Times Werner Herzog *Grizzly Man* is one of the most revered and enigmatic filmmakers of our time and *Fitzcarraldo* is one of his most honored and admired films More than just Herzog's journal of the making of the monumental problematical motion picture which involved among other things major cast changes and reshoots and the hauling without the use of special effects of a 360 ton steamship over a mountain *Conquest of the Useless* is a work of art unto itself an Amazonian fever dream that emerged from the delirium of the jungle With fascinating observations about crew and players including Herzog's lead the somewhat demented internationally renowned star Klaus Kinski and breathtaking insights into the filmmaking process that are uniquely Werner Herzog *Conquest of the Useless* is an eye opening look into the mind of a cinematic master [Fitzcarraldo](#) Lutz Peter Koepnick, 2019 Revisits Herzog's classic film from a decisively contemporary standpoint bringing into play the development of his filmmaking career When it was released in 1982 Werner Herzog's *Fitzcarraldo* was widely criticized for its demanding use of human and natural resources as well as its director's uncompromising aesthetic vision Critics and scholars saw little difference between the film's protagonist's obsession with hauling a ship over a mountain in the Amazon and Herzog's own mode of cinematic production and storytelling And yet *Fitzcarraldo* stands out as one of the defining moments of New German Cinema and as the years pass continues to raise new questions about the relation of film and society art and nature progress and subjectivity the known and the unknown This book revisits Herzog's tale of operatic entrepreneurialism from a decisively contemporary standpoint It draws on recent writing on the Anthropocene to probe the relationship of art civilization and the natural world in *Fitzcarraldo* It discusses the role of opera and music in Herzog's Amazon spectacle And it brings into play the development of Herzog's own career as a filmmaker over the last few decades to offer a fresh look at this by now classical contribution to twentieth century German film art Lutz Koepnick is Gertrude Conaway Vanderbilt Professor of German Cinema and Media Arts at Vanderbilt University *The Philosophy of Werner Herzog* M. Blake Wilson, Christopher Turner, 2020-11-25 Legendary director actor author and provocateur Werner Herzog has incalculably influenced contemporary cinema for

decades Until now there has been no sustained effort to gather and present a variety of diverse philosophical approaches to his films and to the thinking behind their creation The Philosophy of Werner Herzog edited by M Blake Wilson and Christopher Turner collects fourteen essays by professional philosophers and film theorists from around the globe who explore the famed German auteur's notions of ecstatic truth as opposed to accountants' truth his conception of nature and his penchant for overwhelming and collective murder his controversial film production techniques his debts to his philosophical and aesthetic forebears and finally his pointed objections to his would-be critics including among others the contributors to this book themselves By probing how Herzog's thinking behind the camera is revealed in the action he captures in front of it The Philosophy of Werner Herzog shines new light upon the images and dialog we see and hear on the screen by enriching our appreciation of a prolific yet enigmatic film artist

A Companion to Werner Herzog Brad Prager, 2012-03-30 A Companion to Werner Herzog showcases over two dozen original scholarly essays examining nearly five decades of filmmaking by one of the most acclaimed and innovative figures in world cinema First collection in twenty years dedicated to examining Herzog's expansive career Features essays by international scholars and Herzog specialists Addresses a broad spectrum of the director's films from his earliest works such as Signs of Life and Fata Morgana to such recent films as The Bad Lieutenant and Encounters at the End of the World Offers creative innovative approaches guided by film history art history and philosophy Includes a comprehensive filmography that also features a list of the director's acting appearances and opera productions Explores the director's engagement with music and the arts his self-stylization as a global filmmaker his Bavarian origins and even his love-hate relationship with the actor Klaus Kinski

[The Scramble for the Amazon and the Lost Paradise of Euclides da Cunha](#) Susanna B. Hecht, 2022-12-22 A compelling and elegantly written history of the fight for the Amazon basin and the work of a brilliant but overlooked Brazilian intellectual Times Literary Supplement UK The fortunes of the late nineteenth century's imperial powers depended on a single raw material rubber with only one source the Amazon basin This scenario ignited a decades-long conflict that found Britain France Belgium and the United States fighting with and against the new nations of Peru Bolivia and Brazil for the forest's riches In the midst of this struggle the Brazilian author and geographer Euclides da Cunha led a survey expedition to the farthest reaches of the river The Scramble for the Amazon tells the story of da Cunha's terrifying journey the unfinished novel born from it and the global strife that formed the backdrop for both Haunted by his broken marriage da Cunha trekked through a beautiful region thrown into chaos by guerrilla warfare starving migrants and native slavery All the while he worked on his masterpiece a nationalist synthesis of geography philosophy biology and journalism entitled Lost Paradise Hoping to unveil the Amazon's explorers' spies' natives and brutal geopolitics Da Cunha was killed by his wife's lover before he could complete his epic work once the biography of Da Cunha a translation of his unfinished work and a chronicle of the social political and environmental history of the Amazon The Scramble for the Amazon is a work of thrilling intellectual ambition

Lind,2016-04-26 What is the relationship between literature and film What is meant when speaking about adapting a literary work to the screen Is it possible to adapt And if so how Are there films that have improved their literary sources Is adaptation a translation or rather a re interpretation What is the impact of adapting literary classics to a modern context This collection of articles offers a comprehensive and authoritative study of literary adaptation to film which addresses these and other unresolved questions in the field of Literary Adaptation Studies Within five different sections the volume s international team of contributors offers valuable study cases suggesting both the continuity and variety of adaptation theories The first section traces recurring theoretical issues regarding the problems and challenges related to the adaptation of literary works to the particular nature and dynamics of cinema The second and third parts focus on the specific problems and technical challenges of adapting theatre and narrative works to film and TV series respectively The fourth section includes the study of Latin American authors whose works have been adapted to the screen The fifth and final part of the book deals with the structures and devices that film directors use in order to tell stories The art of telling and re telling stories which originated in ancient times is present throughout this publication giving shape to the discussion Adaptations of stories are present everywhere in today s world and their development is well told and re told in this volume which will definitely interest academics and researchers working in literature and film comparative studies novelists screenwriters film makers dramatists theatre directors postgraduate students and those researching on topics related to the philosophy of art and aesthetics **Rachel**

Harrison Life Hack Elisabeth Sussman,David Joselit,2019-01-01 The work of the sculptor Rachel Harrison is both the zeitgeist and the least digestible in contemporary art It may also be the most important owing to an originality that breaks a prevalent spell in an art world of recycled genres styles and ideas Peter Schjeldahl The New Yorker In her sculptures room sized installations drawings photographs and artist s books Rachel Harrison b 1966 delves into themes of celebrity culture pop psychology history and politics This publication created in close collaboration with the artist explores twenty five years of her practice and is the first comprehensive monograph on Harrison in nearly a decade Its centerpiece is an in depth plate section which doubles as a chronology of Harrison s major works series and exhibitions Objects are illustrated with multiple views and details and accompanied by short texts This thorough approach elucidates Harrison s complicated eclectic oeuvre in which she integrates found materials with handmade sculptural elements upends traditions of museum display and injects quotidian objects with a sense of strangeness Six accompanying essays cover Harrison s earliest works to her most recent output The book also includes a handful of photo collages that the artist created specifically for this project Published here for the first time these pieces superimpose found images with reproductions of Harrison s own past work **Cinematic**

Journeys in Latin America Richard Francaviglia,2023-08-30 This book critically examines how movies that feature real or imagined explorers and expeditions creatively feature the geography of Latin America It focuses on how locales are scripted into film plots and artistically depicted and demonstrates that place is as important as any character in a film especially in

this genre Nineteen key films are analyzed Some like Aguirre the Wrath of God Fitzcarraldo The Other Conquest Embrace of the Serpent and The Lost City of Z are based on the exploits of real explorers Others are fictional including Apocalypto Indiana Jones and the Kingdom of the Crystal Skull and Dora and the Lost City of Gold The author also discusses the evolution of exploration discovery films including trends that will likely be found in forthcoming movies

Aesthetic Technologies of Modernity, Subjectivity, and Nature Richard Leppert, 2015-10-06 Virginia Woolf famously claimed that around December 1910 human character changed Aesthetic Technologies addresses how music especially opera the phonograph and film served as cultural agents facilitating the many extraordinary social artistic and cultural shifts that characterized the new century and much of what followed long thereafter even to the present Three tropes are central the tensions and traumas cultural social and personal associated with modernity changes in human subjectivity and its engagement and representation in music and film and the more general societal impact of modern media sound recording the development of the phonograph in particular and the critical role played by early century opera recording A principal focus of the book is the conflicted relationship in Western modernity to nature particularly as nature is perceived in opposition to culture and articulated through music film and sound as agents of fundamental sometimes shocking transformation The book considers the sound vision world of modernity filtered through the lens of aesthetic modernism and rapid technological change and the impact of both experienced with the prescient sense that there could be no turning back
