Capital One Platinum Mastercard:

The Capital One Story Mary Curran Hackett, 2020-05-26 What can you learn from the most successful companies in the world The Capital One Story will help you understand and adopt the competitive strategies workplace culture and daily business practices that enabled an unlikely credit card startup to revolutionize the credit industry After twenty five years in the credit card business Capital One has earned its place in wallets across the world When the company s two young founders set out to individualize credit the financial world thought they were crazy until it was clear that they weren t Working in the banking industry Richard Fairbank and Nigel Morris saw that the one size fits all standard that the credit card companies employed was leaving big money on the table They cracked the code and figured out how to customize the credit card experience by offering personalized designs credit limits and rewards revolutionizing the way the credit card industry operated Known for their ubiquitous advertising campaigns with A list talent such as Jennifer Garner and Samuel L Jackson the youngest bank in the business was once turned down by every one of their competitors but has since grown to dominate the industry Through the story of Capital One you ll learn How to recognize underserved sections of a market How rejection by every company in the business doesn t mean it s time to quit How to determine what people want and how to get it to them How to employ marketing campaigns that will change the way people live Discover how this iconic organization got it right and created a successful long lasting business and how you can do the same for your company

Delinquent Elena Botella, 2022-10-11 Publisher s Weekly Top 10 Fall Release in Business and Economics A consumer credit industry insider turned outsider explains how banks lure Americans deep into debt and how to break the cycle Delinquent takes readers on a journey from Capital One s headquarters to street corners in Detroit kitchen tables in Sacramento and other places where debt affects people s everyday lives Uncovering the true costs of consumer credit to American families in addition to the benefits investigative journalist Elena Botella formerly an industry insider who helped set credit policy at Capital One reveals the underhanded and often predatory ways that banks induce American borrowers into debt they can t pay back Combining Botella s insights from the banking industry quantitative data and research findings as well as personal stories from interviews with indebted families around the country Delinquent provides a relatable and humane entry into understanding debt Botella exposes the ways that bank marketing product design and customer management strategies exploit our common weaknesses and fantasies in how we think about money and she also demonstrates why competition between banks has failed to make life better for Americans in debt Delinquent asks How can we make credit available to those who need it responsibly and without causing harm Looking to the future Botella presents a thorough and incisive plan for reckoning with and reforming the industry
