Capitalism Should You Buy It An Invitation To Political Economy:

Capitalism Charles Derber, Yale R. Magrass, 2014 Before there was economics there was political economy an interdisciplinary adventure boldly and critically seeking to understand capitalism Over time the social sciences evolved into specific disciplines economics sociology political science that less often questioned capitalist perspectives and the state This accessible and hopeful book is a call to everyone citizen student public intellectual to revive the critical edge and ask if capitalism provides a society that promotes the well being indeed the survival of humanity It contrasts three traditions neoclassicism Keynesianism and neo Marxism tracing the historical development of each and evaluating whether it views capitalism as the root cause of or the solution to the pressing problems now facing humanity including war poverty racial and sexual inequality and environmental crisis

Capitalism: Should You Buy it? Charles Derber, Yale R. Magrass, 2015-11-17 Before there was economics there was political economy an interdisciplinary adventure boldly and critically seeking to understand capitalism Over time the social sciences evolved into specific disciplines economics sociology political science that less often questioned capitalist perspectives and the state Contrasting three traditions neoclassicism Keynesianism and neo Marxism Capitalism Should You Buy It traces the historical development of each and evaluates whether they view capitalism as the root cause of or the solution to the pressing problems now facing humanity This accessible and hopeful book is a call to everyone citizen student public intellectual to revive the critical edge towards capitalism [The Cambridge Companion to Chomsky](#) James McGilvray, 2017-04-13 This second edition discusses advances in Chomsky's science of language his view of the human mind and its study and his socioeconomic political contributions

Disinherited Majority Charles Derber, 2015-11-17 Thomas Piketty's blockbuster 2014 book Capital in the 21st Century may prove to be a game changer one of those rare books such as Friedan's The Feminine Mystique which helped spark a new feminist movement The world wide flood of commentary suggests Piketty's book has already opened a new conversation not only about inequality but about class capitalism and social justice Inherited wealth is at the heart of Capital in the 21st Century and Derber shows how the disinherited majority is likely to affect the future In his new book Derber shows that there are actually two Piketty's different voices of the author on the 1% inheritance and capitalism itself that create a fascinating and unacknowledged hidden debate and conversation within the book Drawing on Piketty's discussion Derber raises fourteen capital questions with new perspectives on caste and class warfare the Great Recession the decline of the American Dream and the Occupy movement that can guide a new conversation about the past and future of capitalism The Disinherited Majority will catalyse a conversation beyond Piketty already emerging in colleges and universities town halls coffee shops workplaces and political parties and social movements an essential class for all Americans

Power and Inequality Levon Chorbajian, 2021-05-30 Successfully bringing together accessible readings that cover the broad range of issues of importance to those studying politics and society this new edition of Power and Inequality provides a unique mix of theoretical and empirical pieces such

as state and electoral politics that address both classic issues in political sociology and more recent developments such as globalization With strong integration of race and gender throughout this collection offers a coherent analysis of power that reflects the contributions of a variety of critical perspectives including Marxism feminism critical race theory postmodernism and power structure theory A Modern Guide to Austrian Economics Bylund, Per L.,2022-10-11 This Modern Guide explores central ideas concepts and themes in the Austrian school of economics with a focus on how they and with them the overall theory have evolved over recent decades Leading scholars offer their insights into potential directions of future research in the field pointing towards contemporary debates and their potential conclusions underdeveloped aspects and extensions of theory and current applications of interest *White Space, Black Hood* Sheryll Cashin,2021-09-14 A 2021 C Wright Mills Award Finalist Shows how government created ghettos and affluent white space and entrenched a system of American residential caste that is the linchpin of US inequality and issues a call for abolition The iconic Black hood like slavery and Jim Crow is a peculiar American institution animated by the ideology of white supremacy Politicians and people of all colors propagated ghetto myths to justify racist policies that concentrated poverty in the hood and created high opportunity white spaces In *White Space Black Hood* Sheryll Cashin traces the history of anti Black residential caste boundary maintenance opportunity hoarding and stereotype driven surveillance and unpacks its current legacy so we can begin the work to dismantle the structures and policies that undermine Black lives Drawing on nearly 2 decades of research in cities including Baltimore St Louis Chicago New York and Cleveland Cashin traces the processes of residential caste as it relates to housing policing schools and transportation She contends that geography is now central to American caste Poverty free havens and poverty dense hoods would not exist if the state had not designed constructed and maintained this physical racial order Cashin calls for abolition of these state sanctioned processes The ultimate goal is to change the lens through which society sees residents of poor Black neighborhoods from presumed thug to presumed citizen and to transform the relationship of the state with these neighborhoods from punitive to caring She calls for investment in a new infrastructure of opportunity in poor Black neighborhoods including richly resourced schools and neighborhood centers public transit Peacemaker Fellowships universal basic incomes housing choice vouchers for residents and mandatory inclusive housing elsewhere Deeply researched and sharply written *White Space Black Hood* is a call to action for repairing what white supremacy still breaks Includes historical photos maps and charts that illuminate the history of residential segregation as an institution and a tactic of racial oppression The Capitalist Mode of Power Tim Di Muzio,2013-08-15 This edited volume offers the first critical engagement with one of the most provocative and controversial theories in political economy the thesis that capital can be theorized as power and that capital is finance and only finance The book also includes a detailed introduction to this novel thesis first put forward by Nitzan and Bichler in their *Capital as Power* Although endorsing the capital as power argument to varying extents contributors to this volume agree that a new understanding of capital that

radically departs from Marxist and Neoclassical theories cannot be ignored Offering the first application and appraisal of Nitzan and Bichler s theory chapters examine the thesis in the context of energy and global capitalization US Investment Banks trade and investment agreements between Canada the US and Mexico and multinational corporations in Apartheid South Africa Balancing theory methodology and empirical analysis throughout this book is accessible to new readers whilst contextualising and advancing the original theoretical debate The Capitalist Mode of Power will be of interest to students and scholars of International Relations Political Economy Globalization and Critical Theory *Handbook of Alternative Theories of Political Economy* Stilwell, Frank,Primrose, David,Thornton, Tim B.,2022-05-13 This Research Handbook advances entrepreneurship theory in new ways by integrating and contributing to contemporary theories of practice Leading theorists and entrepreneurship experts who are part of the growing Entrepreneurship as Practice EaP research community expertly propose methodologies theories and empirical insights into the constitution and consequences of entrepreneuring practices

A Political Economy of the Senses Anita Chari,2015-10-13 Anita Chari revives the concept of reification from Marx and the Frankfurt School to spotlight the resistance to neoliberal capitalism now forming at the level of political economy and at the more sensate experiential level of subjective transformation Reading art by Oliver Ressler Zanny Begg Claire Fontaine Jason Lazarus and Mika Rottenberg as well as the politics of Occupy Wall Street Chari identifies practices through which artists and activists have challenged neoliberalism s social and political logics exposing its inherent tensions and contradictions
