Marie-Hélène Schwoob

Capitalism From Below Markets And Institutional Change In China:

Capitalism from Below Victor Nee, Sonja Oppenheimer, 2012-06-19 Over 630 million Chinese escaped poverty since the 1980s the largest decrease in poverty in history Studying 700 manufacturing firms in the Yangtze region the authors argue that the engine of China's economic miracle private enterprise did not originate at the top but bubbled up from below overcoming initial obstacles set up by the government

Chinese Small Property Shitong Qiao, 2017-10-19 Small property houses provide living space to about eight million migrant workers office space for start ups grassroots police stations and public schools their contribution to the economic growth and urbanization of a city is immense The interaction between the small property sector and the formal legal order has a long history and small property has become an established engine of social and legal change Chinese Small Property presents vivid stories about how institutional entrepreneurs worked together to create an impersonal market outside of the formal legal system to support millions of transactions Qiao uses an eleven month fieldwork project in Shenzhen China's first special economic zone that has grown to a mega city with over fifteen million people to demonstrate this A thorough and detailed investigation into small property rights in China Chinese Small Property is an invaluable source of new information for students and scholars of the field

Re-Imagining Economic Sociology Patrik Aspers, Nigel Dodd, 2015-11-19 The purpose of this book is to explore new developments in the field of economic sociology It contains cutting edge theoretical discussions by some of the world's leading economic sociologists with chapters on topics such as the economic convention relational sociology economic identity economy and law economic networks and institutions The book is distinctive in a number of ways First it focuses on theoretical contributions by pulling together and extending what the contributors believe to be the most important theoretical innovations within their own particular areas of the field Second there are contributions by leading economic sociologists from both the US and Europe which gives the book both wider scope and appeal while also creating the opportunity for some interesting dialogue between distinct theoretical traditions The book will be of interest to researchers Ph D students and advanced students on both side of the Atlantic and indispensable in advanced economic sociology courses

Chinese Firms in the Global Market Maria Altamira, 2024-06-13 This book critically analyses how home institutional elements influence the design and development of Chinese firms capabilities at home and questions if and how these capabilities are applicable in a different business environment Reflecting on timely issues in today's business environment in which China faces several challenges in domestic and international markets the author provides an in depth understanding of Chinese firms business strategies objectives and competitive advantages at home and abroad in different environments In doing so the book enhances our understanding about the Chinese business environment and how it influences the development of relevant capabilities The author does this by presenting a study based on a narrative inquiry strategy and a narrative analysis of Chinese managers perspectives and understanding of the capabilities from three different types of firms with international experience State Owned Enterprises

SOEs National Champions NC and Private Firms PF An insightful resource for academics practitioners and policymakers the book furthers our understanding of the rapid rise of Chinese multinationals inside and outside China *Chinese Cities in the 21st Century* Youqin Huang,2020-04-03 This book is an interdisciplinary examination of China's new urban development model and the challenges Chinese cities face in the 21st century China is in the midst of a historic developmental inflection point grappling with a significantly slowing economy rapidly rising inequality massive migration skyrocketing housing prices alarming environmental problems and strong pushback from the West In this volume Western and Chinese scholars in different disciplines offer the clearest look yet at some of the main challenges China faces including domestic and international contexts the new urban development model inclusion and well being of migrants and their families and urban sustainability This book sheds light on China's ongoing development and future directions and has strong policy implications for anyone interested in the future of China **The Making of the Chinese Middle Class** Jean-Louis Rocca,2016-11-07 This book analyses the making of the Chinese middle class that started in the 1990s using a constructivist approach With the development of the Chinese economy a new group of middle wage earners appeared Chinese social scientists and state institutions promoted the idea that China needs a middle class to achieve modernization Middle class members are defined and define themselves as good consumers educated people politically engaged but reasonable citizens As such the making of the middle class is the result of three convergent phenomena an attempt to define the middle class a process of civilization and the development of protest movements The making of the Chinese middle class Rocca argues is a way to end the stalemate that modern Chinese society is facing in particular the necessity to democratize without introducing an election system **Paper Tigers, Hidden Dragons** Douglas B. Fuller,2016 This book provides an in depth study of China's information technology IT industry and policy in the 21st century and explores the connection between China's financial system and technological development outcomes **China's Middle Class** Li Youmei,2021-05-12 This book is a collection of empirical studies on China's middle class from top ranking Chinese sociologists discussing this newly identified social stratum with regard to the basic concept and scope of the group its functions formation identity consumption behavior patterns and value system As the first study of its kind the analysis of most chapters is based on a rich body of empirical data gathered from rigorous large scale surveys designed specifically for the Chinese middle class across megacities including Beijing Shanghai and Guangzhou The book traces the complex and dynamic formation process of China's middle class from different perspectives while dealing with issues of social concern such as rigid social stratification The findings shed light on the underlying logic of structural change in Chinese society over several recent decades with significant policy implications The book will attract sociologists students and policymakers interested in social structure social transformation and middle income groups in China **Food Security and the Modernisation Pathway in China** Marie-Hélène Schwoob,2018-01-26 This book aims at providing students experts and practitioners with a detailed overview of agricultural and food security

issues in China analyzed through the lenses of a multidisciplinary approach that enables to fully grasp the current socio political challenges and lock ins of agricultural transformation towards more sustainable practices Confronted to a running decrease and degradation of its resources and rapidly evolving food habits China became a net importer of food in 2004 and its agricultural balance has since become heavier every day Beyond providing a comprehensive overview of these stakes this book also presents consistent and original first hand research material collected by the author during months of fieldwork in China in the countryside and from various economic and political circles Conclusions drawn from this often difficult to access fieldwork shed light on the whole galaxy of public and private stakeholders taking part in agricultural modernization in China on their interests and on the patterns of power that underlie the development and implementation of agricultural policies

Knowing China Frank N. Pieke, 2016-07-28 A new examination of the many contradictions of contemporary China a society at once capitalist and socialist free and authoritarian
