## **Captains Of The City Streets New York Review Childrens Collection:**

Alfred Ollivant's Bob, Son of Battle Alfred Ollivant, Lydia Davis, 2014-08-19 Bob Son of Battle is a sheepdog so canny and careful of his flock so deeply devoted to his master James Moore and so admired for his poise and wisdom by the residents of a small village in the rugged mountains of England's North Country that young though he is he is already known as Owd Bob. In a recent contest Bob has proved himself a matchless sheepdog and if he wins the trophy two more times he'll be seen as equal to the legendary sheepdogs of yore. But Bob has a real rival Red Wull with his docked tail and bristling yellow fur a ferocious creature just like his diminutive master Adam McAdam a lonely Scot estranged not only from his English neighbors but from his son David McAdam just can't stop belittling this strapping young man all the more so since David began courting Moore's beautiful daughter Maggie. But what McAdam really wants is for his beloved Wullie to wrest the prize from Bob once and for all. The story takes a darker turn when a troubling new threat to the local flocks emerges. A dog has gone rogue sneaking out at night to feast on the flesh and blood of the sheep he is bound to protect. Again and again new sheep fall prey to this relentless predator again and again he slips away undetected. This master hunter can only be among the boldest and sharpest of dogs. Bob Son of Battle has long been a beloved classic of children's literature both in America and in England. Here the celebrated author and translator Lydia Davis who first read and loved this exciting story as a child has rendered the challenging idioms of the original into fluent and graceful English of our day making this tale of rival dogs and rival families and the shadowy terrain between Good and Bad accessible and appealing to readers of all ages.

**The House of Four Seasons** Roger Duvoisin, 2017-04-04 By the author of the bestselling picture book *Petunia* *The House of Four Seasons* is a bright and lively family picture book about colors imagination and compromise. When Father Mother Billy and Suzy go house hunting in the country they fall in love with a grand old house nestled among tall weeds and trees. It is in need of repair and soon a carpenter mason and tinsmith come to set things straight but it needs painting too. The family agrees it would be more fun to paint the house themselves but no one can agree on the color and to make matters worse the hardware store only carries three colors red blue and yellow. But Father has an idea. You'll see he says colors can do many tricks when they get together and with a sudden flourish a color wheel appears. Budding artists and engineers will love this surprising story and adults would do well to note how Father arrives at a winning trifecta of negotiation education and thrift.

**The Complete Polly and the Wolf** Catherine Storr, 2016-10-04 When Catherine Storr's daughter was very small she was afraid of the wolf under her bed so every night her mother would tell her a story in which Polly outwitted the wolf. These bedtime stories eventually became the collection *Clever Polly and the Stupid Wolf* a wonderfully thrilling and reassuring series of adventures in which the clever independent and unstoppable Polly fools the persistent hungry young wolf time and again. In a match much like Bugs Bunny and the Road Runner but more polite and quick witted Polly and the wolf develop ever more complicated ways of turning the tables on each other as they grow older and in Polly's case at least wiser. Three more

collections of stories followed the original Clever Polly all hilariously inventive variations on a much loved theme and all of the stories are collected here for the first time *Donkey-donkey* Roger Duvoisin, 2016-03-08 The illustrated children's classic about friendship and self acceptance from a Caldecott Medal winning illustrator and the author of *Petunia* perfect for reading aloud with kids ages 2-5 When a self-conscious donkey meets a new friend who likes him just the way he is he realizes that accepting himself long ears and all is the most important lesson *Donkey donkey* has a problem Despite his many friends and his good master he is sad because his ears are so long and ridiculous If only *Donkey donkey* could have short sensible ears like his friend Pat the horse he would be content So he seeks the advice of his fellow farm animals who suggest he wear his ears differently more like theirs floppy like the dog's to the side like the sheep's to the front like the pig's But each unnatural arrangement leads to increasing insult and injury Finally a little girl passing by remarks on the beauty of the pretty little donkey's ears At last *Donkey donkey* is happy A classic tale of vanity and folly and learning to accept oneself protrudent ears redundant name and all ***Beyond the Pawpaw Trees*** Palmer Brown, 2011-10-18 It all began on a lavender blue day the kind of day when anything can happen It was on such a day that Anna Lavinia's father saw a double rainbow and went chasing after it And it is on such a day that she and her cat Strawberry set off on their journey beyond the walled garden where the pawpaw trees grow to a place where the buttercups bloom pink and the laws of gravity don't always apply Here Anna Lavinia will test her mother's advice Never believe what you see against her father's wise words Believe only what you see and just maybe she'll finally be able to use the mysterious silver key her father left behind when he went chasing after rainbows *Beyond the Pawpaw Trees* is a tour through a land as strange and wonderful as Oz filled with people as delightfully batty as any in Alice's looking glass It is a place to return to again and again beautifully brought to life in Palmer Brown's fanciful words and intricate sugar spun drawings *The Fire Horse: Children's Poems by Vladimir Mayakovsky, Osip Mandelstam and Daniil Kharms* Eugene Ostashevsky, 2017-03-14 Whimsical and revolutionary poems and art by some of Russia's foremost avant garde writers and illustrators A boy wants a toy horse big enough to ride but where can his father find it Not in the stores which means it's got to be built from scratch How With the help of expert workers from the carpenter to the painter working together as one And now the bold boy is ready to ride off in defense of the future Two trams Click and Zam are cousins Click goes out for a day on the tracks and before long he's so tired he doesn't know where he is or how to get back All he knows is he's got to find Zam Click is looking for Zam and Zam is looking for Click and though for a while it seems like nobody knows where to find Click good and faithful Zam is not to be deterred Peter's a car Vasco's a steamboat and Mikey's a plane They're all running like mad and going great guns until whoops there's a big old cow just a plain old cow standing in the road What then The early years of the Soviet Union were a golden age for children's literature *The Fire Horse* brings together three classics from the era in which some of Russia's most celebrated poets Vladimir Mayakovsky Osip Mandelstam and Daniil Kharms teamed up with some of its finest artists Lidia Popova Boris Ender and

Vladimir Konashevich Brilliantly translated by the poet Eugene Ostashevsky this is poetry that is as whimsical and wonderful as it is revolutionary

**Three Ladies Beside the Sea** Rhoda Levine, 2010-07-13 Wickedly funny and delightfully sad Three Ladies Beside the Sea is a tale of love found love lost and love never ending Edward Gorey's off kilter Edwardian maidens are the perfect accompaniment to Rhoda Levine's lilting rhymes The place is remote Three houses beside the sea The Characters are Few Laughing Edith of Ecstasy Edith so happy and gay Smiling Catherine of Compromise She smiles her life away And then there is Alice of Hazard A dangerous life leads she The question in the plot is quite simple Why is Alice up in a tree The answer can be discovered Edith and Catherine do

**Smith: The Story of a Pickpocket** Leon Garfield, 2013-10-15 A Carnegie Medal Honor Book Twelve year old Smith is a denizen of the mean streets of eighteenth century London living hand to mouth by virtue of wit and pluck One day he trails an old gentleman with a bulging pocket deftly picks it and as footsteps ring out from the alley by which he had planned to make his escape finds himself in a tough spot Taking refuge in a doorway he sees two men emerge to murder the man who was his mark They rifle the dead man's pockets and finding them empty depart in a rage Smith terrified flees the scene of the crime What has he stolen that is worth the life of a man Smith is a gripping engrossing and utterly diverting tale of high adventure related by a writer whose scintillating style is matched only by the dazzle of his plotting In the words of Lloyd Alexander Garfield is unmatched for sheer exciting storytelling The reader simply can't stop reading him

**The Fire Horse: Children's Poems by Vladimir Mayakovsky, Osip Mandelstam and Daniil Kharms**, 2017-03-14 Whimsical and revolutionary poems and art by some of Russia's foremost avant garde writers and illustrators A boy wants a toy horse big enough to ride but where can his father find it Not in the stores which means it's got to be built from scratch How With the help of expert workers from the carpenter to the painter working together as one And now the bold boy is ready to ride off in defense of the future Two trams Click and Zam are cousins Click goes out for a day on the tracks and before long he's so tired he doesn't know where he is or how to get back All he knows is he's got to find Zam Click is looking for Zam and Zam is looking for Click and though for a while it seems like nobody knows where to find Click good and faithful Zam is not to be deterred Peter's a car Vasco's a steamboat and Mikey's a plane They're all running like mad and going great guns until whoops there's a big old cow just a plain old cow standing in the road What then The early years of the Soviet Union were a golden age for children's literature The Fire Horse brings together three classics from the era in which some of Russia's most celebrated poets Vladimir Mayakovsky Osip Mandelstam and Daniil Kharms teamed up with some of its finest artists Lidia Popova Boris Ender and Vladimir Konashevich Brilliantly translated by the poet Eugene Ostashevsky this is poetry that is as whimsical and wonderful as it is revolutionary

**The Midnight Folk** John Masefield, 2013-11-13 The Midnight Folk introduces readers to Kay Harker the orphaned boy who is also the hero of John Masefield's classic Christmas fantasy The Box of Delights Kay lives in a vast old country house and is looked after by an unpleasant duo the oily and egregious Sir Theopompous and the petulant and punitive Sylvia Daisy Pouncer In her zeal to

educate Kay on the finer points of Latin grammar Sylvia Daisy has even taken away all of Kay's toys Life seems very dull until out of an old family portrait steps Kay's great grandfather a sea captain who if legend is to be believed made off with a fabulous treasure Soon Kay is engaged in a thrilling quest that begins each night as the clock strikes twelve taking him into the enchanted and dangerous world of the Midnight Folk pirates highwaymen talking animals and a gang of witches led by none other than Sylvia Daisy in cahoots as in *The Box of Delights* with the arch villain Abner Brown In the end it is that ragtag team of old toys that rallies to support Kay and save the day A book to set beside C S Lewis's *Narnia* tales and Joan Aiken's *Wolves of Willoughby Chase* not to mention the *Harry Potter* series *The Midnight Folk* is a wonderful and enthralling contribution to the great English tradition of children's literature beloved by adults and children alike
