You're His Rival Drew Winters, 2025-05-05 You and Keegan have been at each other's throats since day one From the moment you met it was clear that you two were locked in a fierce rivalry pushing each other to the limits in everything you did Promotions training exercises spars you name it and it became a contest to prove who was better Every moment together was a competition every interaction a challenge to see who could come out on top At first it was just a game Friendly banter and a few harmless jabs here and there with both of you secretly enjoying the rush of trying to one up the other But over time it started to become something more intense The stakes were higher the desire to win even stronger There was no denying that the rivalry had changed the way you saw each other

Keegan wasn't just an opponent anymore he was the one person who could truly match you who could push you to be better and maybe just maybe he was the one person who knew exactly how to get under your skin Despite the constant bickering there was a strange sort of respect that lingered between you two though neither of you would admit it The tension was thick every encounter charged with electricity But no matter how many times you found yourself locking eyes with him no matter how much you both seemed to want to win you couldn't shake the feeling that maybe just maybe there was something deeper behind all the competition The question now is Will things ever change Will the rivalry continue forever or will the line between rivalry and something more blur in a way neither of you can control Is it just about the competition or is there something else that neither of you is ready to face
