Captive Market Commercial Kidnapping Stories From Nigeria:

Captive Market Yaw Boateng, Richard Slota, 2015-08-06 The Political Economy of Kidnapping and Insecurity in Nigeria J. Shola Omotola, Samuel Oyewole, 2024-03-29 Providing unique perspectives on one of the leading hotspots of kidnapping in the world this book examines the political and socioeconomic dimensions of the causes manifestations and consequences of kidnapping in Nigeria as well as some of the control measures that have been adopted at different levels of governance and their effectiveness The topics covered in the volume include details on the framework of understanding kidnapping the evolution of kidnapping from pre colonial to post colonial eras and the relationship between ungoverned spaces and kidnapping in the country The book further sheds light on kidnapping in the context of insurgent campaigns with insights into oil related militancy in the Niger Delta region with the Islamist Boko Haram insurgency and terrorism in the Northern region of Nigeria It discusses non insurgent kidnapping situating kidnapping in the contexts of banditry ransoming ritualism baby factory and human trafficking Additionally the volume analyses the emerging gender and transnational frontiers of kidnapping in Nigeria Expanding the discussion on state responses this book also looks into responses of non state actors to kidnapping as well as negotiations in hostage crisis management Finally it examines other unique subjects such as media coverage of kidnapping and the consequences for Nigeria s international image The book will appeal to students scholars and researchers of political science international relations economics sociology history law and business management in general as well as African studies security studies criminology peace and conflict studies and geography and area studies It will also be helpful for public policy makers African security experts and professionals as well as business managers risk analysts and insurance industry that are interested in a better understanding of kidnapping and associated political social economic and security dynamics in Nigeria and beyond **Stray Son** Richard Slota, 2016-09-27 Stray Son sets the supernatural solidly amidst the bizarrely mundane life of Patrick Jaworsky Vietnam vet married with two children whose current job is picking up bodies for a mortuary And when a young but familiar looking Marine keeps crossing his path nothing is normal again and we find as in real life it never really was Patrick and his family are swept back and forth in time in a gorgeous 1937 Packard on their way to two funerals his grandmother s in 1942 and his father s in 2000 Haunted by an array of surprisingly tender and horrifying ghosts Patrick meets not only the brutal family he s been estranged from for 30 years but his past And beyond In a startling unraveling of memories and revelations he comes to terms with his scarring past and has a cascading domino effect on those around him This gutsy lyrical sad hilarious journey into the past and present and what often passes for love is an emotional metaphysical roller coaster Through Patrick s eyes we look long and hard if tenderly into our own hall of mirrors And at the things we were taught never to talk about A hell of a story and an amazing first novel **Martian Farmer** Daniel Slosberg, The original article on using a rover with greenhouses to harvest water from the soil on Mars as part of a manned Mars mission as presented on August 12 2000 at the 3rd Annual Mars Society

Conference and as published in the proceedings On to Mars Colonizing a New World Please note this book contains just one of the many wonderful articles in On to Mars Colonizing a New World 25% of the proceeds received by Rainbowdash Publishers LLC from the sale of this title are donated to the Mars Society

Transnational Unconventional Organized Crime: A National and Global Security Concern Christian Kaunert, Sarah Léonard, Anthony J. Masys, 2025-09-27 The term transnational organised crime has been used to describe different realities depending on the specific category of crime and region of the world concerned Volume 2 of Transnational Unconventional Organised Crime focuses on regional and national perspectives It seeks to explore and understand the complexity of transnational organised crime and unconventional crime in various regional and national incarnations Globalisation has been identified as an essential factor facilitating transnational crime by removing previously established boundaries This complicated process of globalisation has led to similar interdependencies amongst countries and cultures with various long term and multifaceted impacts This interconnected framework has allowed transnational criminal networks to emerge and adapt leading to distinctly regional impacts as shown in this book This volume aims to promote a better understanding of the challenges inherent to tackling transnational organised crime which in turn can helpfully inform responsible and flexible responses that are tailored to the specific conditions in various regions and countries

UNTOLD HISTORY Bernadine E. Ahonkhai, ED. D, 2025-01-06 UNTOLD HISTORY illustrates how African history is intertwined with and foundational to American history The book begins this narrative in the fourteenth century when European seafarers discovered the coastal regions of Africa describes the meeting of the three worlds aEUR Europe Africa and the New World later known as America and details the increasing interactions of the three worlds after the 1450s The author dispels some of the misconceptions about pre colonial Africa by presenting the history and culture of the African continent from a distinctively African lens As such this book chronicles some prominent African empires and kingdoms Africa European bilateral trade relations the trans Atlantic Slave trade and contemporary Africans in the United States The book highlights stories of contemporary Africans residing in the United States and documents the contributions of early and contemporary Africans to the history economic development culture and prominence of the United States of America It concludes with a snapshot of contemporary Africa The book provides a framework for understanding the history of Africa prior to the arrival of European merchants on its shores African civilizations cultures legacy and contributions to American Educators can use the book to supplement their course on American History World History African American History in pre collegiate or collegiate settings This book can help educators to reimagine the teaching and learning of the United States history by centering on important narratives in Africa and with Africans in the American diaspora The book is organized chronologically and can help the reader to understand the past as it relates to the present world To facilitate teaching each chapter opens with a quotation that introduces the content of the chapter and ends with study discussion questions that educators can use or adapt as appropriate for instruction and to

ensure full comprehensive understanding of the content presented

Perpetrators of Mass Atrocities Alette Smeulers, 2023-12-22 The 9 11 attacks as well as the ones in Madrid London Paris and Brussels the genocides in Nazi Germany Rwanda and Cambodia the torture in dictatorial regimes the wars in former Yugoslavia Syria and Iraq and currently in Ukraine the sexual violence during periods of conflict all make us wonder why would anyone do something like that Who are these people Drawing on 30 years of research in this book Alette Smeulers explores the perpetrators of mass atrocities such as war crimes crimes against humanity genocide and terrorism Examining questions of why people kill and torture and how mass atrocities can be explained Smeulers presents a typology of perpetrators with different ranks roles and motives Devoting one chapter to each type of perpetrator the book combines insights from academic research with illustrative case studies of well known perpetrators from dictators to middlemen to lower ranking officials and terrorists Their stories are explored in depth as the book examines their behaviour and motivation Perpetrators of Mass Atrocities thus provides a comprehensive understanding of the causes of extreme mass violence Such knowledge not only can help the international criminal justice system to be able to attribute blame in a fairer way but can also assist in preventing such atrocities being committed on the current scale Perpetrators of Mass Atrocities is essential reading for all those interested in war crimes genocide terrorism and mass violence

Maritime Crime and Policing Yarin Eski, Martin Wright, 2023-04-28 This book offers a unique and scholarly perspective on a little studied subject maritime crime and policing The seas and oceans cover 70 percent of the earth's surface and 90 percent of world trade by volume travels by sea Furthermore the refugee crisis has produced an inflow of people attempting to find a better life particularly in Northwest Europe and the UK which has had an impact on the maritime domains of European ports While there has been attention paid to the role of maritime policing by scholars in maritime security studies little attention has been paid by criminologists and policing studies scholars This book aims to fill this gap Bringing together a range of international scholars this book covers a variety of topics pertinent to maritime crime and its policing such as fraud piracy and armed robbery at sea illegal and unregulated fishing smuggling people trafficking illegal immigration illegal dumping and pollution arms trafficking terrorism and cargo theft It brings together new perspectives on several key criminological themes such as transnational organised crime criminalisation and securitisation and provides a bold new direction for the landlocked discipline of criminology and policing studies An accessible and compelling read this book will be of interest to students and scholars of criminology policing sociology politics migration studies and all those interested in the policing of the sea

Jihadi Terrorism, Insurgency, and the Islamic State Robert J. Bunker, 2017-02-16 This work is the third Small Wars Journal anthology focusing on radical Sunni Islamic terrorist and insurgent groups It covers this professional journal's writings for 2015 and complements the earlier Global Radical Islamist Insurgency anthologies that were produced as Vol I 2007 2011 published in 2015 and Vol II 2012 2014 published in 2016 This anthology which offers roughly five hundred pages of additional analysis follows the same general

conceptual breakdown as the earlier works and is divided into two major thematic sections one focusing on jihadi terrorism insurgency and the Islamic State in context and the other focusing on US allied policy and counter jihadi and counter Islamic State strategies
