Ordinary Moments SH England, 2022-08-05 Everyone has a story. Ordinary Moments is Sadie's story. At seventy she boarded a flight to Paris to rendezvous with the greatest love of her life. Armed with her camera and her playlist she settled in seat 3J for the ten-hour flight. As each song played she began to reminisce about the ordinary moments that led up to this one. She remembered the men she had loved, the heartbreaks she had survived, the women who had been sources of strength, the places she had traveled and how each had changed her forever. There had been joy, laughter, sorrow, and love. She reflected on the paths she had traveled, grateful that in ten hours the heartbreaks would be forgotten and other loves would dim in comparison once the 777 touched down where her perfect love was finally waiting in the City of Lights. *Highway Safety in Black/African-American Communities*, 2004
