The materials presented in this package will give you the knowledge to be a big winner at casino blackjack. The longer you play blackjack, the more money you should make, for you will have a mathematical advantage over the casino.

Though you enjoy an advantage over the house, you will not win every time you play, nor every weekend. It is a reality of gambling due to the chance factor. But in the short run, things will not always go according to plan.

You should however, win the majority of times you play, and overall, you'll be way ahead of the game - a consistent winner at the 21 tables!

Follow these 7 steps to be a big winner at blackjack:

1. Master the optimal Basic Strategies as presented in WINNING CASINO BLACKJACK FOR THE NON-COUNTING HOW TO WIN AT GAMBLING or any other Cardoza Publishing® book. They will be used 80% of the time you play and are mandatory knowledge for the winning player.
