The biggest stars write bestselling books, grab high ratings on Christian television, and even preach. Bowler offers a sympathetic and revealing portrait of megachurch women celebrities showing how they must balance the demands of celebrity culture and conservative male-dominated faiths. And black celebrity preachers' wives carry a special burden of respectability. A compelling account of women's search for spiritual authority in the age of celebrity, adapted from jacket. Holy Mavericks Shayne Lee, Phillip Luke Sinitiere, 2009-04 Joel Osteen, Paula White, T. D. Jakes, Rick Warren, and Brian McLaren, pastor of some of the largest churches in the nation, lead vast spiritual networks, write best-selling books, and are among the most influential preachers in American Protestantism today. Spurred by the phenomenal appeal of these religious innovators, sociologist Shayne Lee and historian Phillip Luke Sinitiere investigate how they operate and how their style of religious expression fits into America's cultural landscape. Drawing from the theory of religious economy, the authors offer new perspectives on evangelical leadership and key insights into why some religious movements thrive while others decline. *Holy Mavericks* provides a useful overview of contemporary evangelicalism while emphasizing the importance of supply-side thinking in understanding shifts in American religion. It reveals how the Christian world hosts a culture of celebrity very

similar to the secular realm particularly in terms of marketing branding and publicity Holy Mavericks reaffirms that religion is always in conversation with the larger society in which it is embedded and that it is imperative to understand how those religious suppliers who are able to change with the times will outlast those who are not *The Master Key* Ben Festus,2017-12-23 Ever been in a problem that looked like it would never end Ever woke up in the middle of the night filled with groaning pain and fear that made the night too long Friends I have good news for you Every problem and challenges have an expiring date Only you can choose how long you stay in the situation or how fast you return the smiles to your face You cannot take your rightful place until you understand that there is a key that can open the door to your joy sound health and prosperity It does not matter for how long you have been in that situation the time has come for you to come out of that situation and this book presents you with the KEY In this exciting and interesting to read book you will discover a secret key called the MASTER KEY that will help you live a comfortable fearless and tearless life This book contains ancient secrets that would help you get out of your quagmire and turn your condemnation into commendation All you need do is grab the MASTER KEY by getting a copy of this book and you will be sure glad you did **The Heart of Wisdom Teaching Approach** Robin Sampson,2005-04 Details the Bible based homeschool teaching approach for parents and discusses Christian education learning styles unit studies bible study and more *A Book to Change Your Life* ; Dmin Sandidge,2009-03 What Others Say about This Book Dr Sandidge has written a very comprehensive book on leadership Every pastor and church leader can find many tidbits of information that will improve their leadership skills This book will provide help in building a ministry team approach There are many helpful ideas for the church leader to develop other leaders for the church and especially Bible teachers A helpful and insightful book Dr Frank Schmitt Professor of Church Ministries Liberty Baptist Theological Seminary and Graduate School 1971 University Blvd Lynchburg VA 24502 Dr Oneal Sandidge is not only a perceptive author but he has also lived and worked in the field of Christian Education at numerous institutions of higher education I have observed Oneal professionally as a teacher and lecturer for many years He has character insight and experience that qualify him to share concepts of the Christian ministry in general and Christian education in particular that will be life changing for his readers Dr James B Keiller Vice President Dean for Academic Affairs Beulah Heights University Atlanta Georgia Dr Oneal Sandidge has written a great book for training pastors church leaders and ministry leaders for improving church ministry This powerful book deals specifically with church ministry Dr Sandidge has used his exceptional skills from serving as Director of Christian Education college professor and ministerial experiences to suggest ways for rethinking ministry This book will help pastors church officials ministry leaders and those who teach church leadership Any reader would benefit from this book Bishop Alfred A Owens Jr Senior Pastor of Greater Mt Calvary Holy Church and Professor Howard University School of Divinity Washington DC
