The Continuum of Literacy Learning, Grades PreK-8, Second Edition Gay Su Pinnell, Irene Fountas, 2010-05-25
Includes index tab dividers between chapters **The Fountas & Pinnell Literacy Continuum** Irene C. Fountas, Gay Su Pinnell, 2016
There has never been a more comprehensive resource available to teachers that does what the continuum does: provide specific behaviors and understandings that are required at each level for students to demonstrate thinking within and beyond and about the text. These behaviors and understandings describe what students will be expected to do in order to effectively read and understand the text. More in depth, more intuitive and more essential than ever, *The Fountas Pinnell Literacy Continuum Expanded Edition* enables teachers to construct a common vision for student achievement that effectively and efficiently engages all students in the robust, authentic and meaningful literacy learning every child deserves. *The Literacy Continuum* provides a way to look for specific evidence of learning from prekindergarten through grade eight and across eight instructional contexts. Each instructional context contributes substantially in different but complementary ways to students' development of the literacy process. With this indispensable literacy tool, Fountas and Pinnell remind you of *The Literacy Continuum's* critical role in transforming literacy teaching and learning. Re-discover *The Fountas Pinnell Literacy Continuum Expanded Edition* to elevate your language and literacy expertise, develop an understanding of the demands of texts on readers, build your understanding of the reading and writing process and how it changes over time, hone your observation of students' literacy behaviors, teach toward student integration of the Systems of Strategic Actions, articulate the literacy curriculum within and across grade levels, activate the responsive teaching that meets students where they are and brings them forward with intention and precision, build professional learning opportunities with colleagues, create a common vision and common language for literacy in your school. Look for these new enhancements inside:
