Contraband Louis Mandrin And The Making Of A Global Underground:

Contraband Michael Kwass,2014-04-07 Louis Mandrin led a gang of bandits who brazenly smuggled contraband into eighteenth century France Michael Kwass brings new life to the legend of this Gallic Robin Hood exposing the dark side of early modern globalization Decades later the memory of Mandrin inspired ordinary subjects and Enlightened philosophers alike to challenge royal power Global Trade, Smuggling, and the Making of Economic Liberalism Felicia Gottmann,2016-05-19 Imported from India China the Levant and Persia and appreciated for their diversity designs fast bright colours and fine weave Asian textiles became so popular in France that in 1686 the state banned their import consumption and imitation A fateful decision This book tells the story of smuggling on a vast scale savvy retailers and rebellious consumers It also reveals how reformers in the French administration itself sponsored a global effort to acquire the technological know how necessary to produce such textiles and how the vitriolic debates surrounding the eventual abolition of the ban were one of the decisive moments in the development of Enlightenment economic liberalism **Geneva's Use of Lies, Deceit, and Subterfuge, 1536-1563** Jon Balserak,2024-09-17 This study examines the ethical character of John Calvin and his Genevan colleagues evangelizing of France It reveals that Calvin s plans for proselytizing his homeland involved lying deception and obfuscation which were employed as a means of evading detection by the French authorities Balserak considers important questions about the relationship between godliness and cunning about Calvin s manufacturing of his image and about the lengths to which he and his colleagues went to spread their gospel *The Consumer Revolution, 1650-1800* Michael Kwass,2022-02-03 A bold new interpretation of consumer revolution in 18th century Europe examining globalization and the politics of consumption in the age of Revolution **The Routledge Handbook of Smuggling** Max Gallien,Florian Weigand,2021-12-21 The Routledge Handbook of Smuggling offers a comprehensive survey of interdisciplinary research related to smuggling reflecting on key themes and charting current and future trends Divided into six parts and spanning over 30 chapters the volume covers themes such as mobility borders violent conflict and state politics as well as looks at the smuggling of specific goods from rice and gasoline to wildlife weapons and cocaine Chapters engage with some of the most contentious academic and policy debates of the twenty first century including the historical creation of borders re bordering the criminalisation of migration and the politics of selective toleration of smuggling As it maps a field that contains unique methodological ethical and risk related challenges the book takes stock not only of the state of our shared knowledge but also reflects on how this has been produced pointing to blind spots and providing an informed vision of the future of the field Bringing together established and emerging scholars from around the world The Routledge Handbook of Smuggling is an indispensable resource for students and researchers of conflict studies borderland studies criminology political science global development anthropology sociology and geography *The Smugglers' World* Jesse Cromwell,2018-11-05 The Smugglers World examines a critical part of Atlantic trade for a neglected corner of the Spanish

Empire Testimonies of smugglers buyers and royal officials found in Venezuelan prize court records reveal a colony enmeshed in covert commerce Forsaken by the Spanish fleet system Venezuelan colonists struggled to obtain European foods and goods They found a solution in exchanging cacao a coveted luxury for the necessities of life provided by contrabandists from the Dutch English and French Caribbean Jesse Cromwell paints a vivid picture of the lives of littoral peoples who normalized their subversions of imperial law Yet laws and borders began to matter when the Spanish state cracked down on illicit commerce in the 1720s as part of early Bourbon reforms Now successful merchants could become convict laborers just as easily as enslaved Africans could become free traders along the unruly coastlines of the Spanish Main Smuggling became more than an economic transaction or imperial worry persistent local need elevated the practice to a communal ethos and Venezuelans defended their commercial autonomy through passive measures and even violent political protests Negotiations between the Spanish state and its subjects over smuggling formed a key part of empire making and maintenance in the eighteenth century

Rivalry for Trade in Tea and Textiles Chris Nierstrasz, 2015-09-22 The rivalry for trade in tea and textiles between the English and Dutch East India companies is very much a global history This trade is strongly connected to emblematic events such as the opening of Western trade with China the Boston Tea Party the establishment of British Empire in Bengal and the Industrial Revolution

Locating the Global Holger Weiss, 2020-08-10 This volume adds to the plurality of global histories by locating the global through its articulation and manifestation within particular localities It accomplishes this by bringing together interlinked case studies that analyse various temporal and spatial dimensions of the global in the local and the interactions between the local and the global The case studies apply a spatial approach to analyse how global questions of space movement networks borders and territory are worked out at a local level The material draws on the Nordic countries Europe the Atlantic world Africa and Australia and ranges from the seventeenth to the twentieth century It is further divided into sections that address topics such as the translocality of humans and goods local articulations of identities and globalities parliamentarism and anti colonialism the organization of knowledge and the construction of spaces of representation and memory

Global Trade and the Transformation of Consumer Cultures Beverly Lemire, 2018-01-11 The oceanic explorations of the 1490s led to countless material innovations worldwide and caused profound ruptures Beverly Lemire explores the rise of key commodities across the globe and charts how cosmopolitan consumption emerged as the most distinctive feature of material life after 1500 as people and things became ever more entangled She shows how wider populations gained access to more new goods than ever before and through industrious labour and smuggling acquired goods that heightened comfort redefined leisure and widened access to fashion Consumption systems shaped by race and occupation also emerged Lemire reveals how material cosmopolitanism flourished not simply in great port cities like Lima Istanbul or Canton but increasingly in rural settlements and coastal enclaves The book uncovers the social economic and cultural forces shaping consumer behaviour as well as the ways in which consumer

goods shaped and defined empires and communities *The Age of Choice* Sophia Rosenfeld, 2025-02-04 Finalist for the Cundill History Prize A New York Times Book Review Editors Choice A sweeping history of the rise of personal choice in the modern world and how it became equated with freedom Choice touches virtually every aspect of our lives from what to buy and where to live to whom to love what profession to practice and even what to believe But the option to choose in such matters was not something we always possessed or even aspired to At the same time we have been warned by everybody from marketing gurus to psychologists about the negative consequences stemming from our current obsession with choice It turns out that not only are we not very good at realizing our personal desires we are also overwhelmed with too many possibilities and anxious about what best to select There are social costs too How did all this happen The Age of Choice tells the long history of the invention of choice as the defining feature of modern freedom Taking readers from the seventeenth century to today Sophia Rosenfeld describes how the early modern world witnessed the simultaneous rise of shopping as an activity and religious freedom as a matter of being able to pick one's convictions Similarly she traces the history of choice in romantic life politics and the ideals of human rights Throughout she pays particular attention to the lives of women those often with the fewest choices who have frequently been the drivers of this change She concludes with an exploration of how reproductive rights have become a symbolic flashpoint in our contemporary struggles over the association of liberty with choice Drawing on a wealth of sources ranging from novels and restaurant menus to the latest scientific findings about choice in psychology and economics The Age of Choice urges us to rethink the meaning of choice and its promise and limitations in modern life
