Sing Them Over Again to Me Mark A. Noll, Edith Waldvogel Blumhofer, 2006-04-30 Hymns and hymnbooks as American historical and cultural icons This work is a study of the importance of Protestant hymns in defining America and American religion It explores the underappreciated influence of hymns in shaping many spheres of personal and corporate life as well as the value of hymns for studying religious life Distinguishing features of this volume are studies of the most popular hymns Amazing Grace O For a Thousand Tongues to Sing All Hail the Power of Jesus Name with attention to the ability of such hymns to reveal as they are altered and adapted shifts in American popular religion The book also focuses attention on the role hymns play in changing attitudes about race class gender economic life politics and society *Opposite Poles* Frederick W. A Companion to the New Harp of Columbia Marion J. Hatchett, 2003 The shape note tradition first flourished in the small towns and rural areas of early America Church sponsored singing schools taught a form of musical notation in which the notes were assigned different shapes to indicate variations in pitch this method worked well with congregants who had little knowledge of standard musical notation Today many enthusiasts carry on the shape note tradition and The New Harp of Columbia recently published in a restored edition by the University of Tennessee Press is one of five shape note singing manuals still in use Jacket

God's Opportunity Athanasios Scott Tonk, 2016-02-05 We human beings have messed up so badly We have atomized the Body of Christ so that only a miracle can heal the wounds of the Body again But God is already acting to heal the Body of His Son as you will see in part 1 of the book This book does not deal in generalities when it comes to Christians It views the Body of Christ as one big family complete with a mother our heavenly Father His Son who is the head of the Body and children kissin cousins aunts uncles and so forth Oh yes we have had our fights but they have all been family fights Now this book issues a challenge to all of the members of the family Appreciate one another's heritage and bring it to the table of the Lord This book is also a call to greater evangelism and mission but it by and large recognizes that the churches are going all out to bring the world to Christ Its Gods Time Its Kingdom Time Its the Fullness of Time Its Gods Opportunity
