Christology In The Synoptic Gospels God Or Gods Servant:

Christology in the Synoptic Gospels Sigurd Grindheim, 2012-03-22 *Trinity and Incarnation* Steven Nemes, 2023-08-28 This book argues that the doctrine of God taken for granted in the catholic tradition divine transcendence creatio ex nihilo divine simplicity makes it impossible to give an intelligible and coherent interpretation of the verbal formulas of the catholic dogmas of Trinity and incarnation By way of response to this apparent incoherence at the heart of the catholic theological tradition it proposes an alternative post catholic take on these central doctrines in the light of a qualified monistic conception of God and a Spirit Christological interpretation of Jesus s relation to God the Father as presented in the New Testament *Jesus Deus* M. David Litwa, 2014 What does it mean for Jesus to be deified in early Christian literature Early Christians did not simply assert Jesus divinity in their literature they depicted Jesus with the specific and widely recognized traits of Mediterranean deities Relying on the methods of the history of religions and ranging judiciously across Hellenistic literature M David Litwa shows that at each stage in their depiction of Jesus life and ministry early Christian writings from the beginning relied on categories drawn not from Judaism alone but on a wide pan Mediterranean understanding of deity **Stepping Stones to Christianity** Peter S. Williams, 2025-10-17 Stepping Stones to Christianity introduces a rational case for Christianity in three steps starting with scientific arguments for design in cosmology and biology moving on to philosophical arguments for the existence of God and closing with an overview of the evidence for a Christian understanding of the historical Jesus in the context of competing contemporary worldviews By bringing together revised and expanded versions of materials written to introduce three of the author s Essays on books with Wipf Stock Stepping Stones to Christianity equips readers to consider the case for design in nature to investigate philosophical arguments for God and to wrestle with the identity of Jesus *Behold the Man* Peter S. Williams, 2024-06-18 After a substantial new essay examining the nature of a properly skeptical historical inquiry into Jesus of Nazareth in the context of contemporary worldviews from pre modernism to meta modernism Behold the Man presents revised essays on an eclectic range of issues from how the Epistle of James treats Jesus as Divine within decades of the crucifixion and an evaluation of recent arguments about the dating of the Fourth Gospel to debunking claims about Jesus and ancient aliens and furthering debate about the resurrection With a foreword by eminent New Testament scholar Craig L Blomberg and extensive recommended resources Behold the Man Essays on the Historical Jesus represents a wide ranging interdisciplinary engagement with historical Jesus studies **Servant and Son** J. Ramsey Michaels, 2017-04-25 First published in 1981 Servant and Son attempts to look simultaneously at Jesus as the subject of our four canonical Gospels and as a figure at times the main figure in his own parables The parables are understood not as fictions he created but as stories his Father told him revelations received from God in his capacity as a prophet From these parables he emerges as servant of God Son of God and much more anticipating in a variety of ways the Jesus of the four Gospels The Originality of Jesus Per Bilde, 2013-08-14

For the first time in the history of modern Jesus research Per Bilde aims his scholarly interest at the originality of the historical Jesus Accordingly he examines the historical Jesus and 14 contemporary Jewish Palestinian figures who in one or more respects can be argued to be comparable to Jesus He comes to the conclusion that Jesus can be regarded as similar to a number of these figures however some more than others and that he appears to be unique in some other respects New Testament Christology G. E. Gorman, 1988-12-08 The New Testament doctrine of the dual nature of Jesus Christ his historical existence as a man and his simultaneous reality as a god has stimulated a resurgence of christological studies by twentieth century scholars and theologians This bibliography is the first work to provide a thorough critical examination of this important body of modern scholarship Containing more than 1 900 annotated entries it will be an essential reference guide for anyone with an interest in early Christianity Christian doctrine or biblical studies In his introduction Hultgren summarizes trends in New Testament christology as reflected in twentieth century European British and American works Sensitively arranged in subject categories the bibliography begins with nine chapters relating to the foundations of christological studies The remaining forty one chapters are divided into three sections dealing with specific topics the titles given to Christ the treatment of Christ by New Testament writers and primary christological themes Many of the entries include extensive commentary as well as passages quoted from the sources Authors titles and subjects are listed in comprehensive indexes Reflecting both the depth and breadth of Dr Hultgren s scholarly analysis this new bibliography is an appropriate choice for New Testament scholars as well as library reference collections The Prosperity Gospel in Africa Marius Nel, 2020-06-15 Africans prevailing interest in the prosperity gospel is not only connected to the influence of American prosperity teachers reaching a worldwide audience through their imaginative use of the media but is also related to the African worldview and African traditional religion and its lasting influence on contemporary Africans and the way they think about prosperity as well as their interest in prosperity in post colonial Africa The research from a classical Pentecostal perspective about the impact of the prosperity message on Africa is necessary timely and relevant because of its influence in the African Pentecostal movement and its potential to harm the faith of believers leading to the potential disillusionment of Christian believers who put their trust and money in formulas and recipes that seemingly only work for others especially the prosperity leaders who lead by example with incredulous riches and wealth Dictionary of Jesus and the Gospels Joel B. Green, Scot McKnight, I. Howard Marshall, 1992-02-18 Edited by Joel B Green Scot McKnight and I Howard Marshall this reference work encompasses everything relating to Jesus and the Gospels
