coherence Even the enigmatic ending of Acts intentionally advances Luke's rhetorical purposes Luke's teaching finds its culmination in the ministry of his archetypal missionary the apostle Paul whose missionary journeys are a Lukan masterclass in mission strategy with much to teach about ministry that transforms whole regions McGinnis rejects the traditional dichotomy that Paul is either a missionary or a prisoner and shows that throughout his work Luke depicts suffering as an integral part of the mission seeking to prepare his readers to face opposition of various kinds Missional Acts will help readers approach Acts in innovative ways by reading it through a primary missional lens *Rudiments of Christian History* Michael Petruzzelli, 2021-07-02 *Rudiments of Christian History* An Outline of Persons Events and Teachings is written in the format of an informal outline which presents a summary of some of the major topics of the two thousand year span of Christian history The author provides various interpretations of causal relationships of key events along with insight regarding historical persons who significantly impacted the course of Christian history and a concise explanation of basic Christian teachings and various Christian theologies A wide scope of citations from primary sources and modern and contemporary scholars both Christian and secular provides factual informativeness and in depth insight regarding the events teachings and persons involved in the unfolding of Christian history This volume contains an extensive bibliography and clear and readily accessible reference information to the outside works that are cited *World Christianity and the Unfinished Task* F.
