Christs New Homeland Africa:

Christ's New Homeland - Africa Francis A. Arinze, 2015 In June of 2015 five cardinals and forty five bishops representing fifty African countries met in Accra Ghana to prepare for the October 2015 Synod on the Family In his opening remarks included in this volume Robert Cardinal Sarah encouraged the bishops of Africa to speak with one voice during the synod I encourage you to speak with clarity and with one credible voice and with filial love of the Church Be conscious of the mission of the Church protect the sacredness of marriage which is now being attacked by all forms of ideologies that intend to destroy the family in Africa Do not be afraid to stress the teaching of the Church on marriage In a major six page interview released during the same period in the French magazine Famille Chr tienne Cardinal Sarah said At the synod next October we will address I hope the question of marriage in an entirely positive manner seeking to promote the family and the values that it bears The African bishops will act to support that which God asks of man concerning the family and to receive that which the Church has always taught Why should we think that only the Western vision of man of the world of society is good just universal The Church must fight to say no to this new colonization These African pastors provide much food for thought and reflection about modern Western culture and our personal lives as well as an introduction to the Synod The title of the book comes from a phrase used by Blessed Pope Paul VI which in our time beautifully expresses the universality of the Church and the increasing role played by African Church leaders Among the contributing cardinals and bishops are Robert Cardinal Sarah Francis Cardinal Arinze Christian Cardinal Tumi Th odore Cardinal Sarr Archbishop Samuel Kleda and more

Sarah Francis Cardinal Arinze Christian Cardinal Tumi Th ore Cardinal Sarr Archbishop Samuel Kleda and more *Our Bishops, Heroes for the New Evangelization* Justin McClain, 2017-06-05 These are challenging times when it comes to the need for lay Catholics to understand the Church's position on any number of doctrinal issues Likewise we need bishops who will lead warmly and amicably yet likewise accurately and as dutiful spiritual fathers The goal of this book is to invite the Catholic laity along with anyone of good will to become steadily familiar with the teachings of the Church as transmitted by the writings of modern Catholic bishops There is a particular focus on the bishops of the English speaking world as well as on the writings of the bishops over the course of the last two centuries If you would like to grow in your Catholic faith this book explains how the bishops have patiently and pastorally led the faithful to walk ever closer to the ultimate Good Shepherd the Lord Jesus Christ

He Gave Us So Much Robert Sarah, 2024-01-18 Benedict XVI was a spiritual master writes Robert Cardinal Sarah of his longtime mentor after his death early 2023 His very precise and profound theological thought is rooted in an authentic mystical and spiritual experience This book offers not an academic analysis of Ratzinger's intellectual work but a personal sketch of the soul of Joseph Ratzinger a glimpse into the secret recesses of his heart In *He Gave Us So Much* Cardinal Sarah traces the spiritual contours of Ratzinger's life and thought revealing the image of a man on fire with love for God and neighbor Benedict XVI was no professor in an ivory tower but a shepherd and pastor with the heart of a father For him prayer and meditation communion with Christ stand at the vibrant center of all Christian existence After a series of essays on Ratzinger *He Gave Us So Much* also presents a selection of texts and homilies written by the late pope himself arranged by Cardinal Sarah as a spiritual itinerary for prayer These works invite us to follow Jesus in our own lives body soul and spirit to the ends of the earth and beyond You may discover an unexpected unknown Benedict XVI proposes Cardinal Sarah His teaching and his example are a continent still unexplored where the Church will be able to find nourishment for a long time This is no ordinary biography but in Sarah's words the portrait of a saint

Joseph Ratzinger and the Future of African Theology Maurice Ashley Agbaw-Ebai, Matthew Levering, 2021-12-27 This book engages the theology of Joseph Ratzinger Pope Benedict XVI in dialogue with African Catholic theological concerns and challenges After an Introduction by Matthew Levering arguing that African Catholic theology is an important resource for the whole Church the book contains ten chapters by African and non African Catholic theologians Paulinus Odozor investigates whether and if so how the God of Jesus Christ stands in continuity with the God known to African Traditional Religions Paul latub sun Adaja addresses faith and reason in light of the current African anthropological crisis Tegha Nji and Valery Akoh connect Ratzinger's idea of pro existence with traditional African understandings of solidarity Jacob Phillips compares the theologies of Robert Cardinal Sarah and Joseph Ratzinger Benedict XVI Dennis Kasule examines the requirements of a New

Evangelization for Africa in light of the case of Uganda Joseph Lugalambi proposes that the Catholic liturgies of Africa are in need of reform Mary Reginald N Anibueze explores the Eucharist as a socio communitarian event Emery de Gaal reflects upon Ratzinger Benedict's theology of inculturation Joseph Ogbonnaya treats Caritas in Veritate with a focus upon the case of Nigeria Maurice Ashley Agbaw Ebai meditates upon Ratzinger's understanding of political power *Before Amoris Laetitia* Jaroslaw Kupczak, 2021-09-03 The publication of Pope Francis post synodal apostolic exhortation Amoris Laetitia started the most important theological debate in the Catholic Church since the end of the Second Vatican Council The cardinals bishops theologians priests lay Catholics found themselves on the opposite sides of this crucial and complicated discussion This book attempts to shed some light on this debate by tracing its genealogy Since Amoris Laetitia is a post synodal document the large part of the book is devoted to the theological analysis of the two Synods of Bishops convoked by Pope Francis in the first years of his pontificate the extraordinary in October 2014 and the ordinary that took place a year later The main topics for the two synods were determined however in the speech given by Cardinal Walter Kasper during the cardinals consistory in February 2014 whose main aim was to prepare the possibility of admitting divorced persons who live in second unions to Holy Communion The arguments of Cardinal Kasper are presented in the first chapter of the book and confronted with the most significant statements of the Magisterium of the Church on the issue of admittance to the Holy Communion This book is a study at the intersection of Church history the history of theology and systematic theology dogmatic and moral Kupczak is interested in the chronology of the events connected to the two synods on the family but in the context of theological problems discussed therein the theological significance of contemporary cultural changes the relation of the Church to the world the understanding of the indissolubility of the sacramental marriage and the Eucharist the methods of ethically assessing human acts particularly the concept of so called intrinsically evil acts intrinsece malum and the relation of conscience to the general moral norm The non partisan ambition of this book is to serve as a road map a help in navigation for the reader in the complicated discussions leading to publication of Amoris Laetitia The uniqueness of this book consists in combining the historical analysis of the events leading to the publication of Amoris Laetitia with research of the theological discussion that ensued Since Amoris Laetitia is a post synodal exhortation this book rests on the assumption that crucial for its understanding is a thorough analysis of its genealogy Only in the light of this historical and theological perspective the debates surrounding Amoris Laetitia may be understood **Towards a Catholic theology in the African context** Denis Mpanga, 2017 A Catholic Theology in a current African context remains a challenge for theologians How can authentic African elements contribute to a catholic theological discourse that can contribute to a re awakening of contextual theological reconstructions faithful to cultural contexts This work responds by bringing into the dialogue one of the renowned German theologians Karl Adam and showing his success in his contextual theological project but also evidencing his failures and thereby setting boundaries for contextual theological constructions Denis Mpanga is Catholic priest of the

An Introduction to Vatican II as an Ongoing Theological Event Matthew Levering, 2017 Contemporary scholars often refer to the event of Vatican II but what kind of an event was it In this first book of the new CUA Press series Sacra Doctrina Matthew Levering leads his readers to see the Council as a theological event a period of confirming and continuing God's self revelation in Christ into a new historical era for the Church This is an introduction to Vatican II with a detailed summary of each of its four central documents the dogmatic constitutions followed by explanations of how to interpret them In contrast to other introductions which pay little attention to the theological soil in which the documents of Vatican II germinated Levering offers a reading of each conciliar Constitution in light of a key theological author from the era Ren Latourelle SJ for Dei Verbum persons and propositions Louis Bouyer CO for Sacrosanctum Concilium active participation Yves Congar OP for Lumen Gentium true and false reform and Henri de Lubac SJ for Gaudium et Spes nature and grace This theological event is ongoing Levering demonstrates by tracing in each chapter the theological debates that have stretched from the close of the council till the present and the difficulties the Church continues to encounter in encouraging an ever deeper participation in Jesus Christ on the part of all believers In this light the book's final chapter compares the historicist Massimo Faggioli and Christological Robert Imbelli interpretations of Vatican II arguing that historicism can undermine the Council's fundamental desire for a reform and renewal rooted in Christ The conclusion addresses the concerns about secularization and loss of faith raised after the Council by Henri de Lubac Joseph Ratzinger and Yves Congar arguing that contemporary Vatican II scholarship needs to take these concerns more seriously

Love, Joy, and Sex Stan Chu Ilo, 2019-07-30 There is no papal document that has generated as much interest controversy and debate in recent times as Pope Francis's Amoris Laetitia This document which came out of two very divisive synods of Catholic bishops and leaders in Rome in 2014 and 2015 will probably be the most discussed document ever produced by a pope in modern Catholicism on marriage and family life This volume has gathered seminal commentaries on Amoris Laetitia by African Catholic theologians social scientists and pastoral workers They offer African theological and pastoral responses to the principles and practices proposed by Pope Francis and the Synod on the family on such contested issues as same sex relations divorce and remarriage and reception and denial of Holy Communion in the church among other divisive issues These important essays and commentaries show the strengths and weaknesses of this papal commentary and point out the missing link in the global conversation on marriage family and same sex relations Their argument for the inclusion of African perspectives and moral traditions in the search for a third way in finding an inclusive and integrated pastoral art of accompaniment is very compelling The authors here also call for the inclusion of Africa's own unique challenges like polygamy childless marriages

and the impact of migration civil conflict diseases ecological and population crises and the rights of African women in the global discussion on marriage and family life They also challenge uncritical clichés in world Christianity that Africa's opposition to same sex marriages or Western propaganda about population or birth control and contraception are conservative while showing diverse African conversations on these topics in the search for abundant life on this beautiful continent
