Chuck Hagel Moving Forward:

Chuck Hagel Charlyne Berens,2006-01-01 Traces Nebraska Senator Chuck Hagel s quick rise to national recognition and influence and the background that has led him to an outspoken internationalism in a study of one of the most interesting and independent figures in American politics **Our Year of War** Daniel P. Bolger,2025-05-01 Two brothers Chuck and Tom Hagel who went to war in Vietnam fought in the same unit and saved each other s life They disagreed about the war but they fought it together 1968 America was divided Flag draped caskets came home by the thousands Riots ravaged our cities Assassins shot our political leaders Black fought white young fought old fathers fought sons And it was the year that two brothers from Nebraska went to war In Vietnam Chuck and Tom Hagel served side by side in the same rifle platoon Together they fought in the Mekong Delta battled snipers in Saigon chased the enemy through the jungle and each saved the other s life under fire But when their one year tour was over these two brothers came home side by side but no longer in step one supporting the war the other hating it Former Secretary of Defense Chuck Hagel and his brother Tom epitomized the best and withstood the worst of the most tumultuous shocking and consequential year in the last half century Following the brothers paths from the prairie heartland through a war on the far side of the world and back to a divided America Our Year of War tells the story of two brothers at war a gritty poignant and resonant story of a family and a nation divided yet still united **Presidential Decision Making and Military Intervention in the Post-Cold War Era** Dennis N.

Ricci,2019-07-08 Despite the end of the Cold War the frequency of U S military intervention has increased While military intervention accelerated after 9 11 increasing intervention was demonstrably evident well before 2001 Presidential Decision Making and Military Intervention in the Post Cold War Era Go or No Go analyzes presidential decision making regarding military intervention through a focused structured comparison of go and no go decisions from the four successive administrations of Presidents George H W Bush Bill Clinton George W Bush and Barack Obama Dennis Ricci explores competing explanations for why a presidential administration will decide to intervene in one situation and not in another Since both the situations and decision makers vary across cases Ricci analyzes explanations for intervention by asking Why intervene Why use force or not Under what conditions or circumstances are intervention decisions made Oversight on the VA's Automated Data Processing Policy United States. Congress. Senate. Committee on Veterans' Affairs,1982 The Accidental Admiral James G. Stavridis,2014-10-01 After he was selected to be NATO s sixteenth Supreme Allied Commander The New York Times described Jim Stavridis as a Renaissance admiral A U S Naval Academy graduate with a master s degree and doctorate from The Fletcher School of Law and Diplomacy at Tufts University conversant in both French and Spanish this author of numerous books and articles impressed the Navy s leaders and senior Pentagon civilians with his wide range of interests educational background keen understanding of strategic doctrine mastery of long range planning and command of international affairs Since NATO had previously been led by generals Stavridis saw his assignment as the first

admiral to take command as somewhat accidental As the American and NATO commander in Europe responsible for 120 000 coalition troops serving in fifty one nations on three continents and at sea he had come a long way since almost leaving the Navy for law school five years after receiving his commission The Accidental Admiral offers an intimate look at the challenges of directing NATO operations in Afghanistan military intervention in Libya and preparation for possible war in Syria as well as worrying about the Balkans cyber threats and piracy all while cutting NATO by a third due to budget reductions by the twenty eight nations of the alliance More than just describing the history of the times Stavridis also shares his insights into the personalities of President Barack Obama Secretary of State Hillary Clinton Secretaries of Defense Robert Gates Leon Panetta and Chuck Hagel Afghan President Hamid Karzai Generals David Petraeus Stanley McChrystal John Allen and many more Known as an innovator and an early adopter of technology and social media Stavridis ability to think outside the box and sail in uncharted waters is unmatched He shares his insights on leadership strategic communications planning and the convergence of threats that will confront the United States and its allies in the near future Stavridis is an advocate of the use of Smart Power which he defines as the balance of hard and soft power He explains that in creating security in the twenty first century it is critical to build bridges not walls and stresses the need to connect international interagency and public private actors to achieve security

On War and Politics Arnold L Punaro, David C Poyer, 2016-10-15 After being wounded and awarded the Bronze Star for valor as a Marine infantry platoon commander in Vietnam Arnold Punaro thought he d left the battlefield behind Instead he redeployed onto the battlefield of Washington politics For almost fifty years he s toiled at the intersection of the political and defense establishments working with such luminaries as Sam Nunn John Glenn John McCain Colin Powell Robert Gates Ash Carter and many others Today Democrats Republicans and career public officials agree on one thing few individuals possess the military experience governmental expertise and personal integrity of Arnold Punaro Partnered with best selling writer David Poyer Punaro offers revelations about the most contentious issues of the past and sage advice for the future From his military service to his role formulating and overseeing all major defense and intelligence legislation Punaro reveals how decisions are really made inside the Beltway providing insights into the actions of presidents since Jimmy Carter and Secretaries of Defense back to James Schlesinger Unsparing in his criticisms of both parties whose partisanship is leading our country over a precipice Punaro presents radical proposals for much needed reform to save the country for which so many have given their lives

Congressional Record United States. Congress, 2003 **The Polish American Encyclopedia** James S. Pula, 2010-12-22 At least nine million Americans trace their roots to Poland and Polish Americans have contributed greatly to American history and society During the largest period of immigration to the United States between 1870 and 1920 more Poles came to the United States than any other national group except Italians Additional large scale Polish migration occurred in the wake of World War II and during the period of Solidarity s rise to prominence This encyclopedia features three types of entries thematic essays topical entries and biographical profiles The

essays synthesize existing work to provide interpretations of and insight into important aspects of the Polish American experience The topical entries discuss in detail specific places events or organizations such as the Polish National Alliance Polish American Saturday Schools and the Latimer Massacre among others The biographical entries identify Polish Americans who have made significant contributions at the regional or national level either to the history and culture of the United States or to the development of American Polonia

Defense Acquisition Trends, 2015 Jesse Ellman, Andrew P. Hunter, Rhys McCormick, Gregory Sanders, 2016-02-19 This study examines contracting trends at the U S Department of Defense DoD It relies on empirical analysis of DoD contracting transaction data from the open source Federal Procurement Data System FPDS The authors seek to identify and study emergent trends in the contracting data and marry that analysis with discussion of changing goals and methods for the larger acquisition system

All Is Moving on the Western Front Mária Schmidt, 2015-09-07 What challenges are facing the Western world in the early 21st century What fate is awaiting the nation states Will they continue to exist or will they be replaced by empires What will the role of the state be Will it shrink and lose significance or on the contrary grow stronger Will everybody have to work will they have a job in the future In all events will there be enough work for all And what fate is awaiting the family How about belief What will follow from the prolongation of human life Can social welfare systems one of the most important achievements of the 20th century be maintained Can we wait until the West offers new answers and proposals for solutions or should we make up our minds and follow our own ideas These are some of the questions to which M aria Schmidt seeks answers in this volume While her point of view is undoubtedly that of a historian her thoughts are focused on the future This essay collection of hers is based on the convincing starting point there is no way back
