Hybrid Church

Dave Browning, 2010-08-20 A hands on resource for both large and small churches It has been predicted that in the twenty first century extremely large churches would emerge in America that resemble neither an elephant nor a field of mice Which is better At one time the answer would have been either or Now it s both and We want both the intimacy of smallness and the impact of bigness we want a hybrid of the two Hybrid Church is a practical guide for clergy and leaders who want to have the best of both church worlds the intimacy of small house church groups and the impact of very large mega churches Offers a guide for churches who want to capitalize on their strengths to build intimacy with impact Written by the pastor of one of the fastest growing and most innovative churches in America with thousands of members organized in small house groups Outlines a vision for how the church of tomorrow could look like the early church Given that the trend is toward very large and very small with few churches in the middle this book will be a welcome resource for both large and small churches

Neighborhood Transformation Olusegun Solomon Osineye, 2024-07-31 Neighborhood Transformation is a Christian reimagination of compassionate ministry through the application of the practice of biblical hospitality This book advocates

the creation of community outreach programs focused on emotional support legal support and spiritual refuge for undocumented African immigrants Linking the theological and biblical vision for neighborhood transformation with the philosophical framework of community building it considers the meaning of community within the context of the Christian calling to build a community of strangers in a pluralistic society like the United States of America The African diaspora is invited to their vocational calling of rebuilding their local communities using Nehemiah Ezra and the contemporary Jewish community in the Diaspora as biblical and contemporary example The Missional Church in Perspective Craig Van Gelder,Dwight J Zscheile,Alan J. Roxburgh,2011-05 Two ministry experts map the variety of missional church visions over the past decade opening up new horizons for extending the conversation biblically and theologically **Church Transfusion** Neil Cole,Phil Helfer,2012-09-19 Just as our life is in our blood the life for Christ s body is in His blood Changing a church is more than a new goal or direction Our churches need more than an organizational transition we need a full transfusion of Jesus blood His life within every disciple Anything less than that will only perpetuate more of the dysfunction and unhealthy church practices that have already plagued us for too long We are in desperate need of the internally transforming power of the gospel of grace and the presence of Christ so that our salvation is then worked out in a way the rest of the world will notice It isn t enough that we believe in the facts contained in the gospel we must allow the gospel itself to infect our souls and transform us from within The DNA of Jesus lifeblood is needed in our churches and nothing shy of a full transfusion that touches every cell will be sufficient In this book Neil Cole author of Organic Church Church Transfusion and Journeys to Significance and Phil Helfer co founders of Church Multiplication Associates will first point out that change is possible with God but only with God In the second half of the book they will lay out some of the actual practical considerations to weigh if you want to release real organic health in your church Using multiple examples of very different kinds of churches that have been through the process the authors present ways that leadership and practices need to change in order to release organic church movements from their midst Chapters cover Leadershifts necessary Detoxification from dependence issues How to ignite change virally How to grandparent movements How to measure success in movements This book another in the Leadership Network series applies organic life principles to established churches with practical help that is holistic and natural The content in this book will be helpful whether you are pastor of an established church or wanting to revitalize a small organic church Jesus didn t die and rise from the dead so that we can be like everyone else in the world Our faith is more than just a better doctrine or a bigger goal with a capital giving campaign it is a better life Jesus is the difference and what a difference he makes don t be satisfied with less *The Post-Black and Post-White Church* Efrem Smith,2012-06-21 A blueprint for missional multi ethnic Christian community Efrem Smith an internationally recognized and innovative African American leader offers a workable plan for connecting theology practical ministry models and real stories of people in multi ethnic Christian communities Using the example of Jesus Smith develops a theology of multi ethnic and missional leadership
