Church of Spies Mark Riebling, 2015-09-29 History has accused wartime pontiff Pius the Twelfth of complicity in the Holocaust and dubbed him Hitler's Pope Riebling shows that in reality Pius ran the world's largest church smallest state and oldest spy service Skimming from church charities to pay covert couriers and surreptitiously tape recording meetings with top Nazis Pius played sent birthday cards to Hitler while secretly plotting to kill him Fearing that overt protest would impede his covert actions he muted his public response to Nazi crimes

Church of Spies Mark Riebling, 2015 *Church of Spies*

Mark Riebling, 2015-09-29 The heart pounding history of how Pope Pius XII often labeled Hitler's Pope was in fact an anti-Nazi spymaster plotting against the Third Reich during World War II The Vatican's silence in the face of Nazi atrocities remains one of the great controversies of our time History has accused wartime pontiff Pius the Twelfth of complicity in the Holocaust and dubbed him Hitler's Pope But a key part of the story has remained untold Pope Pius in fact ran the world's largest church smallest state and oldest spy service Saintly but secretive he sent birthday cards to Hitler while secretly plotting to kill him He skimmed from church charities to pay covert couriers and surreptitiously tape recorded his meetings with top Nazis Under his leadership the Vatican spy ring actively plotted against the Third Reich Told with heart pounding suspense and drawing on secret transcripts and unsealed files by an acclaimed author Church of Spies throws open the Vatican's doors to reveal some of the most astonishing events in the history of the papacy Riebling reveals here how the world's greatest moral institution met the greatest moral crisis in history

The twentieth century saw a transformation in the Catholic Church's approach to war and peace as the papacy sought to adopt and propose alternatives to traditional Just War doctrine by developing contemporary policies to peacefully resolve both the symptoms and root causes of war This book explores the emergence of a new ethical framework built upon three distinct moral doctrines coined here as AMP War Avoidance for when war is imminent War Mitigation for when war is unavoidable and Preventive Pacification during periods of relative stability This book examines the shaping of the AMP paradigm from Leo XIII to John Paul II analyzing its theological philosophical and legal underpinnings While AMP co exists alongside Just War doctrine the latter provides a framework for judging the morality of war the former addresses the preemption mitigation and prevention of conflict The book argues that AMP gradually became the primary framework for the Holy See's foreign policy with the potential to further become a crucial ethical guide for the twenty first century's pursuit of more just and peaceful international relations

Last Resort Beyond Last Resort Walter Herbst, 2025-04-29 John F Kennedy was an embattled president He was consistently at odds with the Joint Chiefs the CIA the radical right and Fascist groups in America and Western Europe who considered him too weak to contain the spread of communism After the Cuban Missile Crisis the animosity for the young President grew as JFK cracked down on right wing Cuban exile groups in America by preventing them from running sabotage raids against the Cuban mainland Confusion reigned for at the same time Robert Kennedy was putting together a coalition of left wing Cuban exiles to launch a second invasion of Cuba at the end of 1963 Meanwhile a right wing Cuban exile group operating independently of the Kennedys was looking to assassinate JFK which they believed would be a catalyst to compel the United States to invade Cuba with its military in retaliation The plan could have worked

because of Lee Harvey Oswald He was a Marxist and Castro supporter who had defected to the Soviet Union in 1959 had renounced his citizenship and had revealed military secrets to the Russians He allegedly tried to shoot right wing General Edwin Walker was a member of the pro Castro Fair Play for Cuba Committee and in the summer of 1963 he was arrested in New Orleans for handing out pro Castro literature in public He traveled to Mexico City and tried to reach Havana two months before the JFK assassination He wrote a letter to the Russian Embassy in Washington D C upon his return saying he used an alias while he was in Mexico He was measured as 5 9 tall during his autopsy which was two inches shorter than when he left the Marines four years before All this made him the perfect patsy to be used to justify a second invasion of Cuba So why didn t the United States invade Cuba after the JFK assassination when they had the opportunity to do so once and for all The answer to that question is West Berlin the gateway to Western Europe and a city President Kennedy was determined to protect at all costs even if it meant sacrificing Cuba to the Communists And a second invasion of Cuba placed Berlin in jeopardy so it could not be allowed to happen Another group came together in the spring of 1963 made up of CIA right wing Cold War veterans like Allen Dulles James Angleton Henry Hecksher William Harvey and Tracy Barnes These men had fought the Nazis during World War but came to consider them the lesser of two evils compared to the Soviet Union when the war was over And they were hell bent on keeping communism out of Europe by any means possible For over a decade leading up to JFK s Presidency they had collaborated with ex Nazis European Monarchists and French military Fascists in the war against communism to keep Europe safe So it was not surprising that they all came together once again to assassinate President Kennedy not to justify an invasion of Cuba but to prevent that from occurring They knew that if a second invasion of Cuba were to happen the Soviets would take West Berlin which would almost certainly have led to World War III So as a Last Resort Beyond Last Resort this group inevitably concluded that the only choice they had was to remove JFK from power before it was too late And mixed up in the middle of it all was Lee Harvey Oswald *Studies in Intelligence* ,2016
