Cross Daniel K. Williams,2021-03-02 Where do Christians fit in a two party political system The partisan divide that is rending the nation is now tearing apart American churches On one side are Christian Right activists and other conservatives

who believe that a vote for a Democratic presidential candidate is a vote for abortion sexual immorality gender confusion and the loss of religious liberty for Christians On the other side are politically progressive Christians who are considering leaving the institutional church because of white evangelicalism's alliance with a Republican Party that they believe is racist hateful toward immigrants scornful of the poor and directly opposed to the principles that Jesus taught Even while sharing the same pew these two sides often see the views of the other as hopelessly wrongheaded even evil Is there a way to transcend this deep seated division The Politics of the Cross draws on history policy analysis and biblically grounded theology to show how Christians can protect the unborn advocate for traditional marriage promote racial justice care for the poor and above all honor the gospel by adopting a cross centered ethic instead of the idolatrous politics of power fear or partisanship As Daniel K Williams illustrates both the Republican and Democratic parties are rooted in Christian principles but both have distorted those principles and mixed them with assumptions that are antithetical to biblical truth Williams explains how Christians can renounce partisanship and pursue policies that show love for our neighbors to achieve a biblical vision of justice Nuanced detailed and even handed The Politics of the Cross tackles the thorny issues that divide Christians politically and offers a path forward with innovative biblically minded political approaches that might surprise Christians on both the left and the right
