Church of Golf Spencer Stephens, 2014-09-15 Donald Gibson had it all And then he screwed the pooch Donald and his fabulous blond hair found fame and success too easy and too early He starred as a football player for the University of Maryland and brought his alma mater its first national championship Out of college he prospered as a celebrity salesman But he took his good fortune for granted and his life went to hell By his mid forties he s deep in debt drunk lumpy around the middle and sucking for air Donald makes a life changing choice when the aunt who raised him dies and leaves him a unique bequest he can have her fortune and her house on Lanai a tiny and unheard of Hawaiian island but only if he remains on the island for three years He moves into what looks like a community of religious kooks and discovers that golf his passion is the village religion For Donald the way back looks like a tap in putt It turns out to be a slippery downhill four footer that runs thirty yards past the hole Donald resigns himself to years of involuntary quietude and is befriended by villagers from all along the spectrum of oddity David Kalakaua a descendant of Hawaiian royalty insists upon being called King and goose steps about the village golf course demanding that he be worshipped Wendy Walker who lives in fear of fire and brimstone preaches that God gave his only son so that Christians could chip and putt like champions Ramona is a naive teen who can drive a ball two hundred and sixty yards and unlike most of the villagers plays with competitive heat Tina is Ramona s mother and turns Donald in to her boy toy And there is Bobby Joe Fu a Chinese North Carolinian Baptist former seminarian and failed touring pro the village s spiritual leader who makes Donald s rehabilitation his personal mission Church of Golf touches on themes every golfer will recognize failure hope struggle and redemption It also affirms what every golfer knows to be true Learning to golf well is learning to live humbly The Season of Second Chances Diane Meier, 2010-03-30 A world of possibilities opens up for Joy Harkness when she sets out on a journey that s going to show her the importance of friendship love and what makes a house a home Coming of age can happen at any age Joy Harkness had built a university career and a safe life in New York protected and insulated from the intrusions and involvements of other people When offered a position at Amherst College she impulsively leaves the city and along with generations of material belongings she packs her equally heavy emotional baggage A tumbledown Victorian house proves an unlikely choice for a woman whose family heirlooms have been boxed away for years Nevertheless this white elephant becomes the home that changes Joy forever As the restoration begins to take shape so does her outlook on life and the choices she makes over paint chips wallpaper samples and floorboards are reflected in her connection to the co workers who become friends and friendships that deepen A brilliant quirky town fixture of a handyman guides the renovation of the house and sparks Joy s interest to encourage his personal and professional growth Amid the half wanted attention of the campus s single middle aged men known as the Coyotes and the legitimate dramas of her close knit community Joy learns that the key to the affection of family and friends is being worthy of it and most important that second chances are waiting to be discovered within us all *Cathy's Second Chance* Cathy
