Child And Adolescent Development In Your Classroom Whats New In Education:

Addressing Diversity in Literacy Instruction Evan Ortlieb, Earl H. Cheek Jr, 2017-11-16 This edited volume highlights recent research related to how issues of diversity are addressed within literacy instruction for K 12 learners **Towards a holistic approach to support learners at risk of interrupted development** Macalane J. Malindi, Johnnie Hay, Thabo Makhalemele, 2024-02-23 The COVID 19 pandemic and the restrictions that came with it led to unprecedented disruptions in learner development and put them at risk of poor developmental outcomes It is thus important that the extent of the disruption on their development and the support needs of learners be investigated Researching the impact of the disruption should focus on holistic development In this book the authors use multiple research approaches and methods of gathering data in their respective fields to examine the impact of the disruption and determine the support needs of learners Data gathered through the different methods are processed and findings are presented The findings have implications for both practice and future research in the fields of inclusive education learner support educational psychology movement education Life Orientation and curriculum development **Child and Adolescent Development for Educators** Christi Crosby Bergin, David Allen Bergin, Sue Walker, Graham Daniel, Angela Fenton, Pearl Subban, 2018-09-01 Child and Adolescent Development for Educators covers development from early childhood through high school This text provides authentic research based strategies and guidelines for the classroom helping future teachers to create an environment that promotes optimal development in children The authors apply child development concepts to topics of high interest and relevance to teachers including classroom discipline constructivism social emotional development and many others Child and Adolescent Development for Educators combines the core theory with practical implications for educational contexts and shows how child development links to the Australian Professional Standards for Graduate Teachers Case studies and real world vignettes further bridge the distance between research and the classroom Along with strong coverage of key local research such as the Longitudinal Study of Australian Children and Longitudinal Study of Indigenous children **Child and Adolescent Development in Your Classroom** Christi Crosby Bergin, David Allen Bergin, 2011-01-01 Covering development from early childhood through high school in an easy to follow format this book provides future teachers with authentic research based strategies and guidelines for their classrooms The authors apply child development concepts to topics of high interest and relevance to teachers including classroom discipline constructivism social emotional development and many others A strong emphasis on diversity among children is reflected throughout Case studies and real world vignettes further bridge the distance between research and the classroom helping future teachers be better prepared to create an environment that promotes optimal development in children Important Notice Media content referenced within the product description or the product text may not be available in the ebook version **More what Works when with Children and Adolescents** Ann Vernon, 2009 Presents approximately eighty activities for counseling children and adolescents which address such issues as

anxiety depression stress grief low frustration tolerance anger bullying and acting out **Intersectionality of Race, Ethnicity, Class, and Gender in Teaching and Teacher Education** Norvella P. Carter, Michael Vavrus, 2018-04-16 In Intersectionality of Race Ethnicity Class and Gender in Teaching and Teacher Education the editors bring together scholarship that employs an intersectionality approach to conditions that affect public school children teachers and teacher educators Chapter authors use intersectionality to examine group identities not only for their differences and experiences of oppression but also for differences within groups that contribute to conflicts among groups This collection moves beyond single dimension conceptions that undermines legal thinking disciplinary knowledge and social justice Intersectionality in this collection helps complicate static notions of race ethnicity class and gender in education Hence this book stands as an addition to research on educational equity in relation to institutional systems of power and privilege Understanding the Adult Learner Alisa Belzer, Brian Dashew, 2023-07-03 Adults seek out learning for very different reasons in different contexts and this book is intended to support adult educators development in responding to this rich array There is no single way to be an adult learner and so it should not be surprising that there is no single way to be an adult educator However the authors believe that all educators must demonstrate a commitment to meeting adult learners where they are Adult educators should help learners move forward not only with new content knowledge information and skills but also with new ways of making meaning and seeing themselves their role and the world This volume introduces many theories and concepts that can help adult educators do this effectively **Child and Adolescent Development** Kelvin Seifert, Robert J. Hoffnung, 1991
